for putting one's assets safely out of reach. In today's increasingly litigious world, the shielding of assets has become a prominent issue for financial planners, business owners, and high net worth individuals. Asset Protection details methods that are both legally and morally legitimate for protecting one's assets from creditors, lawsuits, and scams. Bringing economic common sense and legitimacy to an area that is drowning in gimmickry, two of today's top lawyers examine the fundamental issues in this growing area, avoiding dense legalese to make the book accessible to anyone. Asset Protection covers everything readers want to know about establishing an effective asset protection program. Today's most popular established strategies. Newer strategies that are still being resolved by the courts. Complete Guide to Asset Protection Strategies Mark Warda, 2011-05
