*Five Centuries of Base Metal Spoons* Ronald Frederick Homer,1975      *Five Centuries of Base Metal Spoons* Ronald F. Homer,1975      **Pewter at Colonial Williamsburg** John D. Davis,2003 The collection of British pewter at Colonial Williamsburg is remarkable for its breadth and detail It illustrates the development of basic forms and types of decoration from the first decades of the seventeenth century through those of the nineteenth and includes a complementary admixture of American examples which often exhibit readily identifiable regional and individual preferences This catalog is divided into sections based on use including dining wares drinking vessels and religious objects This organization allows for the juxtaposition of related forms and for the appreciation of their chronologies and development The important Colonial Williamsburg collection that has been formed over the past seventy five years It highlights the many purposes pewter served in early American history assisting in the transfer of culture from Europe and in the shaping of distinctive American attitudes and artifacts and is also illustrative of the broad distribution of British wares especially apparent in Virginia and the lower Chesapeake region where there were relatively few practicing pewterers and where there was a decided dependence on imported pewter      The Grove Encyclopedia of Decorative Arts Gordon Campbell,2006-11-09 The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Werkstatte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms      **English Medieval Industries** John Blair,W. John Blair,Nigel Ramsay,1991-01-01 English Medieval Industries is an authoritative modern survey of medieval crafts and their products It is heavily illustrated by pictures of surviving objects and contemporary representations of medieval work Each industry is approached by material amongst others stone tin lead copper iron brick glass leather bone and wood discussing its acquisition working and sale as a finished product The contributors are the leading experts in their fields They describe the specialist work that went to make the housing clothing tools vessels and ornaments of medieval people A general bibliography provides a valuable reference tool      **The Oxford Handbook of Later Medieval Archaeology in Britain** Christopher Gerrard,Alejandra Gutiérrez,2018-01-11 The Middle Ages are all around us in Britain The Tower of London and the castles of Scotland and Wales are mainstays of cultural tourism and an inspiring cross section of later medieval finds can now be seen on display in museums across England Scotland and Wales Medieval institutions from Parliament and monarchy to universities are familiar to us and we come into contact with the later Middle Ages every

day when we drive through a village or town look up at the castle on the hill visit a local church or wonder about the earthworks in the fields we see from the window of a train The Oxford Handbook of Later Medieval Archaeology in Britain provides an overview of the archaeology of the later Middle Ages in Britain between AD 1066 and 1550 61 entries divided into 10 thematic sections cover topics ranging from later medieval objects human remains archaeological science standing buildings and sites such as castles and monasteries to the well preserved relict landscapes which still survive This is a rich and exciting period of the past and most of what we have learnt about the material culture of our medieval past has been discovered in the past two generations This volume provides comprehensive coverage of the latest research and describes the major projects and concepts that are changing our understanding of our medieval heritage *Consider the Fork* Bee Wilson, 2012-10-09 Award winning food writer Bee Wilson's secret history of kitchens showing how new technologies from the fork to the microwave and beyond have fundamentally shaped how and what we eat Since prehistory humans have braved sharp knives fire and grindstones to transform raw ingredients into something delicious or at least edible But these tools have also transformed how we consume and how we think about our food In *Consider the Fork* award winning food writer Bee Wilson takes readers on a wonderful and witty tour of the evolution of cooking around the world revealing the hidden history of objects we often take for granted Technology in the kitchen does not just mean the Pacojets and sous vide machines of the modern kitchen but also the humbler tools of everyday cooking and eating a wooden spoon and a skillet chopsticks and forks Blending history science and personal anecdotes Wilson reveals how our culinary tools and tricks came to be and how their influence has shaped food culture today The story of how we have tamed fire and ice and wielded whisks spoons and graters all for the sake of putting food in our mouths *Consider the Fork* is truly a book to savor *The Forts of Pemaquid, Maine* Robert L. Bradley, Helen B.
