The Set it & Forget it Trading Method J.R. Calcaterra, The Set it Forget it Trading Method describes a method of trading that is used by all professionals in the financial market who are money makers It is really nothing special and is the way the markets have worked since the beginning of time when there were markets and trading Doesn't it make complete sense to you to learn a method of trading that the actual price of the market you want to work in is based on To me it's a no brainer however most brand new traders make it very hard on themselves and their accounts in the beginning by learning all the wrong information from day one If you are completely new to trading and investing and are looking for a way to make unlimited money from working in the financial markets The Set it Forget it Trading Method is for you You don't have to have any experience to understand what this book is about because it tells you everything you need to know to become a highly profitable day trader swing trader or position trader This trading method works on any asset class and on any time frame so you can swing trade position trade or even trade intraday if that is what you wish to do This book describes how to trade in a way that can give you all the free time you are looking for from your brand new trading business and then some If you are willing to put forth the effort and learn how to trade with a set it and forget it mindset you can have a very nice life from trading the financial markets and become very rich depending on how much capital you are using to invest and trade with The amount of money you can make from doing this business is unlimited isn't that the type of business you'd like to be in Once you take the steps to become a consistently profitable trader by doing the proper education and training for set it and forget it type investing and trading you will have a lifelong skill that will enable you to make unlimited amounts money from anywhere you chose to be in the world day or night as long as there is WIFI There is nothing wrong with hanging out at the beach on a beautiful sunny day or kicking back on your boat at the marina and making money while you are doing it is there

Simple & Easy Forex Trading Strategies Josef Fluse, I have

seen brand new Forex investors and traders around the world waste a serious amount of valuable education and training time on learning information that will not do them any good and can even cause them to lose some of their hard earned money right away in the live markets No one wants that however it is a huge mistake that virtually all brand new Forex traders make because they don't know any better after reading this book you will I don't care where you trade from or what you trade Dubai to Detroit or Mumbai to Manhattan doesn't matter because a chart is a chart and supply and demand is supply and demand period live markets don't work any other way no matter where in the world you are or what your trading even camels or goats New Forex traders all around the world spend waaaaay too much time on looking for the magical combination of indicators settings and colors they think will show them something that is going to help them make more money There are no shortcuts or bells that go ding to tell you to enter the right position so stop looking right now and if you are using something like that and you're losing money that is why All you need to see is right in front of you on the price chart and that is price and time Those are the only things that professional Forex traders care about and nothing else You can certainly use your chart like a crystal ball to tell you where price will go with a high degree of certainty When you are done reading this book you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education The information in this book will put you on the fast track to becoming a successful self directed Forex investor and trader no matter where you trade from in the world or what you trade with very little money invested This book gives you the brutal and harsh truth of what happens in real life in real time and in real money in the world's live markets every day There are no short cuts and you must do the time if you want to drive your own money train to the bank

Day Trading Truths and Lies Joe Zordi, Trading is challenging for most people because they simply don t have information tools or confidence to become successful This book is important for beginners because it tells it like it is and gives an inside look at trading the financial markets giving you the reality on what the live market is really like the way they are really run and tells you who runs them and what you need to do as a self directed beginner to survive in them Let s face it it s a well known fact that 97% of brand new self directed investors and traders fail and lose all of their

money why does this happen It happens because brand new self directed traders enter into this business with a bunch of misguided grandiose ideas of making a million dollars from trading and while you can surely make millions of dollars from trading you would need to be using hundreds of millions of dollars of capital to do so no joke As a brand new self directed trader you have no idea of the brutality and volatility that goes on in the live markets on a daily basis and that there are people in the live markets who will walk over dead bodies to get paid so make no mistake as a beginner and think you can go in the live market and beat them you can't What you can do though is properly prepare yourself to trade with the best traders in the world and get paid right along with them instead of paying them Once you have completed reading this entire book you will have a chance at competing with the best professional traders on the planet The information in this book will put you on the fast track to being able to make an unlimited income for yourself and becoming consistently profitable enough from trading the financial markets to perhaps even making a living from doing it isn't that the type of business you would like to be in
