Guide To Cults And New Religions:

Defending the Faith Richard Abanes,1997 Defending the Faith is an excellent beginner s guide to the basic doctrines of Christianity and ways in which cults distort these doctrines Unlike most books on cults it doesn t take a cult by cult chapter by chapter approach Instead each chapter presents one Christian doctrine comparing the various ways cults diverge from that doctrine **A Guide to Cults & New Religions** ,1983 MacCollam Evaluating cults and new religions LaVonne Neff

The Challenge of the Cults and New Religions Ron Rhodes,2009-08-30 Cults and New Religions Aren t Hard to FindThey re in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you ve encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah s Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive experience as a cult researcher Rhodes offers to the point cutting edge information on twelve major cults and new religions MormonismJehovah s WitnessesMind SciencesNew Age MovementChurch of ScientologyHindu based CultsUnification ChurchBaha i FaithUnitarian UniversalismOneness PentecostalismMasonic LodgeSatanismLearning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter The Challenge of the Cults and New Religion includes Color photosScripture IndexSubject IndexGlossaryBibliographyAnd your resources don t end at the last page You can supplement your knowledge whenever you choose by visiting the author s Web site at www.ronrhodes.org for free thorough up to the minute information on each cult discussed in the book If you re concerned for the temporal and eternal welfare of others The Challenge of the Cults is a must It will help you confront the deception of false Christs and lying doctrines with the clear well grounded truth of biblical Christianity **A Guide to Cults and New Religions** Ronald

Enroth et al,1983 [A guide to cults and new religions](#) Ronald M. Enroth,1983 [Cults, New Religious Movements, and Your Family](#) Richard Abanes,1998 To help guard yourself and your loved ones against unbiblical spiritual systems Cults New Religious Movements and Your Family offers a concise overview of ten religious groups that a young person is likely to encounter in the 21st century *New Religious Movements: A Guide for the Perplexed* Paul Oliver,2011-12-01 New Religious Movements A Guide for the Perplexed examines the phenomenon of new faiths and alternative spiritualities which has become a feature of the contemporary world Those interested in the spiritual dimension to life are no longer limited to the major world faiths but can draw upon a rapidly expanding range of new religions Some of these are derived from the major religions some are a re working of ancient traditions while others signify a completely new departure in spiritual experience This book analyses the concepts we use to discuss new religions and surveys a range of different movements

which were established in the second half of the 20th century Paul Oliver explores the organization of the movements and the psychological aspects of life within them the distribution of power and authority within movements the position of women in relation to such organizations and finally the nature of the evolution and expansion of such movements in relation to post modern society This book is ideal for students wishing to understand the more perplexing elements of this contemporary phenomenon

Understanding New Religious Movements John A Saliba,2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible

Cults, Sects, and New Religious Movements Erica Treesh,1985 **The Bloomsbury Companion to New Religious Movements** George D. Chryssides,Benjamin E. Zeller,2014-01-02 The Bloomsbury Companion to New Religious Movements covers key themes such as charismatic leadership conversion and brainwashing prophecy and millennialism violence and suicide gender and sexuality legal issues and the portrayal of New Religious Movements by the media and anti cult organisations Several categories of new religions receive special attention including African new religions Japanese new religions Mormons and UFO religions This guide to New Religious Movements and their critical study brings together 29 world class international scholars and serves as a resource to students and researchers The volume highlights the current state of academic study in the field and explores areas in which future research might develop Clearly and accessibly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a timeline of major developments in the field such as the emergence of new groups publications legal decisions and historical events

The 10 Most Important Things You Can Say to a Jehovah's Witness Ron Rhodes,2001-08-15 Highlights false prophecies of Jehovah s Witnesses leaders errors in the New World Translation Bible their unbiblical views **Perspectives on New Religious Movements** John A. Saliba,2016-10-06 This book provides a dispassionate analysis of new religious movements charting their growth and examining them from a variety of perspectives sociological psychological legal and theological Saliba then questions whether or not membership harms those who join these new movements and assesses the charge that they brainwash their adherents
