Flavia Weekly 2002 Calendar:

A Calendar of the Letters of Willa Cather Willa Cather, 2002-01-01 An infamous clause in Willa Cather's will forbidding publication of her letters and other papers has long caused consternation among Cather scholars. For Cather a complex and private person who seldom made revelatory public pronouncements, personal letters provide or would provide an especially valuable key to understanding. But because of the terms of her will, that key is not readily available. Cather's letters will not come into public domain until the year 2017. Until then, even quotation, let alone publication in full, is prohibited. Janis P. Stout has gathered over eighteen hundred of Cather's letters, all the letters currently known to be available, and provides a brief summary of each as well as a biographical directory identifying correspondents and a multisection index of the widely scattered letters organized by location, by correspondent, and by names and titles mentioned. This book will be an essential resource for Cather scholars. 2002 Massimo Mastrogregori, 2011-07-11 Annually published since 1930, the *International Bibliography of Historical Sciences (IBOHS)* is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times. The works are arranged systematically according to period, region, or historical discipline, and within this classification alphabetically. The bibliography contains a geographical index and indexes of persons and authors. The Autocar, 1967 Brill's New Pauly: Equi-Has Hubert Cancik, Helmuth Schneider, Christine F. Salazar, David E. Orton, 2002 Brill's *New Pauly* is the English edition of the authoritative *Der Neue Pauly* published by Verlag J. B. Metzler since 1996. The encyclopaedic coverage and high academic standard of the work, the interdisciplinary and contemporary approach, and clear and accessible presentation have made the *New Pauly* the unrivalled modern reference work for the ancient world. Fifteen volumes. Antiquity 1-15 of Brill's *New Pauly* are devoted to Greco-Roman antiquity and cover more than two thousand years of history ranging from the second millennium BC to early medieval Europe. Special emphasis is given to the interaction between Greco-Roman culture on the one hand and Semitic, Celtic, Germanic, and Slavonic culture and ancient Judaism, Christianity, and Islam on the other hand. Five volumes. *Classical Tradition I-V* are uniquely concerned with the long and influential aftermath of antiquity and the process of continuous reinterpretation and revaluation of the ancient heritage, including the history of classical scholarship. Brill's *New Pauly* presents the current state of traditional and new areas of research and brings together specialist knowledge from leading scholars from all over the world. Many entries are elucidated with maps and illustrations, and the English edition will include updated bibliographic references. Book Jacket *American Art Directory 2005-2006* National Register Publishing, 2004 **Gardeners of Identity** Pedro J. Oiarzabal, 2009 Examines the history and development of Basque communities in the San Francisco Bay Area and the institutions they have created. Includes statistics on Bay Area Basque associations. Wandering into Brave New World David Leon Higdon, 2013-10-01 *Wandering into Brave New World* explores the historical contexts and contemporary sources of Aldous Huxley's 1932 novel.

which seventy years after its initial publication remains the best known and most discussed dystopian work of the twentieth century This new study addresses a number of questions which still remain open Did his round the world trip in 1925 1926 provide material for the novel Did India's caste system contribute to the novel's human levels Is there an overarching pattern to the names of the novel's characters Has the role of Hollywood in the novel been underestimated Is Lenina Crowe a representative 1920s flapper Did Huxley have knowledge of and sources for his Indian reservation characters and scenes quite independent of and more accurate than those of D H Lawrence's writings Did Huxley's visit to Borneo contribute anything to the novel New research allows substantive answers and even explains why Huxley linked such figures as Henry Ford and Sigmund Freud It also shows how the novel overcomes its intense grounding in 1920s political turmoil to escape into the timelessness of dystopian fiction
