The Nazi Hunter Alan Elsner, 2011-08-01 A gripping thriller The Nazi Hunter mixes fierce partisan Washington politics the search for ex-Nazi criminals and a crazed right-wing militia intent on bringing down the government Nicknamed the Nazi Hunter Marek Cain deputy director of the Office of Special Investigations at the Justice Department has for ten years been the point man for tracking down ex-Nazis who have fraudulently entered the United States since World War II and bringing them to justice One late afternoon a distraught German woman eludes security and slips into Cain's office I have documents she says important documents only for the Nazi Hunter She promises to bring them the next day When she doesn't show he dismisses her as just another crackpot But when he reads in the Washington Post the next morning that the woman has been brutally murdered he senses he's on to something big He must find those documents The trail leads from Washington to Miami to Boston back to the Belzec concentration camp in Poland where half a million Jews were murdered in the winter of 1942 and into the lair of America's fascist militias *Polish Jews in the Soviet Union (1939-1959)* Katharina Friedla, Markus Nesselrodt, 2021-12-14 Winner of the 2022 PIASA Anna M Cienciala Award for the Best Edited Book in Polish Studies The majority of Poland's prewar Jewish population who fled to the interior of the Soviet Union managed to survive World War II and the Holocaust This collection of original essays tells the story of more than 200 000 Polish Jews who came to a foreign country as war refugees forced laborers or political prisoners This diverse set of experiences is covered by historians literary and memory scholars and sociologists who specialize in the field of East European Jewish history and culture Survival on the Margins Eliyana R. Adler, 2020-11-17 Co-winner of the Yad Vashem International Book Prize for Holocaust Research The forgotten story of 200 000 Polish Jews who escaped the Holocaust as refugees stranded in remote corners of the USSR Between 1940 and 1946 about 200 000 Jewish refugees from Poland lived and toiled in the harsh Soviet interior They

endured hard labor bitter cold and extreme deprivation But out of reach of the Nazis they escaped the fate of millions of their coreligionists in the Holocaust Survival on the Margins is the first comprehensive account in English of their experiences The refugees fled Poland after the German invasion in 1939 and settled in the Soviet territories newly annexed under the Molotov Ribbentrop Pact Facing hardship and trusting little in Stalin most spurned the offer of Soviet citizenship and were deported to labor camps in unoccupied areas of the east They were on their own in a forbidding wilderness thousands of miles from home But they inadvertently escaped Hitler s 1941 advance into the Soviet Union While war raged and Europe s Jews faced genocide the refugees were permitted to leave their settlements after the Soviet government agreed to an amnesty Most spent the remainder of the war coping with hunger and disease in Soviet Central Asia When they were finally allowed to return to Poland in 1946 they encountered the devastation of the Holocaust and many stopped talking about their own ordeals their stories eventually subsumed within the central Holocaust narrative Drawing on untapped memoirs and testimonies of the survivors Eliyana Adler rescues these important stories of determination and suffering on behalf of new generations
