

# FLAMBARDS: THE SERIES

BY SCOTT PALMER

# Flambards Trilogy

**David Budgen**

## **Flambards Trilogy:**

**The Flambards Trilogy** K. M. Peyton, 1980      **The Key to Flambards** Linda Newbery, 2018-10-04 Fourteen year old Grace recovering from a life changing accident and her parents divorce reluctantly spends the summer at Flambards a remote country house Despite herself she befriends two local boys Jamie who is friendly and obsessed with wildlife and Marcus who is struggling to deal with his moody potentially violent father In this beautiful but threatened landscape Grace unearths her own extraordinary ties to the house and importantly discovers her own place in the world      *The Fox-Hunting Controversy, 1781-2004* Allyson N. May, 2016-03-16 August 1781 saw the publication of a manual on fox hunting that would become a classic of its genre Hugely popular in its own day Peter Beckford's *Thoughts on Hunting* is often cited as marking the birth of modern hunting and continues to be quoted from affectionately today by the hunting fraternity Less stressed is the fact that its subject was immediately controversial and that a hostile review which appeared on the heels of the manual's publication raised two criticisms of fox hunting that would be repeated over the next two centuries fox hunting was a cruel sport and a feudal anachronistic one at that This study explores the attacks made on fox hunting from 1781 to the legal ban achieved in 2004 as well as assessing the reasons for its continued appeal and post ban survival Chapters cover debates in the areas of class and hunting concerns over cruelty and animal welfare party politics the hunt in literature and nostalgia By adopting a thematic approach the author is able to draw out the wider social and cultural implications of the debates and to explore what they tell us about national identity social mores and social relations in modern Britain      **Recreating the Past** Lynda G. Adamson, 1994-06-30 Spanning grades 1-10 this annotated bibliography of 970 recommended American and world titles published through early 1994 includes adult titles suitable for young readers at least 200 of the titles are award winners In support of interdisciplinary English and social studies curricula librarians and teachers can easily assemble a basic list of books on a geographical place and time period Geographical sections are divided into historical time periods within which entries are organized alphabetically by author Each entry contains both reading and interest grade levels a short incisive annotation about the historical event setting plot protagonist and theme current publication availability and awards won Seven reference appendices allow for easy searching These helpful appendices and an authors a titles and an illustrators index help to make this volume a critical professional tool      **The Boy Who Wasn't There** K M Peyton, 2013-01-30 Thirteen year old Arnold is always getting into trouble but nowhere near as serious as when he sees a dead body floating in a lake He's the only witness to this crime and now someone is trying to kill him too      **From Morality to Mayhem** Julian Lovelock, 2018-10-25 The stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination Many will remember the goings on at such earnest establishments as Tom Brown's Rugby St Dominic's Greyfriars the Chalet School Malory Towers and Linbury Court In the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these

moral tales lost their appeal and the school story very nearly died out More recently however a new generation of compromised schoolboy and schoolgirl heroes Pennington Tyke Tiler Harry Potter and Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people From Morality to Mayhem charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane

**Why Was Billy Bunter Never Really Expelled?** Dennis Butts, Peter Hunt, 2019-09-15 After the success of How Did Long John Silver Lose His Leg Dennis Butts and Peter Hunt take their forensic lenses to more mysteries that have troubled readers of children s books over the centuries Their questions range from the historical to the philosophical some of which are puzzling some of which are controversial Why does it seem there are no Nursery Rhymes before 1744 Why did God start to die in children s books long before Nietzsche noticed it Why are the schoolgirls at Enid Blyton s St Clare s so horrible Why are there so many dead parents littering children s books Why does C S Lewis annoy so many people Why Was Billy Bunter Never Really Expelled also reveals how an elephant captures Adolph Hitler who was Biggles s great love and whose side G A Henty was on in the American Civil War and delivers a plethora of erudite entertaining answers to questions that you may not have thought of asking And notably of course it explains why William George Bunter the Fat Owl of the Remove was never permanently removed from Greyfriars School

**The Making of Modern Children's Literature in Britain** Lucy Pearson, 2016-03-03 Lucy Pearson s lively and engaging book examines British children s literature during the period widely regarded as a second golden age Drawing extensively on archival material Pearson investigates the practical and ideological factors that shaped ideas of good children s literature in Britain with particular attention to children s book publishing Pearson begins with a critical overview of the discourse surrounding children s literature during the 1960s and 1970s summarizing the main critical debates in the context of the broader social conversation that took place around children and childhood The contributions of publishing houses large and small to changing ideas about children s literature become apparent as Pearson explores the careers of two enormously influential children s editors Kaye Webb of Puffin Books and Aidan Chambers of Topliner Macmillan Brilliant as an innovator of highly successful marketing strategies Webb played a key role in defining what were in her words the best in children s books while Chambers work as an editor and critic illustrates the pioneering nature of children s publishing during this period Pearson shows that social investment was a central factor in the formation of this golden age and identifies its legacies in the modern publishing industry both positive and negative

Historical Dictionary of Children's Literature Emer O'Sullivan, 2010-11-22 Children s literature comes from a number of different sources folklore folk and fairy tales books originally for adults and subsequently adapted for children and material authored specifically for them and its audience ranges from infants through

middle graders to young adults readers from about 12 to 18 years old Its forms include picturebooks pop up books anthologies novels merchandising tie ins novelizations and multimedia texts and its genres include adventure stories drama science fiction poetry and information books The Historical Dictionary of Children s Literature relates the history of children s literature through a chronology an introductory essay appendixes a bibliography and over 500 cross referenced dictionary entries on authors books and genres Some of the most legendary names in all of literature are covered in this important reference including Hans Christian Anderson L Frank Baum Lewis Carroll Roald Dahl Charles Dickens C S Lewis Beatrix Potter J K Rowling Robert Louis Stevenson Mark Twain J R R Tolkien Jules Verne and E B White

**The Daughter of Siena** Marina Fiorato,2011-05-10 As the wards of the city of Siena in 1729 Tuscany prepare for an annual horse race where rivalries run high young Pia Tolomei nurtures a secret forbidden love for a rider of an opposing ward

**The Periodical**,1975

**British Children's Literature and the First World War** David Budgen,2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children s authors have continually attempted to engage with those changes explaining and interpreting the events of 1914 18 for young readers British Children s Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children s authors and whether modern children s books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events

Children's Literature, a Guide to the Criticism Linnea Hendrickson,1987 Covering works as diverse as a historical survey of the alphabet book and an analysis of the young adult novels of Judy Blume this annotated bibliography draws together significant articles books and disseratations of children s literature criticism Compiled from a wide variety of popular and scholarly sources Children s Literature provides a thorough and easy to use resource to this burgeoning field of study Children s Literature categorizes and assesses the critical response to fiction drama poetry and some nonfiction written for children between the ages of one and sixteen The children s literature covered ranges in format and style from the picture book to the young adult novel The emphasis is on twentieth century children s literature although classics from earlier centuries have been included Book Jacket

**The Oxford Companion to Children's Literature** Daniel Hahn,Michael Morpurgo,2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of

children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns      Written for Children John Rowe Townsend, Richard L. Watson, 1974      **International Companion Encyclopedia of Children's Literature** Peter Hunt, 2004-08-02 Children's publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization      The History of Opposition to Blood Sports in Twentieth Century England Michael Tichelar, 2016-12 An inter disciplinary social history this book examines the major pressures and influences that brought about the growth of opposition to hunting in twentieth century England Based on a range of cultural social literary and political sources drawn from history sociology geography psychology and anthropology Opposition to Blood Sports in Twentieth Century England accounts for the change in our relationship with non human animals Shedding light on the manner in which this resulted in the growth in opposition to hunting and other blood sports it will appeal to those in social sciences and historians with interests in human animal relations      **Only Remembered** Michael Morpurgo, 2014-07-03 Published to mark the centenary of the outbreak of the First World War this beautiful anthology collects favourite extracts poems and images from some of the UK's leading cultural political and literary figures Poems short stories personal letters newspaper articles scripts photographs and paintings are just some of the elements of this astonishing collection with cover and artwork by renowned illustrator Ian Beck Among the many contributors are Her Royal Highness the Duchess of Cornwall Sir Andrew Motion Miranda Hart Dame Jacqueline Wilson Anthony Horowitz Eoin Colfer Antony Beevor Emma Thompson David Almond Dr Rowan Williams Richard Curtis Joanna Lumley Raymond Briggs Shami Chakrabarti and Sir Tony Robinson Royalties from the publication will be split between the Royal British Legion and projects for soldiers children and families at SSAFA      **The Use of English**, 1972      **More Juniorplots** John Thomas Gillespie, 1977 Contains plots and related material on 72 books generally suitable for children between the ages of 11 and 16
