*One Day of Life* Manlio Argueta, 1991-01-09 Celebrated for the authenticity of its vernacular style and the incandescence of its lyricism *One Day of Life* depicts a typical day in the life of a peasant family caught up in the terror and corruption of civil war in El Salvador 5 30 A M in Chalate a small rural town Lupe the grandmother of the Guardado family and the central figure of the novel is up and about doing her chores By 5 00 P M the plot of the novel has been resolved with the Civil Guard's search for and interrogation of Lupe's young granddaughter Adolfinia Told entirely from the perspective of the resilient women of the Guardado family *One Day of Life* is not only a disturbing and inspiring evocation of the harsh realities of peasant life in El Salvador after fifty years of military exploitation it is also a mercilessly accurate dramatization of the relationship of the peasants to both the state and the church Translated from the Spanish by Bill Brow

**The Truth about Alicia and Other Stories** Ana Consuelo

Matiella,2002-01-01 The truth about Alicia was that she wasn't that stable to begin with So when she did what she did no one was very surprised Still it was shocking the way she followed them from the hardware store to the woman's house the way she broke the sliding glass door with the tire jack the way she found them in bed It was more than she could take her being seven months pregnant and all It only took two shots Alicia is not the only woman with problems In these stories about contemporary and traditional Latinas Ana Consuelo Matiella uses sensitivity and wit to address issues faced by women of color and women everywhere issues largely having to do with love between men and women mothers and daughters women and friends In engaging stories about family myths gossip and lies comadres converse over afternoon caf con leche I'm sure that I was the only wife whose husband was teaching their daughter to do Cheech Marin imitations remarks one of Matiella's characters Another sings the praises of the chocolate milkshake diet That's one advantage of living on the border You get to try all the latest gringo inventions as soon as they hit the streets Through encounters with angels conversations with dogs and relationships with men overly concerned with the dimensions of their manhood Matiella offers a new exploration of the human condition one showing us that if we cannot laugh at life no matter how tragic the circumstances we are surely doomed With humor and insight that come only through close observation of her fellow human beings this gifted writer brings new twists to familiar scenes The Truth about Alicia and Other Stories is an authentic portrayal of the world of contemporary Chicanas that will delight everyone who enters it **Women's Studies in Religion** Kathleen McIntosh,Kate

Bagley,2017-09-19 Women's Studies in Religion A Multicultural Reader uses essays written by today's most respected feminist voices to examine the impact of contemporary feminism on the practice and study of religion Many in the field have expressed the need for a reader that is both accessible to undergraduates who have little background in the study of religion and that shows the transforming impact of feminism on the religious lives of American women This book meets that need

**Avenue of Mysteries** John Irving,2015-11-03 Thoroughly modern accessibly brainy hilariously eccentric and beautifully human The New York Times Book Review John Irving returns to the themes that established him as one of our most admired and beloved authors in this absorbing novel of fate and memory In Avenue of Mysteries Juan Diego a fourteen year old boy who was born and grew up in Mexico has a thirteen year old sister Her name is Lupe and she thinks she sees what's coming specifically her own future and her brother's Lupe is a mind reader she doesn't know what everyone is thinking but she knows what most people are thinking Regarding what has happened as opposed to what will Lupe is usually right about the past without your telling her she knows all the worst things that have happened to you Lupe doesn't know the future as accurately But consider what a terrible burden it is if you believe you know the future especially your own future or even worse the future of someone you love What might a thirteen year old girl be driven to do if she thought she could change the future As an older man Juan Diego will take a trip to the Philippines but what travels with him are his dreams and memories he is most alive in his childhood and early adolescence in Mexico As we grow older most of all in what we remember and

what we dream we live in the past Sometimes we live more vividly in the past than in the present Avenue of Mysteries is the story of what happens to Juan Diego in the Philippines where what happened to him in the past in Mexico collides with his future Lay Down the Law Carsen Taite,2015-04-20 Peyton Davis is part rancher part federal prosecutor and all Texan Strong and steady she s known for keeping her cool in every situation but when she meets the beautiful and accomplished heiress to the Gantry oil fortune she falls fast and hard When she learns her new assignment is to investigate the Gantry family s business her entire belief system will be tested Lily Gantry leads a privileged and protected life and she has no idea it s all about to blow up in her face What she does know is that the striking rancher she met at the Cattle Baron s Ball has the potential to steal her heart Will she feel the same way when she finds out Peyton Davis s investigation threatens not only her family s fortune but the very foundation of her identity She who Imagines Laurie M. Cassidy, Maureen H. O'Connell,2012 The idea and ideal of beauty has been used to oppress women of different ages body types skin color and physical ability The theoretical discussion of aesthetics has also been conditioned by these same dynamics of power and oppression In *She Who Imagines* a diverse set of scholars challenges the exclusion and false definitions while constructing capacious ideas that discover beauty in unexpected places In these essays the authors draw on a variety of arts media painting photography portraiture craftwork poetry and hip hop music thereby joining beauty to truth and in a richly defining way to the practice of justice In a variety of ways all the essays link women s definitions of beauty with experiences of suffering and hence with the yearning for justice All clearly prize resistance to degradation as an essential element of thought Women's Issues in Zora Neale Hurston's *Their Eyes Were Watching God* Gary Wiener,2012-05-03 This compelling volume examines Zora Neale Hurston s life and writings with a specific look at key ideas related to *Their Eyes Were Watching God* Essays discuss a variety of topics including whether the novel can be viewed as an example for all women whether it still relevant today and whether it proves that romantic fantasies cannot last The book also explores contemporary perspectives on women s issues such as the idea of women creating their own model of a female hero and the impact of white stereotypes on modern black women
