Congress. Senate. Committee on the Judiciary. Subcommittee on Immigration,1997 The Power of Community Concha Delgado-Gaitan,2001-11-13 Fifteen years ago Concha Delgado Gaitan began literacy research in Carpinteria California At that time Mexican immigrants who labored in nurseries factories and housekeeping had almost no voice in how their children were educated Committed to participative research Delgado Gaitan collaborated with the community to connect family school and community Regular community gatherings gave birth to the ComitZ de Padres

Latinos Refusing the role of the victim the ComitZ participants organized to reach out to everyone in the community not just other Latino families Bound by their language cultural history hard work respect pain and hope they created possibilities that supported the learning of Latino students who until then had too often dropped out or shown scant interest in school In a society that accentuates individualism and independence these men and women look to their community for leadership support and resources for children The Power of Community is a critical work that shows how communities that pull together and offer caring ears eyes and hands can ensure that their children thrive academically socially and personally It offers a fresh approach and workable solution to the problems that face schools today *Protean Literacy* Concha

Delgado-Gaitan,2017-11-22 Originally published in 1996 During the author s decade of critical ethnography in Carpinteria California she has illuminated the intricate relationships between Latino families as together they build a sociopolitical community to bridge family and school alliances How they extend their learning from the social networks to the family arena and to the personal and in reverse represents their protean responses to the diversity and adversity in their lives This life story captures the collective and individual texts of the Latino children their parents and educators used to empower themselves to transform discontinuity in an age where continuity is increasingly foreign Whose Welfare? Gwendolyn Mink,2018-09-05 Over the past few decades the goal of welfare reform has been to move poor families off of welfare not necessarily out of poverty By that criterion the Personal Responsibility and Work Opportunity Act of 1996 has been successful indeed throughout the nation millions have vanished from the welfare rolls But what has been the cost of this success to the women and children who were the overwhelming majority of recipients Here a group of distinguished feminist scholars examines the causes and the impact of recent changes in welfare policy Some of the authors trace the politics of welfare from the 1960s emphasizing how attitudes toward motherwork and working mothers have evolved in the backlash against poor women s motherhood Several other authors consider the effects of the new welfare policy on employment and wages on the lives of noncitizen immigrants on poor women s ability to escape domestic violence and on their reproductive and parental rights A third set of authors explores dependency and caregiving along with the role of feminist thinking on these issues in the politics of welfare Whose Welfare concludes with a historical analysis of activism among poor women By illuminating that legacy the volume challenges readers to build progressive agendas from the demands and actions of poor and working class women **AIDS and the Law, 6th Edition** Skinner-Thompson, Scott,2019-12-17 AIDS and the Law Sixth Edition AIDS and the Law provides comprehensive coverage of the complex legal issues as well as the underlying medical and scientific issues surrounding the HIV epidemic Covering a broad range of legal fields from employment to health care to housing and privacy rights this essential resource provides thorough up to date coverage of a rapidly changing area of law AIDS and the Law brings you up to date on the latest developments including Updates regarding additional consensus that Undetectable Untransmittable Chapter 2 Overview of continuing efforts to chip away at the Affordable Care Act Chapter 2
