Globalizing Confederation Jacqueline Krikorian, Marcel Martel, Adrian Shubert, 2017-11-29 Globalizing Confederation brings together original research from 17 scholars to provide an international perspective on Canada s Confederation in 1867 In seeking to ascertain how others understood constructed or considered the changes taking place in British North America Globalizing Confederation unpacks a range of viewpoints including those from foreign governments British colonies and Indigenous peoples Exploring perspectives from the Austro Hungarian Empire France Latin America New Zealand and the Vatican among others as well as considering the impact of Confederation on the rights of Indigenous peoples during this period the contributors to this collection present how Canada s Confederation captured the imaginations of people around the world in the 1860s Globalizing Confederation reveals how some viewed the 1867 changes to Canada as part of a reorganization of the British Empire while others contextualized it in the literature on colonization more broadly while still others framed the event as part of a re alignment or power shift among the Spanish French and British empires While many people showed interest in the Confederation debates others such as South Africa and the West Indies expressed little interest in the establishment of Canada until it had profound effects on their corners of the global political landscape

Above the Death Pits, Beneath the Flag Jackie Feldman, 2008-04-01 Israeli youth voyages to Poland are one of the most popular and influential forms of transmission of Holocaust memory in Israeli society Through intensive participant observation group discussions student diaries and questionnaires the author demonstrates how the State shapes Poland into a living deathscape of Diaspora Jewry In the course of the voyage students undergo a rite de passage in which they are transformed into victims victorious survivors and finally witnesses of the witnesses By viewing touching and smelling

Holocaust period ruins and remains by accompanying the survivors on the sites of their suffering and survival crying together and performing commemorative ceremonies at the death sites students from a wide variety of family backgrounds become carriers of Shoah memory They come to see the State and its defense as the romanticized answer to the Shoah These voyages are a bureaucratic response to uncertainty and fluidity of identity in an increasingly globalized and fragmented society This study adds a measured and compassionate ethical voice to ideological debates surrounding educational and cultural forms of encountering the past in contemporary Israel and raises further questions about the representation of the Holocaust after the demise of the last living witnesses The death-flag Crumpe,1852 *The Flag of Childhood* ,2008-06-30 A stirring anthology of sixty poems from the Middle East selected by honored anthologist writer and editor Naomi Shihab Nye This beautiful collection of eloquent poems from Palestine Israel Egypt Iraq and elsewhere open windows into the hearts and souls of people we usually meet only on the nightly news What we see when we look through these windows is the love of family friends and for the Earth the daily occurrences of life that touch us forever the longing for a sense of place What we learn is that beneath the veil of stereotypes our human connections are stronger than our cultural differences The Death-flag Miss Crumpe,1852 *Scribner's Magazine* ... ,1917 **Fights for the Flag** William Henry Fitchett,1898

Under the Starry Flag Lucy E. Salyer,2018-10-15 In 1867 forty Irish Americans sailed for Ireland to fight against British rule Claiming that emigrants to America remained British citizens authorities arrested the men for treason sparking a crisis and trial that dragged the U S and Britain to the brink of war Lucy Salyer recounts this gripping tale a prelude to today s immigration battles Following the Sun-Flag John, Jr. Fox,2020-07-27 Reproduction of the original Following the Sun Flag by Jr John Fox **The Spectacle of the False-Flag** Eric Michael Wilson,2015-03 Eric Wilson s work poses crucial challenges to social theory unsettling our understanding of the nature of the liberal democratic state In *The Spectacle of the False Flag* he urges the reader to examine the often unconsidered deep state practices that confound conventional notions of the state as monolithic or uniform This compelling volume traces deep state conflicts and convergences through central cases in the development of American political economic power JFK Dallas LBJ Gulf of Tonkin and Nixon Watergate Rigorously documented and unflinchingly analyzed *The Spectacle of the False Flag* provides a stunning example of a new criminological practice one that takes the state seriously making the inner workings of the state rather than its effects the primary object of study Drawing upon a wealth of historical records and developing the theoretical insights of Guy Debord s writings on spectacular society Wilson offers a glimpse into a necessary criminology to come Under a False Flag Tom Gething,2012-09-08 October 1972 Will Porter joins the CIA s secret war against Chile s Marxist president Salvador Allende Working under cover Will s job is to manage the dirty money going to fund the opposition and to disrupt the Chilean economy As protests general strikes and paramilitary terrorism bring Chile to the brink of civil war Will learns just how far the CIA will go to achieve its objective A budding friendship with university student Ernesto Manning and his beautiful sister Gabriela

complicates Will's job and threatens to blow his cover In a turbulent world of deceivers and deceived Will must choose between friendship and betrayal truth and lies love and duty Based on historical events this compelling novel brings to life a tragic moment that changed the course of a nation It is not a part of American history that we are proud of said Secretary of State Colin Powell **Where No Flag Flies** Mark Royden Winchell,2000 **Stick a Flag in It** Arran Lomas,2020-10-01 From the Norman Invasion in 1066 to the eve of the First World War *Stick a Flag in It* is a thousand year jocular journey through the history of Britain and its global empire The British people have always been eccentric occasionally ingenious and sure sometimes unhinged from mad monarchs to mass murdering lepers Here Arran Lomas shows us how they harnessed those traits to forge the British nation and indeed the world we know today Follow history's greatest adventurers from the swashbuckling waters of the Caribbean to the vast white wasteland of the Antarctic wilderness like the British spy who infiltrated a top secret Indian brothel and the priest who hid inside a wall but forgot to bring a packed lunch At the very least you'll discover Henry VIII's favourite arse wipe whether the flying alchemist ever made it from Scotland to France and the connection between Victorian coffee houses and dildos Forget what you were taught in school this is history like you've never heard it before full of captivating historical quirks that will make you laugh out loud and scratch your head in disbelief **A Flag, a Song and a Pinch of Salt** Subhadra Sen Gupta,2015 A poet who led a protest march a revolutionary who became a saint a man who walked for weeks to make salt presents amazing stories of the great men and women who inspired generations united a nation and led its people to freedom *Under Wolfe's Flag; or, The Fight for the Canadas* Rowland Walker,2021-03-16 **Translations from Hung-ch'i (Red Flag)** United States.
