Model United Nations MUN simulations are popular exercises for those interested in learning more about the UN. It is estimated that hundreds of thousands of students worldwide participate every year in MUN at all educational levels in schools and universities. Many of today's leaders in law, government, business, and the arts participated in MUN as students. Some MUNs, however, do not follow the actual rules and practices used at the UN. This guide is designed for students and teachers on how to organize and participate in MUNs that simulate the way the UN actually works. A Guide to Delegate Preparation James P.
