A Woman's Life Is a Human Life Felicia Kornbluh, 2023-01-17 Published to coincide with the fiftieth anniversary of Roe v Wade this urgent book from historian Felicia Kornbluh reveals two movement victories in New York that forever changed the politics of reproductive rights nationally Before there was a Jane Roe the most important champions of reproductive rights were ordinary people working in their local communities In A Woman s Life Is a Human Life historian Felicia Kornbluh delivers the untold story of everyday activists who defined those rights and achieved them in the years immediately before and after Roe v Wade made

abortion legal under federal law *A Woman's Life Is a Human Life* is the story of two movements in New York that transformed the politics of reproductive rights the fight to decriminalize abortion and the fight against sterilization abuse which happened disproportionately in communities of color and was central to an activism that was about the right to bear children as well as not to Each initiative won key victories that relied on people power and not on the federal courts Their histories cast new light on Roe and constitutional rights on the difficulty and importance of achieving a truly inclusive feminism and on reproductive politics today This is a book full of drama From dissident Democrats who were the first to try reforming abortion laws and members of a rising feminist movement who refashioned them to the nation's largest abortion referral service established by progressive Christian and Jewish clergy to Puerto Rican activists who demanded community accountability in healthcare and introduced sterilization abuse to the movement's agenda and Black women who took the cause global *A Woman's Life Is a Human Life* documents the diverse ways activists changed the law and worked to create a world that would support all people's reproductive choices The first in depth study of a winning campaign against a state's abortion law and the first to chronicle the sterilization abuse fight side by side with the one for abortion rights *A Woman's Life Is a Human Life* is rich with firsthand accounts and previously unseen sources including those from Kornbluh's mother who wrote the first draft of New York's law decriminalizing abortion and their across the hall neighbor Dr Helen Rodriguez Tr as a Puerto Rican doctor who cofounded the movement against sterilization abuse In this dynamic surprising and highly readable history Felicia Kornbluh corrects the record to show how grassroots action overcame the odds to create policy change and how it might work today
