Five Little Peppers and How They Grew Margaret Sidney, 2008-06-30 Five Little Peppers and How They Grew was originally serialized in an 1880 edition of Wide Awake a children's magazine. The publisher of the magazine Daniel Lothrop loved the Pepper stories so much that he published a hard cover edition of the story and married the author in 1881. In 1883 the couple moved to historic Concord Massachusetts and resided in a house called the Wayside which had previously been home to Nathaniel Hawthorne and also to Louisa May Alcott the author of Little Women. **Five little Peppers, and how they grew, by Margaret Sidney** Harriet Mulford Lothrop, 1881 **Five Little Peppers and How They Grew** Margaret Sidney, 2017-04-24 How is this book unique? Font adjustments biography included Unabridged 100% Original content Illustrated About Five Little Peppers and How They Grew by Margaret Sidney The Five Little Peppers is a book series created by American author Margaret Sidney. It covers the lives of the five children of Mamsie and the late Mister Pepper who are born into poverty in a rural little brown house. The series begins with the Peppers in their native state and develops with their rescue by a wealthy gentleman who takes an interest in the family. The Five Little Peppers and How They Grew tells how the Peppers live, learn and play in their little brown house. They are poor and Mamsie must work constantly to keep the wolf from the door but their lives are unexpectedly happy. They make do with whatever they have and the older children help the younger ones. They bear bad times as best they can and make the most of the good times. When Phronsie is kidnapped by an organ grinder she is rescued by young Jasper King and his dog Prince both of whom soon become fast friends with the Peppers. The family so charms Jasper and his father that one by one they are invited to visit the King's home in the city and soon the entire family is living there. Mr King makes Mrs Pepper his housekeeper and does everything in his power to entertain and educate the children. Though the Kings surround the Pepper children with luxury in 5 years Phronsie collects 200 dolls. The values of hard work, humility and togetherness are still firmly enforced by their mother. This puts them in a curious position in society. Though they live with an upper class father and son the older children are aware they'll someday work for their livings. This makes them willing to befriend anyone from street girls to grocers sons. The stories continue with the Peppers' adventures in school abroad and even back in the little brown house where their thoughts and hearts will always turn. The series Five Little Peppers and How They Grew Book and Charm Margaret Sidney, 2002-05-28 She had seen with pride that couldn't be concealed her noisy happy brood growing up around her and filling her heart with comfort and making the Little Brown House fairly ring with jollity and fun. absorb all lesser thoughts Many and vast were their secret plans by which they were to astonish her at some future day which they would only confide as they did everything else to one another For this brother and sister were everything to each other and stood loyally together through thick and thin Polly was ten and Ben one year older and the younger three of the Five Little Peppers as they were always called looked up to them with the intensest admiration and love What they failed to do couldn't very well be done by any One Oh dear exclaimed Polly as she sat over in the corner by the window helping her mother pull out basting threads from a coat she had just finished and giving an impatient twitch to the sleeve I do wish we could ever have any light just as much as we want You don't need any light to see these threads said Mrs Pepper winding up hers carefully as she spoke on an old spool Take care Polly you broke that thread s dear now I couldn't help it said Polly vexedly it snapped everything s dear now it seems to me I wish we could have oh ever an ever so many candles as many as we wanted I'd light em all so there and have it light here one night anyway Yes and go dark all the rest of the year like as anyway observed Mrs Pepper stopping to untie a knot Folks who do so never have any candles she added sententiously How many'd you have Polly asked Joel curiously laying down his hammer and regarding her with the utmost anxiety Oh two hundred said Polly decidedly I'd have two hundred all in a row Two hundred candles echoed Joel in amazement My whockety what a lot
