Fist Stick Knife Gun A Personal History Of Violence In America:

Fist, Stick, Knife, Gun Geoffrey Canada,1995 Long before U S News and World Report named him one of America s Best Leaders and Oprah Winfrey called him an angel from God Geoffrey Canada was a small vulnerable scared boy growing up in the South Bronx Canada s world was one where sidewalk boys learned the codes of the block and were ranked through the rituals of fist stick and knife Then the streets changed and the stakes got even higher In this candid and riveting memoir Canada relives a childhood in which violence stalked every street corner If you wonder how a fourteen year old can shoot another child his own age in the head and then go home to dinner Canada writes you need to know you don t get there in a day or week or month It takes years of preparation to be willing to commit murder to be willing to kill or die for a corner a color or a leather jacket

Fist Stick Knife Gun Geoffrey Canada,2010-09-14 Long before President Barack Obama praised his work as an all encompassing all hands on deck anti poverty effort that is literally saving a generation of children and First Lady Michelle Obama called him one of my heroes Geoffrey Canada was a small and scared boy growing up in the South Bronx His childhood world was one where sidewalk boys learned the codes of the block and were ranked through the rituals of fist stick knife and finally gun In a stunning pairing acclaimed comics creator Jamar Nicholas presents Canada s raw and riveting account one of the most authentic and important true stories of urban violence ever told **Fist Stick**

Knife Gun E Canada,Geoffrey Canada,1995 Recreating his childhood world in the South Bronx and examining current crime legislation the author offers an analysis of how a chain of events set in motion by 1960s drug laws has led to the child violence on the streets today *Fist Stick Knife Gun* Geoffrey Canada,2011-04 **Fist, Stick, Knife, Gun** Geoffrey

Canada,1995 A classic coming of age memoir that examines urban youth violence and its causes Long before U S News and World Report named him one of America s Best Leaders and Oprah Winfrey called him an angel from God Geoffrey Canada was a vulnerable scared boy growing up in the South Bronx Canada s world was one where sidewalk boys learned the codes of the block and were ranked through the rituals of fist stick and knife Then the streets changed and the stakes got even higher Canada relives a childhood in which violence stalked every street corner A Teacher s Guide for this book is available

Gun Violence in America Alexander DeConde,2003 An in depth analysis of the folklore surrounding gun use and the state of the debate in today s political climate **Race, Identity, and Representation in Education** Cameron McCarthy,2005

First Published in 2005 Routledge is an imprint of Taylor Francis an informa company **Race, Identity, and**

Representation in Education Warren Crichlow,2013-05-13 This stunning new edition retains the book s broad aims intended audience and multidisciplinary approach New chapters take into account the more current backdrop of globalization particularly events such as 9 11 and attendant developments that make a reconsideration of race relations in education quite urgent **Violent Crime** Darnell F. Hawkins,2003-02-24 Analysts have long noted that some societies have

much higher rates of criminal violence than others They have also observed that the risk of being a victim or a perpetrator of

violent crime varies considerably from one individual to another In societies with ethnically and racially diverse populations some ethnic and racial groups have been reported to have higher rates of violent offending and victimization than other groups This series of essays explores the extent and causes of racial and ethnic differences in violent crime in the United States and several other contemporary societies Vernacular Christian Rhetoric and Civil Discourse Jeffrey M.

Ringer,2016-02-05 Vernacular Christian Rhetoric and Civil Discourse seeks to address the current gap in American public discourse between secular liberals and religiously committed citizens by focusing on the academic and public writing of millennial evangelical Christian students Analysis of such writing reveals that the evangelical Christian faith of contemporary college students and the rhetorical practice motivated by it is marked by an openness to social context and pluralism that offers possibilities for civil discourse Based on case studies of evangelical Christian student writers contextualized within nationally representative trends as reported by the National Study of Youth and Religion and grounded in scholarship from rhetorical theory composition studies folklore studies and sociology of religion this book offers rhetorical educators a new terministic screen that reveals the complex processes at work within our students vernacular constructions of religious faith

One Door at a Time Michael Gary Jr.,David Heiber,Ivory A. Toldson,2025-06-26 This book chronicles the transformative journey of Concentric Educational Solutions One Door at a Time provides a compelling narrative of how the organization challenges traditional educational paradigms by placing students and families at the heart of their model Through powerful anecdotes and evidence based strategies the authors illustrate how Concentric dismantles systemic barriers fosters authentic engagement and builds equitable learning environments This book is an essential resource for educators administrators and policymakers seeking to create meaningful change and prioritize student success through innovative student centered approaches **The Ecology of Childhood** Barbara Bennett Woodhouse,2020-01-21 2021 Outstanding Academic Title

Choice Magazine How globalization is undermining sustainable social environments for children This book uses the ecological model of child development together with ethnographic and comparative studies of two small villages in Italy and the United States as its framework for examining the well being of children in the aftermath of the Great Recession Global forces far from being distant and abstract are revealed as wreaking havoc in children s environments even in economically advanced countries Falling birth rates deteriorating labor conditions fraying safety nets rising rates of child poverty and a surge in racism and populism in Europe and the United States are explored in the petri dish of the village Globalism s discontents unrestrained capitalism and technological change rising inequality mass migration and the juggernaut of climate change are rapidly destabilizing and degrading the social and physical environments necessary to our collective survival and well being This crisis demands a radical restructuring of our macrosystemic value systems Woodhouse proposes an ecogenerist theory that asks whether our policies and politics foster environments in which children and families can flourish It proposes as a benchmark the family supportive human rights principles of the UN Convention on the Rights of the Child

The book closes by highlighting ways in which individuals can engage at the local and regional levels in creating more just and sustainable worlds that are truly fit for children

The African American Male School Adaptability Crisis (Amsac)
Joe L. Rempson, 2016-03-12 The African American Male School Adaptability Crisis AMSAC cannot be solved by the school alone It is a race problem which can only be solved if we black males provide the leadership in tackling our three major demons which now mainly account for the problem IQ lag fatherless families crime AMSAC had its origin about 100 years ago when after the death of Washington DuBois gained ascendancy in our African American Garden of Eden and replaced Washington's brains property and character gospel with a civil rights agenda That agenda has led to a civil rights fixation and our second bondage Victimology wherein being the victim has become part of our core identity and made us psychological slaves Rather than being proud and self reliant disproportionately we have come to see ourselves as victims who are entitled to system help and special treatment This bondage and it is a bondage vitiates our manhood and the energy and drive required to pursue the adaptation pathway paved by Washington but demonized by DuBois Return to that pathway and we can confront and conquer AMSAC and our three major demons Guided by history and the research evidence this book details how Its 20 chapters make for long reading but just by reading the first and last chapters you can get the message The motto of the proposed evidence based experimental program the African American Male Career Pathway Program AMCAP A special appeal is made to black athletes and entertainers to help propagate this motto and support the proposed high school student clubs Student AMCAPs in its implementation

Common Purpose Lisbeth Schorr, 2011-04-27 In her previous book *Within Our Reach* renowned Harvard social analyst Lisbeth Schorr examined pilot social programs that were successful in helping disadvantaged youth and families But as those cutting edge programs were expanded the very qualities that had made them initially successful were jettisoned and less than half of them ultimately survived As a result these groundbreaking programs never made a dent on the national or statewide level Lisbeth Schorr has spent the past seven years researching and identifying large scale programs across the country that are promising to reduce on a community or citywide level child abuse school failure teenage pregnancy and welfare dependence From reformed social service agencies in Missouri Michigan and Los Angeles to idiosyncratic public schools in New York City she shows how private and public bureaucracies are successfully nurturing programs that are flexible and responsive to the community that have set clear long term goals and that permit staff to exercise individual judgment in helping the disadvantaged She shows how what works in small scale pilot social programs can be adapted on a large scale to transform whole inner city neighborhoods and reshape America On the heels of the federal government's dismantling of welfare guarantees *Common Purpose* offers a welcome antidote to our current sense of national despair and concrete proof that America's social institutions can be made to work to assure that all the nation's children develop the tools to share in the American dream

Vampires, Dragons, and Egyptian Kings Eric C. Schneider, 2021-01-12 They called themselves Vampires Dragons and Egyptian Kings They were divided by race ethnicity

and neighborhood boundaries but united by common styles slang and codes of honor They fought and sometimes killed to protect and expand their territories In postwar New York youth gangs were a colorful and controversial part of the urban landscape made famous by West Side Story and infamous by the media This is the first historical study to explore fully the culture of these gangs Eric Schneider takes us into a world of switchblades and slums zoot suits and bebop music to explain why youth gangs emerged how they evolved and why young men found membership and the violence it involved so attractive Schneider begins by describing how postwar urban renewal slum clearances and ethnic migration pitted African American Puerto Rican and Euro American youths against each other in battles to dominate changing neighborhoods But he argues that young men ultimately joined gangs less because of ethnicity than because membership and gang violence offered rare opportunities for adolescents alienated from school work or the family to win prestige power adulation from girls and a masculine identity In the course of the book Schneider paints a rich and detailed portrait of everyday life in gangs drawing on personal interviews with former members to re create for us their language music clothing and social mores We learn what it meant to be a down bopper or a jive stud to fish with a beautiful deb to the sounds of the Jesters and to wear gang sweaters wildly colored zoot suits or the Ivy League look He outlines the unwritten rules of gang behavior the paths members followed to adulthood and the effects of gang intervention programs while also providing detailed analyses of such notorious gang related crimes as the murders committed by the Capeman Salvador Agron Schneider focuses on the years from 1940 to 1975 but takes us up to the present in his conclusion showing how youth gangs are no longer social organizations but economic units tied to the underground economy Written with a profound understanding of adolescent culture and the street life of New York this is a powerful work of history and a compelling story for a general audience

God's Gangs Edward Flores, 2014 Winner 2014 Distinguished Contribution to Research Award presented by the Latino Sociology Section of the American Sociological Association Los Angeles is the epicenter of the American gang problem Rituals and customs from Los Angeles eastside gangs including hand signals graffiti and clothing styles have spread to small towns and big cities alike Many see the problem with gangs as related to urban marginality for a Latino immigrant population struggling with poverty and social integration gangs offer a close knit community Yet as Edward Orozco Flores argues in *God's Gangs* gang members can be successfully redirected out of gangs through efforts that change the context in which they find themselves as well as their notions of what it means to be a man Flores here illuminates how Latino men recover from gang life through involvement in urban faith based organizations Drawing on participant observation and interviews with Homeboy Industries a Jesuit founded non profit that is one of the largest gang intervention programs in the country and with Victory Outreach a Pentecostal ministry with over 600 chapters Flores demonstrates that organizations such as these facilitate recovery from gang life by enabling gang members to reinvent themselves as family men and as members of their community The book offers a window into the process of redefining masculinity As Flores convincingly shows gang members are not trapped in a

cycle of poverty and marginality With the help of urban ministries such men construct a reformed barrio masculinity to distance themselves from gang life *The Power of Teacher Networks* Ellen Meyers, Peter A. Paul, David E.
