Remedies is a system of natural healing for the relief of negative attitudes and moods which not only hinder one's enjoyment of life but are regarded as contributory factors in the cause of physical and emotional suffering. They were discovered during the 1930s by the late Dr Edward Bach, an eminent physician who devoted his life to the cause and cure of disease. The result of his life's work were 38 harmless remedies made from nonpoisonous plants and herbs of the countryside, each pertaining to aspects of human nature, personality and states of mind. The Bach Flower Remedies have deservedly earned themselves a reputation of excellence and are now used extensively throughout the world.

Growing Up with Bach Flower Remedies shows how the system of healing can help babies, children and adolescents during the turbulent years of youth. The causes may be vaccinations, environmental poisons, despoliation of food or pollution of the elements, earth, water and air. For Bach, the cause was clear and it is clear today. It is only because we have forsaken Nature's way for man's way that we have suffered and we have only to return to be released from our trials.
