Congratulations on the recent purchase of your new fishing boat! You have purchased a boat from one of the nation's leading manufacturers of small boats. Your boat represents years of commitment to product design, excellence in engineering and quality in manufacturing. With proper care and maintenance your boat should last for many years to come. Please call our helpful and knowledgeable Customer Support Department if you have any questions or concerns.

### IMPORTANT

This manual has been compiled to help you operate your boat with safety and pleasure. It contains details of the boat, the equipment (supplied or fitted), its systems and information on its operation and maintenance. Please read it carefully and familiarize yourself with the boat before using.

If this is your first boat or you are changing to a small boat you are not familiar with, for your own comfort and safety, please ensure that you obtain handling and operating experience before "assuming command" of the boat. Your local dealer will be pleased to advise you of its operation or direct you to local schools or competent instructors.

### ABOUT YOUR FISHING BOAT

#### Deck and Hull

Your fishing boat is manufactured from High Density Polyethylene (HDPE). It is a very durable material. Our specially formulated HDPE has an ultra-violet inhibitor blended throughout the material to reduce color fade and maintain its strength. Polyethylene is a somewhat flexible material with some memory. This means it has a tendency to return to its original molded shape if distorted.

#### Capacity and Flotation

The capacity of your boat, in both passengers and added cargo, is determined by the boat's size and flotation. Each boat has a capacity tag clearly displayed on the craft. Flotation is provided by closed cell foam located between the deck and hull. The foam is strategically placed to provide flotation under normal loading conditions. All Sun Dolphin Pro models meet U.S. Coast Guard safety standards and are CE certified.

### PAPERWORK

#### Warranty Registration

To properly register your boat with KL Companies for warranty validation please fill out the warranty registration form online at [www.sundolphin.com](http://www.sundolphin.com). Please review our full warranty statement. The serial number can be found on the outside of the hull in the back right corner just under the rubrail. See Photo #1.
