Geoff Moore and the Distance - Evolution Geoff Moore,1997-03 Evolution features PVG arrangements of songs from Grammy and Dove nominated albums A Friend Like U and Evolution Songs include the 1993 Dove Song of the Year The Great Adventure Geoff Moore and the Distance are Contemporary Christian artists **Just Call Me Dad** James W. Minton Sr. Jim,2019-02-05 Do kids come with an owner s manual This book is about Jim Minton s journey of figuring out how to raise his kids and learning a lot about himself in the process When Jim s children were born he focused on raising Division I athletes who would make him look good He started off as that obnoxious dad we have all witnessed at sporting events He ended up with thirteen principles for improving himself plus three amazing kids who bring him great joy as they walk in the truth Jim loves good quotes He kept a list on the refrigerator as his kids grew up many of them coming from legendary basketball coach John Wooden Jim knew his kids were going to find the bad stuff on their phones and in the culture it was up to him to get the good stuff in front of them Along the way Jim discovered that the Bible is the owner s manual he was looking for Invisible Jesus Scot McKnight,Tommy Preson Phillips,2024-10-15 In recent years we ve seen an increase in the number of Christians who are deconstructing their faith critically analyzing Christianity and finding that it falls short Many end up leaving behind the beliefs and commitments they formerly held While many have written on how to reverse this trend Scot McKnight and Tommy Preson Phillips believe that rather than dismissing these concerns we need to listen more carefully Deconstructors are uncovering serious weaknesses in today s church a renewed fundamentalism toxic leadership and legalistic thinking among them Utilizing the results of recent studies by Pew Gallup and others McKnight and Phillips take a careful look at what deconstructors are really saying seeking to better understand why many are shedding elements of the faith and church of their youth but also engaging in a reconstruction process finding Jesus afresh They are losing their religion but not losing Jesus Filled with stories of those who have walked the path of deconstruction without losing their faith Invisible Jesus is a prophetic call to examine ourselves and discern if the faith we practice and the church we belong to is really representative of the Jesus we follow Each chapter looks at a different topic and offers biblical reflections that call for us to not only better listen but to change how we live out our faith as followers of Jesus today SPIN ,1994-09 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks Sects, Love, and Rock & Roll Joel Heng Hartse,2010-11-01 If this book moves I hope it moves in the way pop songs do There will be a lot of talk about songs but inasmuch as this is a book about listening to music it s also about how listening to music makes us who we are or at least about how it makes me who I am and so it is an exploration an idiosyncratic and

opinionated and particular one of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene I don't mean for that to sound hoity toity if this were fifteen years ago I would say that this book was about Christian music and I would know exactly what I meant My purpose now is not only to talk about Christian music I am not here to explicate Christian music to explain why it exists and whether it is any good Instead think of what you're about to read as like an iPod playlist a collection of essays and thoughts on listening to music and having faith and how they have made me and a lot of people like me and maybe you Also there will be some jokes about Stryper
