Spider Camilla Reeve, 2008-07-01 Travels of a Spider Camilla Reeve's first poetry collection includes passionate poems on human rights war and the environment as well as other work some funny some lyrical in praise of the natural world Born in London she returns often to its problems of homelessness pollution noise and isolation within the crowd *A Fistful of Salt* Vidya Subramaniam, The participation of the South especially Tamilnadu in the Freedom Movement and allied protests under the leadership of Mahatma Gandhi has not been much documented The Salt satyagraha shook the conscience of the British rulers that it led to the Round Table Conference in the capital of the British Empire The fact that Tamilnadu played a significant role in this unique kind of protest led by Rajaji has now been brought out in the form of a fictionalized narrative by the eminent writer Vidya Subramaniam Although idealism as against realism has now become unfashionable in the field of letters I hold the author in great respect for her daring to portray her characters in conformity with her own convictions The period aspect of the novel has come off beautifully in the atmospheric description and dialogues between the characters This novel is a befitting tribute to those who participated in the freedom struggle
