**Anglo-Saxon FAQs** Stephen Pollington, 2008 This book has been written as a series of simple questions and concise answers in the form of an FAQ document The inspiration for the book comes from the many occasions when the author was asked questions such as Did they have fire or Didn t they all just wear skins or Did they really have metal Perhaps the inability to distinguish between Anglo Saxons and Palaeolithic cave dwellers stems from the fact that the Anglo Saxons are

almost invisible in our modern educational time line the salient points are Romans Vikings Normans Tudors and Victorians and everything else melds into a generic groups of fur wearing club wielding savages More serious and much harder to answer in a few words are questions such as How do you know what Old English sounded like or Couldn t they have kept worshipping their heathen gods away from the church so it would never have been recorded or What makes you think they had sails on their ships These are intelligent questions about which many books and articles have been written and the answers are perhaps still not accepted as definitive by all In these pages you will find an attempt to answer some of those awkward questions you want to ask or would rather someone else asked
