Italian Literature before 1900 in English Translation Robin Healey,2011-12-15 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy s most translated authors Dante Alighieri Machiavelli and Boccaccio and other hundreds which represent the author s only English translation A significant number of entries describe works originally published in Latin Together with Healey s Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature *Ben Jonson, John Marston and Early Modern Drama* Rebecca Yearling,2016-01-05 This book examines the influence of John Marston typically seen as a minor figure among early modern dramatists on his colleague Ben Jonson While Marston is usually famed more for his very public rivalry with Jonson than for the quality of his plays this book argues that such a view of Marston seriously underestimates his importance to the theatre of his time In it the author contends that Marston s plays represent an experiment in a new kind of satiric drama with origins in the humanist tradition of serio ludere His works deliberately unpredictable inconsistent and metatheatrical subvert theatrical conventions and provide confusingly multiple perspectives

on the action forcing their spectators to engage actively with the drama and the moral dilemmas that it presents The book argues that Marston s work thus anticipates and perhaps influenced the mid period work of Ben Jonson in plays such as Sejanus Volpone and The Alchemist *Drammi Pre-Shakespeariani* Benvenuto Cellini,1958 **The New Cambridge Bibliography of English Literature** George Watson,Ian Roy Willison,1974 *The London Shakespeare: The comedies* William Shakespeare,1957 **Guide to Reprints** Albert James Diaz,1997 **Accessions List** University of London.
