Nineteenth-Century Fictions of Childhood and the Politics of Play Michelle Beissel Heath,2017-09-18 Drawing evidence from transatlantic literary texts of childhood as well as from nineteenth and early twentieth century children s and family card board and parlor games and games manuals *Nineteenth Century Fictions of Childhood and the Politics of Play* aims to reveal what might be thought of as playful literary citizenship or some of the motivations inherent in later nineteenth and early twentieth century Anglo American play pursuits as they relate to interest in shaping citizens through investment in good literature Tracing play as a societal and historical construct as it surfaces time and again in children s literary texts as well as children s literary texts as they surface time and again in situations and environments of children s play this book underscores how play and literature are consistently deployed in tandem in attempts to create ideal citizens even as those ideals varied greatly and were dependent on factors such as gender ethnicity colonial status and class **Voracious Children** Carolyn Daniel,2006-02-22 *Voracious Children* explores food and the way it is used to seduce to pleasure and coerce not only the characters within children s literature but also its readers There are a number of gripping questions concerning the quantity and quality of the food featured in children s fiction that immediately arise why are feasting fantasies so prevalent especially in the British classics What exactly is their appeal to historical and contemporary readers What do literary food events do to readers Is food the sex of children s literature The subject of children eating is compelling but why is it that stories about children being eaten are not only horrifying but also so incredibly alluring This book reveals that food in fiction does far far more than just create verisimilitude or merely address greedy readers desires The author argues that the food trope in children s literature actually teaches children how to be human through the imperative to eat good food in a proper controlled manner Examining timely topics such as childhood obesity and anorexia the author demonstrates how children s literature routinely attempts to regulate childhood eating practices and only award subjectivity and agency to those characters who demonstrate normal appetites Examining a wide range of children s literature classics from Little Red Riding Hood to The Lion the Witch and the Wardrobe this book is an outstanding and unique enquiry into the function of food in children s literature and it will make a significant contribution to the fields of both children s literature and the growing

Book of The Covenant - An Integrated Translation and Transliteration of the Hebraic Scriptures Gimel
UriYaH,2023-01-07 Preface The faith of Abraham Yitzchak and Yaaqob and the Covenant which ELOHIM made with him his
descendants and their gentile commonwealth is Hebraic in context All scriptures undergirding this truth and the Covenant
should be read interpreted and applied in the context of its Hebraic framework This will assure a valid understanding of
these Hebraic scriptures If these scriptures are interpreted or translated at the expense of their Hebraic context and
pertinent terminology then the reader s understanding and perspective would accordingly be compromised The foundation of
the Hebraic scriptures is the Torah Instructions Neviim Prophets and Ketuvim Writings TaNaKh TNK All other scriptures
testimonies or writings including the traditional twenty seven Messianic Testimonies and Letters MTL regardless of their
language context or source must derive their authenticity and validation from the TaNaKh and particularly so if they are
intended to be a congruent and continuing Testimony of that everlasting Truth and Covenant It would be ideal if the global
English speaking community at large were conversant with the Hebraic language and context of the Scriptures Since this is
not so a necessary mitigating action is to provide such readers with an Integrated Translation and Transliteration ITT of the
Hebraic Scriptures Such an ITT process though not a literary translation norm is a necessary remedy to manifest its original
Hebraic context and critical terminologies Hence pertinent Hebraic terminologies including names and titles are
transliterated in this Book of The Covenant rather than being translated or substituted to preserve their original Hebraic root
word and thereby their intended Hebraic meaning Shortcomings of the common comprehensive translation process whether
concordant or equivalence have been apparent in the history of Scripture translations at large It had resulted in the
manifestation of non Hebraic substituted or contrived critical terminologies in the destination language such as Lord instead

of YHWH God instead of EL ELOAH ELOHIM Church instead of Qahal Jesus instead of YAHshua Christ instead of Mashiach Testament instead of Covenant Angel instead of Malach Such critical word substitution or replacement process coupled with a non Hebraic theological framework have resulted in the evolution of doctrines or religious systems which are not congruent with the original Hebraic Scriptures This Book of The Covenant BTC is a restoration of the Hebraic context of Scripture through an integrated translation and transliteration ITT of crucial Scripture terminologies All transliterated names and words in the main text are in italics and listed with their respective Hebraic meaning in the Appendices **Family Feud**
