Marcuse, 2023-11-15 *Irish Literature* Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett **Language and Society in Anglo-Irish Literature** Astley Cooper Partridge, 1984 Literary Research and Irish Literature Greg J. Matthews, 2008-12-04 Literary Research and Irish Literature Strategies union library catalogs print and online bibliographies manuscripts and archives microfilm and digitization projects scholarly journals periodicals newspapers and reviews and electronic and Web resources To ease comparison and evaluation of references each chapter addresses how to choose and utilize research methods and tools to yield the most relevant information This guide also examines the strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques and when appropriate covers the historical and cultural contexts and usability issues of unique reference sources This volume number 5 in the series raises trenchant issues in Irish literary scholarship such as the problem of defining what Irish literature is gaps in criticism and secondary literature devoted to Irish literature neglected areas of scholarly inquiry including Irish literature by women and lesser known writers and the rewards of interdisciplinary research It concludes with a brief consideration of a scenario illustrating how a scholar might use strategies and sources covered in the text to solve a research problem **A Guide to Books on Ireland** Joseph Holloway, 1912 *Modern Irish Writers* Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Frigl Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while

an extensive bibliography concludes the volume

Feminine Nation Lori Rogers,1998 This book examines two prominent Irish authors Neil Jordan and John McGahern Jordan is famous for his films most notably *The Crying Game* and this work studies both his films and his fiction McGahern is the most respected lauded Irish novelist since Joyce a writer who broke the mold of Anglo Irish writing after it settled into a conservative rut in the 1950s The works of Jordan and McGahern involved with seemingly minor issues of householding and parenting within the patriarchal family reveal male and female characters to be representations of a masculine past and feminine present competing for dominance in the modern state The author argues that in Jordan s and McGahern s works the modern state is described as stereotypically feminine and that women s individual agency is directed to the deliberate blurring of gender difference upon which patriarchy depends The first book length study of the contemporary Anglo Irish novel written from a women s studies and a post colonial perspective *Feminine Nation* will be of considerable interest to a large audience composed of Women s Studies Irish Studies and Post Colonial studies

Irish Writing in the Twentieth Century David Pierce,2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes *Irish Writing in the Twentieth Century* ideal as a core text providing a unique focus for detailed study in a single volume
