Flagships Of Mystic Seaport:

Flagships of Mystic Seaport Andrew W. German, 2000 With their tall masts and mazes of rigging these vessels make a lasting impression as does the little white steamboat moving silently past The whaleship Charles W Morgan the fishing schooner L A Dunton the training ship Joseph Conrad and the steamboat Sabino these are the flagships of Mystic Seaport

Mystic J. Huguenin, M. Earl Smith, 2017-06-05 On the banks of the Mystic River the Connecticut community of Mystic has a maritime history that stretches back beyond the founding of the nation Starting as a Native American settlement the area switched hands first to the Dutch then to the English before finally becoming a part of the United States after the Revolutionary War Mystic's location made it an ideal port for coastal commerce As the nation grew so did Mystic with the village using its unique location to serve both the coastal fishing industry and the US Navy The Mystic drawbridge serves as a reminder of the community's maritime heritage In its current state Mystic serves as both a cradle to some of Connecticut's oldest families and a tourist attraction for those wanting to sample vintage New England life

Interpreting Naval History at Museums and Historic Sites Benjamin J. Hruska, 2016-08-09 Interpreting Naval History at Museums and Historic Sites demonstrates the broad appeal of naval themed commemoration centering on military aspects from both times of war and peace Transcending place and time naval history is shaped into public forums for modern day consumption These occurrences are not limited to just recent history as can be seen in the celebration of man's long history of transforming bodies of water from barriers into opportunities In addition with the modern day nation state naval history is not just limited to areas near large bodies of water as seen with landlocked states in the United States sharing in a proud naval tradition Examples of this included in the book are USS Arizona BB 39 and USS Missouri BB 63 Naval history is just one avenue with sites marking the history of immigration engineering technology and architecture Naval history also extends into lighthouses and port facility construction which are the background of a host of U S Generals in the U S Army with the Army Corps of Engineers which includes the Robert E Lee Using an international approach the book illustrates the intersection of the historical understanding of one's place and naval traditions Locating the boundaries one finds both the depth and breath of the topics linking and dividing water and man

The Charles W. Morgan Andrew W. German, 2024-10-15 As America's oldest merchant ship still afloat and the only wooden survivor of the once vital whaling industry the Charles W Morgan has a complex story to tell Elaborating on earlier volumes on the ship's history at Mystic Seaport Museum this new book offers an expanded account chronicling the ship's construction and launch in 1841 through its Thirty Eighth Voyage in 2014 the first time the Morgan had been sailed in more than ninety years and its continuing role today as an historic icon and the Museum's flagship vessel Chapters paint a picture of how whaling developed in Europe and the ways New England colonists adopted it as a profitable venture and then through the ship's own story proceed to sketch the evolution of America's relationship with nature and the whale specifically and with the many peoples of the world who were encountered by or served aboard a

whaleship This is the story of a National Historic Landmark one that reflects our changing relationship with the natural world and with the diverse populations of the globe through two centuries of American history **Living with the Sea** Mike Brown, Kimberley Peters, 2018-10-03 The seas and oceans are currently taking centre stage in academic study and public consciousness From the plastics littering our seas to the role of climate change on ocean currents from unequal access of marine resources to the treacherous experiences of seafarers who keep our global economy afloat now is a crucial time to examine how we live with the sea This ambitious book brings together an interdisciplinary and international cohort of contributors from within and beyond academia It offers a range and diversity of insights unlike previous collections An oceanic turn is taking place with a burgeoning of academic work that takes seriously the place of seas and oceans in understanding socio cultural and political life past and present Yet there is a significant gap concerning the ways in which we engage with seas and oceans with a will to enliven action and evoke change This book explores these challenges offering insights from spatial planning architectural design geography educational studies anthropology and cultural studies An examination through these lenses can help us to better understand human relationships with the seas and oceans and promote an ethic of care for the future Interpreting Maritime History at Museums and Historic Sites Joel Stone, 2017-03-28 Interpreting Maritime History at Museums and Historic Sites lays the groundwork for keeping this heritage alive in museums and historic sites It provides the broadest spectrum of discussion and direction for those approaching new installations projects and programming Highlights of its wide range include Historic vessels and shipbuilding Freshwater maritime history including a focus on regionalism Maritime archaeology including shipwrecks Scientific history including the environment Recreational history including rowing fishing racing and cruising Lighthouses and lifesaving stations **Interpreting Anniversaries and Milestones at Museums and Historic Sites** Kimberly A. Preserving South Street Seaport James M Lindgren, 2019-08-27 Preserving South Street Seaport tells the fascinating story from the 1960s to the present of the South Street Seaport District of Lower Manhattan Home to the original Fulton Fish Market and then the South Street Seaport Museum it is one of the last neighborhoods of late 18th and early 19th century New York City not to be destroyed by urban development In 1988 South Street Seaport became the city's 1 destination for visitors Featuring over 40 archival and contemporary black and white photographs this is the first history of a remarkable historic district and maritime museum Lindgren skillfully tells the complex story of this unique cobblestoned neighborhood Comprised of deteriorating 4 5 story buildings in what was known as the Fulton Fish Market the neighborhood was earmarked for the erection of the World Trade Center until New Jersey forced its placement one mile westward After Penn Station's demolition had angered many New York citizens preservationists mobilized in 1966 to save this last piece of Manhattan's old port and recreate its fabled 19th century Street of Ships The South Street Seaport and the World Trade Center became the yin and yang of Lower Manhattan's rebirth In an unprecedented move City Hall designated the museum as developer of the twelve block urban renewal district However the Seaport Museum whose membership became the largest of any history museum in the city was never adequately funded and it suffered with the real estate collapse of 1972 The city bankers and state bought the museum's fifty buildings and leased them back at terms that crippled the museum financially That led to the controversial construction of the Rouse Company's New Fulton Market 1983 and Pier 17 mall 1985 Lindgren chronicles these years of struggle as the defenders of the people oriented museum and historic district tried to save the original streets and buildings and the largest fleet of historic ships in the country from the schemes of developers bankers politicians and even museum administrators Though the Seaport Museum's finances were always tenuous the neighborhood and the museum were improving until the tragedy of 9 11 But the prolonged recovery brought on dysfunctional museum managers and indifference if not hostility from City Hall Superstorm Sandy then dealt a crushing blow Today the future of this pioneering museum designated by Congress as America's National Maritime Museum is in doubt as its waterfront district is eyed by powerful commercial developers While Preserving South Street Seaport reveals the pitfalls of privatizing urban renewal developing museum corporate partnerships and introducing a professional regimen over a people's movement it also tells the story of how a seedy decrepit piece of waterfront became a wonderful venue for all New Yorkers and visitors from around the world to enjoy This book will appeal to a wide audience of readers in the history and practice of museums historic preservation
