, 1994 *Women of Ice and Fire* Anne Gjelsvik, Rikke Schubart, 2016-04-07 George R R Martin's acclaimed seven-book fantasy series *A Song of Ice and Fire* is unique for its strong and multi-faceted female protagonists from teen queen Daenerys scheming Queen Cersei child avenger Arya knight Brienne Red Witch Melisandre and many more. The *Game of Thrones* universe challenges exploits yet also changes how we think of women and gender not only in fantasy but in Western culture in general. Divided into three sections addressing questions of adaptation from novel to television female characters and politics and female audience engagement within the GoT universe the interdisciplinary and international lineup of contributors analyze gender in relation to female characters and topics such as genre sex violence adaptation as well as fan reviews. The genre of fantasy was once considered a primarily male territory with male heroes. *Women of Ice and Fire* shows how the GoT universe challenges exploits and reimagines gender and why it holds strong appeal to female readers audiences and online participants. **Book Review Index**, 2006 Every 3rd issue is a quarterly cumulation. *Reliquiæ Juveniles*.

Shelton Gonkerwon,2015-03-31 Dark Freedom is an incarnation of the overcast instances that reversed the social political and economic phenomenon of Liberia for a lengthened period and undermined peaceful coexistence of the people It is a manifestation of the authors pungent experiences during the dark period when evils stood above morals when love bowed

low to hatred when lawlessness was the common denominator of the day when life lost value and when the day was hosted by darkness etc Comparatively autobiographical the book represents some personal as well as historical accounts regarding what occurred before during and after the brutal civil upheaval in Liberia Judging from its name Dark Freedom one can securely sketch the conclusion that Liberians are blessed with copious natural riches but lack social and economic freedom and are constrained against their own will to live with poverty and assorted social evils It is intended to remind succeeding generations about the stage by stage happenings during the Civil War so that its reoccurrence can be avoided or prevented Balanced practical and a material that presents the truth above falsehood readers will certainly find the book useful and historically valuable Ellicot Sede who performed a breakfast editing on the book described it as a worthy historical reminder obsessed with facts and truth that researchers and scholars will find worthy
