Geographical Introduction To History:

A Geographical Introduction to History Lucien Febvre, 1925 **A Geographical Introduction to History** Lucien Febvre, Lionel Bataillon, 1925 **A Geographical Introduction to History** Lucien Febvre, Lionel Bataillon, 1973 **A Geographical Introduction to History** L. Febvre, 2013-10-31 Originally published between 1920-70 The History of Civilization was a landmark in early twentieth century publishing It was published at a formative time within the social sciences and during a period of decisive historical discovery The aim of the general editor C K Ogden was to summarize the most up to date findings and theories of historians anthropologists archaeologists and sociologists This reprinted material is available as a set or in the following groupings Prehistory and Historical Ethnography Set of 12 0 415 15611 4 800 00 Greek Civilization Set of 7 0 415 15612 2 450 00 Roman Civilization Set of 6 0 415 15613 0 400 00 Eastern Civilizations Set of 10 0 415 15614 9 650 00 Judaeo Christian Civilization Set of 4 0 415 15615 7 250 00 European Civilization Set of 11 0 415 15616 5 700 00 *A Geographical Introduction to History* Lucien Febvre, Lionel Bataillon, 1929 *A Geographical Introduction to History* Lucien Paul Victor Febvre, 1996 *A Geographical Introduction to History* Lucien Febvre, 1925 **A Geographical Introduction to History, By Lucien Febvre in Collaboration With Lionel Bataillon. Translated by E.G. Mountford and J.H. Paxton** Lucien Febvre, 1966 *A Geographical Introduction to History, Etc* Lucien Febvre, 1974 **A Geographical Introduction to History** Lucien Febvre, Lionel Bataillon, 1966 *Introduction to the History of Science* George Sarton, 1927 *What is Environmental History?* J. Donald Hughes, 2016-01-11 What is environmental history It is a kind of history that seeks understanding of human beings as they have lived worked and thought in relationship to the rest of nature through the changes brought by time In this new edition of his seminal student textbook J Donald Hughes provides a masterful overview of the thinkers topics and perspectives that have come to constitute the exciting discipline that is environmental history He does so on a global scale drawing together disparate trends from a rich variety of countries into a unified whole illuminating trends and key themes in the process Those already familiar with the discipline will find themselves invited to think about the subject in a new way This new edition has been updated to reflect recent developments trends and new work in environmental history as well as a brand new note on its possible future Students and scholars new to environmental history will find the book both an indispensable guide and a rich source of inspiration for future work

Times of History, Times of Nature Anders Ekström, Staffan Bergwik, 2022-02-11 As climate change becomes an increasingly important part of public discourse the relationship between time in nature and history is changing Nature can no longer be considered a slow and immobile background to human history and the future can no longer be viewed as open and detached from the past Times of History Times of Nature engages with this historical shift in temporal sensibilities through a combination of detailed case studies and synthesizing efforts Focusing on the history of knowledge media theory and environmental humanities this volume explores the rich and nuanced notions of time and temporality that have emerged

in response to climate change A Geographical History Introduction to History Lucien Febvre,1925 The Geography Behind History William Gordon East,1965 In this book Professor East discusses the vital relationship between history and geographical conditions Drawing examples from ancient times up to the present he demonstrates that a study of history must include consideration of the physical conditions under which an event occurs and that the particular characteristics of this setting serve not only to localise but also to influence part at least of the action Topographical position climate distribution of water and minerals the placement of routes and towns and ease or difficulty of movement between districts and countries are among the factors which the historian must take into account Book jacket *Geography and History* Alan R. H. Baker,2003-11-06 Table of contents **The Relations of History and Geography** Henry Clifford Darby,2002 This set of twelve previously unpublished essays on historical geography written by Darby in the 1960s explains the basis of his ideas The essays are divided into three quartets of studies relating to England France and the United States **Approaches to History** H. P. R. Finberg,2016-04-14 The contributors to this volume originally published in 1962 explain the raison d tre of their own specialism in history be it archaeology political local economic or social history or historical geography **A Manual of Historical Research Methodology** Sreedharan,2007 A book providing practical help to students at the graduate and postgraduate levels What is given in the book is precise clear and solid The book s coverage and comprehensiveness its scientific analytical and critical treatment its near perfect organization and arrangement its clarity and easy methods of reference will make it a useful compendium for students and teachers A teacher and lover of history the author has brought out philosophical scientific and ideological and linguistic perspectives to bear on the subject Whether a student or teacher or a general reader the manual can be expected to develop a healthy interest in history The author has brought to bear philosophical scientific ideological and linguistic perspectives to bear on the subject A School History of Canada, and of the Other British North American Provinces John George Hodgins,1865
