**Five for Sorrow Ten for Joy. A Consideration of the Rosary** J. Neville Ward,1976      **Five for Sorrow, Ten for Joy**  
Joseph Neville Ward,1971      **Five for Sorrow, Ten for Joy** Joseph Neville Ward,1985      *The Little Book of Easter* Arthur  
Howells,2023-02-02 A beautiful gift anthology for the season of Easter with material from Tom Wright Timothy Radcliffe Basil  
Hume Rowan Williams Brian McLaren Paula Gooder Henri Nouwen Desmond Tutu Maria Boulding This delightful collection  
is the perfect gift for the Lenten season Beginning with Palm Sunday and Holy Week right through the seven weeks of Easter  
until the great feast of Pentecost Canon Arthur Howells provides a portion of scripture a short extract from an inspirational  
Christian book and a prayer for each day Drawing wisdom from across the tradition of the Church The Little Book of Easter  
includes writing from Desmond Tutu C S Lewis Henri Nouwen and William Temple alongside voices such as Eugene Peterson  
Paula Gooder Tom Wright and Maggi Dawn We're familiar with Lent as a time to deepen our prayer lives but less aware of  
Easter as a season that can be savoured in this way These collected writings will be a gift for anyone looking to continue  
their spiritual journey during this time of celebration and explore the wisdom of the Church in greater depth Previously  
published as An Easter Anthology      **Mary** Penelope Duckworth,2004-01-25 Although Mary is a preeminent figure in  
Christianity and one of the most celebrated women in history to many Christians she seems distant and unapproachable a  
porcelain perfection of abstract motherhood that is irrelevant to their everyday existence Still interest in Mary is high as  
evidenced by retreats pilgrimages liturgical formulations and church discussions on her Many Christians are hearing new  
wisdom in her Magnificat and are searching for ways to integrate her into their lives of faith Although we inevitably look at  
Mary from a twenty first century perspective in this book Duckworth shows that our appreciation will be deeply enriched if  
we remember the sources that have influenced our tradition and try to comprehend the grand sweep of Marian devotion As  
descendants of that tradition we can look to Mary not only as the mother of our Lord but as the mother of a growing  
changing church that is finding its way to a contemporary appreciation of her many dimensions Duckworth addresses six of  
those dimensions Mary as prophet matriarch theologian disciple intercessor and paradigm in this compelling work that  
combines theology history devotion and meditation on biblical texts      **Galileo's Daughter** Dava Sobel,2009-05-26 Inspired  
by a long fascination with Galileo and by the remarkable surviving letters of Galileo's daughter a cloistered nun Dava Sobel  
has written a biography unlike any other of the man Albert Einstein called the father of modern physics indeed of modern  
science altogether Galileo's Daughter also presents a stunning portrait of a person hitherto lost to history described by her  
father as a woman of exquisite mind singular goodness and most tenderly attached to me Galileo's Daughter dramatically  
recolors the personality and accomplishment of a mythic figure whose seventeenth century clash with Catholic doctrine  
continues to define the schism between science and religion Moving between Galileo's grand public life and Maria Celeste's  
sequestered world Sobel illuminates the Florence of the Medicis and the papal court in Rome during the pivotal era when

humanity's perception of its place in the cosmos was about to be overturned. In that same time while the bubonic plague wreaked its terrible devastation and the Thirty Years War tipped fortunes across Europe one man sought to reconcile the Heaven he revered as a good Catholic with the heavens he revealed through his telescope. With all the human drama and scientific adventure that distinguished Dava Sobel's previous book *Longitude* Galileo's Daughter is an unforgettable story.

*Five for Sorrow, Ten for Joy* J. Neville Ward, 2005-09 Since earliest times Christians have used pebbles a string of knots or beads on a cord to keep track of their prayers and prayer beads can be found in virtually every major religious tradition in the world. Anglicans and other Protestants have also begun to use the rosary to help refresh a life of prayer it creates a rhythm that helps wean us from our distractions and focus our attention so that we can more readily move into God's presence. As the beads and prayers recede into the background the mysteries that make up the rosary come into our minds and hearts like religious pictures or icons. First published in 1975 J Neville Ward's unusual collection of meditations offer an entirely new approach to the rosary for all Christians. He begins with its traditional use and then offers fifteen insights into the life of Jesus and his mother Mary that can speak to us today. Thus a meditation on the sorrowful themes reminds us of the suffering that is so much a part of our own lives while the joyful and glorious mysteries speak of the desire for faith hope and love that will heal them. These reflections serve up a rich spiritual repast for Christians seeking new contemplative practices and learning to pray with the rosary.
