Exploring Eternal Principles Jimmy D. Davis BS Med ThD, 2015-11-11 When was the last time you stopped to consider the fact that you are going to die or thought about what might take place after your death When you stop to consider these critical issues in your life you must set your mind to discovering the absolute truth In *Exploring Eternal Principles* author Jimmy Davis helps us understand that denying these principles denying the truth will not change the fact that regardless of what you believe now nothing changes the absolute truth It remains the truth no matter what anyone says or does to the contrary God Almighty has established some very profound and sacred principles for life a set of fundamental rules and laws that have an eternal impact

on your life whether you believe them or not Sadly enough the real truth of God has been distorted and perverted in our world today Perhaps you believe the world and its lies the time has come for each of us to learn and understand the real truth and what it means Now you are able to explore the Eternal Principles and discover for yourself what you must do to follow them with absolute faith and understanding Heavenly Rewards Mark Hitchcock,2019-07-16 Are You Living in Light of Eternity It s difficult to imagine eternal life But when you ve got only one life and you know there is coming a day when you will stand before God it s important to consider whether you re living each day like your life depends on it If you re a Christian the good news is God s judgment isn t about determining your salvation it s about rewarding your faithfulness Salvation cannot be earned it s already yours In Heavenly Rewards you will uncover fascinating truths about how the life you live today determines your life in eternity You will learn tangible ways you can please the Lord in your everyday living discover that your labor and sacrifices are never in vain God is a faithful rewarder see the benefits of living faithfully and enduring through even the most difficult times Yes your faithfulness will be rewarded God knows the smallest details of your days and He wants to acknowledge your every act you ve done for Him Living well with an eternal perspective really can change your life for good **The Eternity Lens: Living in the Real World with an Eternal Perspective** Bill

Coleman,2021-09-25 From our first breath to our dying one on this little planet we journey through a full spectrum of experiences We navigate the mountain tops and valleys the highs and lows and the joys and sorrows We sit and weep through funerals clap and smile at weddings and hug at birth announcements We anxiously wait for the call from the doctor s office eagerly wait for our child s name to be called at graduation and impatiently wait in a traffic jam We feel the deep pain of loss the anger of betrayal and the thrill of love returned Life can be quite the roller coaster of circumstances emotions and experiences The Bible never glosses over the difficulties we inevitably go through in this temporary life however it clearly tells us where to keep our eyes focused Using 2 Corinthians 4 16 18 Bill Coleman invites us to try on an Eternity Lens for a new perspective on whatever comes our way Using stories from his own journey Bill shows God s desire for us to rise above our temporal circumstances and view life with an eternal perspective You may laugh and cry but by the end you will begin to see your own journey through the lens of eternity and realize that our light and momentary troubles are achieving for us a glory that far outweighs it all Dr Bill Coleman is married to Tiffany with 2 adult children Austin and Alaina Bill graduated from Wingate University received his M Div from Southeastern Baptist Theological Seminary and earned his D Min in Expository Preaching from The Southern Baptist Theological Seminary He has pastored 4 churches and is currently an Associate Pastor and Elder at He s Alive Church in North Carolina He also serves as Assistant Professor of Pastoral Ministry at Luther Rice College and Seminary He has led over 25 mission trips and trained pastors around the world Eternity Is Now in Session John Ortberg,2018-09-04 Something in us is waiting for what we don t know Something different Something better For Christians perhaps the deepest expression of what we re waiting for is found in the phrase eternal life But what is

eternal life Why do we want it And how do we know if we have it In *Eternity Is Now* in Session bestselling author John Ortberg dispels the myth that eternal life is something way out in outer space that we can only hope to experience after we die and that being saved is merely about meeting the minimal entrance requirements for getting into heaven Instead John unpacks the reality that the moment we trust Christ we are initiated into eternal living with God as a here and now reality one that will continue beyond our life on this earth Jesus defined eternal life just once in John 17:3 that they may know you the only true God and Jesus Christ whom you have sent The kind of knowing God that is eternal life is an interactive relationship not just an affirmation of certain facts about God Once we begin the transformative journey of truly knowing God we can start to experience His presence favor and resurrection power right here on this earth in the details tasks and challenges of daily ordinary life And as we begin to know God this way we'll realize each moment of our lives is a vehicle to the eternity we've been longing for all along

Absolutely Sure Steven J. Lawson, 2006-05-17 Untold multitudes of church members today are religious but lost and many lack the assurance of their salvation Many are grappling with where they stand with the Lord am I saved or not Others are deceived and have a false assurance that they ought not have Yet others want to know how to live the Christian life victoriously Such people must be awakened out of their slumber and shown what are the evidences of a true work of grace in salvation The greatest proof of the new birth is not a past event but a present experience of God at work within a believer's life

Living for Eternity Matthew Robert Payne, 2022-07-14 Have you ever pondered life beyond the one that we live on this earth What does living for eternity mean for you as a Christian Is there more to it than just existing for a short time and then dying These are questions that must have entered everyone's mind at one time or another but being so busy with the challenges of life it is often relegated to the shelf to be looked at and evaluated at a much later time The dilemma is determining how much time we have The ultimate aim for Christians is to get to Heaven and be in the presence of our God Almighty for all eternity but not everyone is granted a pass into the Kingdom We need to begin sowing treasures in Heaven by living a life on earth that is befitting of a Christian This is simpler than most of us imagine We do not have to be rich or famous We only need to bear in mind that we will not get to Heaven by our works here on earth but by putting out trust in the finished works of Jesus In this book Matthew provides us with simple ways on how to prepare for our life in eternity He reminds us that God's grace is a favor that He bestowed on us at salvation therefore we are to release it to others as well How do we put this into practice We need to learn how to consistently be Christ to others and to tell people about Heaven's perfect love story Living with eternity in mind is the way we are meant to live It will change our outlook about almost everything We can see the impact that we can make if we think beyond ourselves and live a day to day life that represents Christ to those who do not know Him

Life Beyond the End Asha A, 2020-09-03 This book gives an instructive picture of the frame of mind which true Christians should endeavor to keep up and striking arguments against over anxiety about the things of this world It has exhortations in layman's terms to seek the treasures in heaven and

to understand a high standard of living commended to all Christians This is not to invoke fear but to infuse hope and to establish the kingdom of God in this world The whole experience of writing this book has personally lifted me up during my trial times so I believe by faith that this book is going to lift up your life too If you are someone who is utterly discouraged now or dissatisfied about your life or unaware of your future and its holdings for you I encourage you to read this book and I believe through faith that you will have a better feeling about yourself than you have now and find that encouragement to go through the greatest test of all time the life Galatians 1 12 AMP For indeed I did not receive it from man nor was I taught it but I received it through a direct revelation of Jesus Christ
