

Flavius Josephus *on the Pharisees*

STEVE MASON

Flavius Josephus On The Pharisees A Composition Critical Study

Mary Marshall

Flavius Josephus On The Pharisees A Composition Critical Study:

Flavius Josephus on the Pharisees Steve Mason, 2001 Josephus writes about the Pharisees in three of his four extant works describing their actions under the Hashmoneans Herod the Great and during his own tenure as Galilean commander of the revolt against Rome This study tries to show how his discussions of the Pharisees contribute to his literary aims from publisher description *Josephus on the Pharisees [microform] : a Composition-critical Study* Steven Neil Mason, 1986

Josephus's Interpretation of the Bible Louis H. Feldman, 1999-01-18 Josephus A D 37 100 a pro Roman Jew closely associated with the emperor Titus is the earliest systematic commentator on the Bible as well as one of the foremost historians of the beginning of the Christian era Politically Josephus was pro Roman and although he had no sympathy for extreme Jewish nationalism he was a zealous defender of Jewish religion and culture Louis H Feldman examines the principles that guided Josephus in his understanding of the Bible investigating his creative contribution in the rewriting of biblical accounts This comprehensive study evaluates Josephus as a historian and demonstrates the originality and consistency of his work as an author The first part of Feldman s work attempts to understand Josephus s purposes and techniques in retelling the Bible The second part reviews Josephus s treatment of twelve key biblical figures In addition to its reevaluation of an important early historian this unique compendium provides a mine of information on the reassessment of the most important biblical figures *The Portrayals of the Pharisees in the Gospels and Acts* Mary Marshall, 2014-11-19 The first five books of the New Testament contain a large proportion of all uses of the term Farisai oj in extant literature In the light of growing scepticism among historians of Judaism over the accuracy and legitimacy of reconstructions of the Pharisees of history Mary Marshall sets aside the quest for the historical Pharisees and instead offers an analysis of the portrayal of the Pharisees by each evangelist The author adopts a redaction critical approach which incorporates narrative critical observations where appropriate Her examination of the texts demonstrates the particularity of each book and its portrayal of the Pharisees The five books do not portray a monolithic body of evidence but each has its own style occasion and purpose s All New Testament portrayals of the Pharisees occupy a good deal of common ground and yet the pictures they produce are not identical Every one of the evangelists integrates the Pharisees into his own presentation of the gospel emphasising those aspects of the Pharisees portrayal which serve his own particular concerns This study of material from the gospels and Acts yields multi faceted portraits of the Pharisees and discloses the variety of christological soteriological ecclesiological and ethical concerns with which they are associated It alerts the exegete both to the nuances within a given New Testament book and to the subtle differences between books It demonstrates the combination of fidelity and freedom with which the evangelists regarded their inherited tradition and sources The way the Pharisees are portrayed in each text is particular to that text and its purposes and therefore consideration of the Pharisees portrayal is able to enrich our understanding of the gospels and Acts more generally **John, Jesus, and the Renewal of Israel** Richard Horsley, Tom

Thatcher,2013-11-11 In this book Richard Horsley and Tom Thatcher trace the Gospel of John's portrayal of Jesus as a prophet of renewal by reading the text against a double backdrop the social history of Roman Palestine and the media world of John This innovative study is the first to consider the Gospel of John as story in the ancient media context of oral communication and oral performance Horsley and Thatcher creatively combine concerns from the fields of Jesus studies and ancient media studies in their analysis Taking the main conflict evident in John's story of Jesus as the key to its plot they discern how this Gospel usually read as spiritual portrays Jesus engaged in a concrete program of renewal and resistance

Judaic Religion in the Second Temple Period Lester L. Grabbe,2002-11 The developments in Judaism during the Second Temple period remain important to contemporary Jewish religion This volume provides a much needed encyclopedic study of the period Includes bibliographies cross references and summaries *Orientation to the History of Roman Judaea* Steve Mason,2016-12-09 No field of study is livelier than the history of Roman era Judaea ca 200 BC to AD 400 Bold

reinterpretations of texts and new archaeological discoveries prompt us constantly to rethink assumptions What kind of religion was Judaism How did Jews and Christians relate to Roman imperial power Should we speak of Judaism or Judaisms How should the finds at Qumran affect our understanding Did Paul and other early Christians remain within Judaism Should we translate Ioudaioi as Jews or Judaeans These debates can leave students perplexed this book argues because the participants share only a topic They are actually investigating different questions using disparate criteria In the hope of facilitating communication and preparing advanced students this book explores two basic but neglected problems What does it mean to do history if history is what we wish to do And how did the ancients understand and describe their world It is not a history then but an orientation to the history of Roman Judaea Rather than trying to specify which questions are good ones or what one should think about them the book offers new perspectives to help unleash the historical imagination while reckoning squarely with the nature of our evidence **Alexandria and Qumran: Back to the Beginning** Kenneth

Silver,2017-12-31 This book addresses the proto history and the roots of the Qumran community and of the Dead Sea Scrolls in the light of contemporary scholarship in Alexandria Egypt **A History of the Jews and Judaism in the Second**

Temple Period, Volume 3 Lester L. Grabbe,2020-02-20 This is the third volume of the projected four volume history of the Second Temple period collecting all that is known about the Jews from the period of the Maccabean revolt to Hasmonean rule and Herod the Great Based directly on primary sources the study addresses aspects such as Jewish literary sources economy Qumran and the Dead Sea Scrolls the Diaspora causes of the Maccabaean revolt and the beginning and end of the Hasmonean kingdom and the reign of Herod the Great Discussed in the context of the wider Hellenistic world and its history and with an extensive up to date secondary bibliography this volume is an invaluable addition to Lester Grabbe's in depth study of the history of Judaism *The Trial and Crucifixion of Jesus* David W. Chapman,Eckhard J. Schnabel,2019-01-01 The

Trial and Crucifixion of Jesus is a comprehensive sourcebook for those looking to gain a more robust understanding of this

event through the eyes of ancient writers Featuring extrabiblical primary texts along with a new translation and commentary by David W Chapman and Eckhard J Schnabel this work is relevant for understanding Jesus last days The significance of Jesus death is apparent from the space that Matthew Mark Luke and John devote to the Passion narrative from the emphasis of many speeches in the book of Acts and from the missionary preaching and the theology of the apostle Paul Exegetical discussions of Jesus trial and death have employed biblical Old Testament and extrabiblical texts in order to understand the events during the Passover of AD 30 that led to Jesus execution by crucifixion The purpose of this book is to publish the primary texts that have been cited in the scholarly literature as relevant for understanding Jesus trial and crucifixion The texts in the first part deal with Jesus trial and interrogation before the Sanhedrin and the texts in the second part concern Jesus trial before Pilate The texts in part three represent crucifixion as a method of execution in antiquity For each document the authors provide the original text Hebrew Aramaic Greek or Latin a translation and commentary The commentary describes the literary context and the purpose of each document in context before details are clarified along with observations on the contribution of these texts to understanding Jesus trial and crucifixion

In the Shadow of the Temple Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e g worship baptism and Eucharist and doctrine e g Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A D has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story [The Cambridge History of Judaism](#) William Horbury, 1984 This third volume of [The Cambridge History of Judaism](#) focuses on the early Roman period

The Jewish Dialogue with Greece and Rome Tessa Rajak, 2018-12-10 Twenty seven interdisciplinary essays on aspects of Judaism in the Greco Roman world exemplifying a wide range of techniques by a well known scholar Three are previously unpublished including a reappraisal of the Judaism and Hellenism debate and a study of the Sardis synagogue The book s overall coherence derives from the author s long standing interests in the analysis of texts as documents of cultural and religious interaction and in how Jewish communities were woven into the social fabric of Greek cities in the Hellenistic and Roman East The four sections are Greeks and Jews Josephus The Jewish Diaspora and Epigraphy and finally Beyond the Greeks and Romans essays which extend into Christian literature and on to the nineteenth century reception of the Judaism Hellenism dichotomy Scholars and students from a wide variety of backgrounds will benefit This publication has also been published in paperback please click here for

details **Judaism in Late Antiquity** Jacob Neusner, Alan Jeffery Avery-Peck, Bruce D. Chilton, 2001 Jacob Neusner vols 1 2 and 3 and his colleagues Alan Avery Peck vol 2 and Bruce Chilton vol 3 have assembled a stellar team of scholars in producing what has already become an essential reference work for the study of Judaism in Late Antiquity Originally written in nine separate volumes Judaism in Late Antiquity now appears unabridged in three The entire work seeks to offer readers both a broad perspective on the shape of Judaism while also opening the way to understanding unique issues Editors Neusner Avery Peck and Chilton must be commended for this generous gift both to the scholarly guild and to the general reader looking for a thought provoking overview of the central academic conversations Judaism in Late Antiquity I II III is also available in hardback **Judaism in Late Antiquity 3:1** Jacob Neusner, Alan Jeffery Avery-Peck, 1998-10 This collection of systematic Auseinandersetzungen articulates difference and spells out what is at issue Learning atrophies when political consensus substitutes for criticism and when other than broadly accepted viewpoints approaches and readings find a hearing only with difficulty if at all The editors therefore have invited colleagues systematically to outline their views in an Auseinandersetzung with contrary ones The several participants explain how in broad and sweeping terms they see the state of learning in their areas of special interest The editors invited leading players in the USA Europe and the State of Israel in the study of ancient Judaism both in Second Temple Times and after 70 C E The work commences with a thoroughly fresh perspective of a theoretical question what in a religion so concerned with social norms and public policy can we possibly mean by law when we speak of law in Judaism It then proceeds with two chapters on Second Temple Judaism and two on the special subject of the Dead Sea library The two papers in the present part provide an overview of matters and a systematic critical account of the fading consensus respectively The next set of papers ought to stand as the definitive account of the diverse viewpoints on a basic question of method Because of the willingness of contending parties to meet one another in a single frame of discourse the work is able to portray with considerable breadth the presently contending viewpoints concerning the use of Rabbinic literature for historical purposes Then proceed a number of other accounts of how matters look from the perspective of major participants in scholarly debate At the same time as the requirements of historical critical reading of the Rabbinic literature precipitated sustained and vigorous debate other problems have attracted attention Among these a critical issue emerges in the hermeneutics to govern the reading of the documents for the purposes of other than historical study feminist interests for example **The Oxford Handbook of the Dead Sea Scrolls** Timothy H. Lim, John J. Collins, 2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea Despite the much publicized delays in the publication and editing of the Scrolls practically all of them had been made public by the time of the fiftieth anniversary of the first discovery That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century including The Encyclopedia of the Dead Sea Scrolls OUP 2000 These publications produced an authoritative synthesis to which the majority of scholars in

the field subscribed granted disagreements in detail A decade or so later The Oxford Handbook of the Dead Sea Scrolls has a different objective and character It seeks to probe the main disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook's intention here to reflect on diverse opinions and viewpoints highlight the points of disagreement and point to promising directions for future research

Construction, Coherence and Connotations Pierre J. Jordaán, Nicholas P. L. Allen, 2016-08-22 These fourteen selected essays were originally read at the LXXSA international conference Construction Coherence and Connotation in Septuagint Apocryphal and Cognate Literature 28-30 August 2015 hosted by the North West University Potchefstroom South Africa Here the intention was to apply new critical theory and approaches to the fields of Old Testament Scripture as well as associated Apocryphal and Cognate literature with a specific focus on the interrelated recurring theme of the Wisdom of the deity and its decryption and reception at various times in history In this regard it was felt that this theme and associated source texts had been largely overlooked in recent scholarship Here the aim was to attract recent research by both leading national as well as international scholars which not only shed new light on Old Testament Apocrypha and so called Pseudepigraphical literature but which also critically reviewed certain biblical wisdom texts which are foundational for both the Christian as well as Jewish communities As a consequence many of the essays deal with the apocryphal Wisdom of Sirach However important contributions may also be found apropos Micah Daniel Baruch 2 Maccabees Tobit Susanna Judith and the works of Josephus Flavius

Emanuel Shalom M. Paul, Robert A. Kraft, Lawrence H. Schiffman, Weston W. Fields, 2015-02-04 This volume honors the lifetime of scholarly contribution and leadership of Professor Emanuel Tov Judah L. Magnes professor of Bible at the Department of Bible the Hebrew University of Jerusalem Colleagues from all over the world have contributed significant studies in the three areas of Tov's primary interest and expertise the Hebrew Bible its Greek translations and the Dead Sea Scrolls This Festschrift is a fitting tribute to one of the generation's leading scholars whose dedicated efforts as editor in chief have brought about the complete publication of the Dead Sea Scrolls

The Message of Paul the Apostle within Second Temple Judaism František Ábel, 2019-11-11 Noting that a traditional understanding of Paul as convert from Judaism has fueled false and often dangerous stereotypes of Judaism and that the so called new perspective on Paul has not completely escaped these stereotypes František Ábel has gathered leading international scholars to test the hypotheses of the more recent Paul within Judaism movement Though hardly monolithic in their approach these scholars' explorations of specific topics concerning Second Temple Judaism and Paul's message and theology allow a more contextually nuanced understanding of the apostle's thought one free from particular biases rooted in unacknowledged ideologies and traditional interpretations transmitted by particular church traditions Contributors include František Ábel Michael Bachmann Daniel Boyarin William S. Campbell Kathy Ehrensperger Paula Fredriksen Jörg Frey Joshua Garroway Karl Wilhelm Niebuhr Isaac W.

Oliver Shayna Sheinfeld and J Brian Tucker The Essenes, the Scrolls, and the Dead Sea Joan E. Taylor, 2012-11-16 Ever since the discovery of the Dead Sea Scrolls in caves near the site of Qumran in 1947 this mysterious cache of manuscripts has been associated with the Essenes a sect configured as marginal and isolated Scholarly consensus has held that an Essene library was hidden ahead of the Roman advance in 68 CE when Qumran was partly destroyed With much doubt now expressed about aspects of this view The Essenes the Scrolls and the Dead Sea systematically reviews the surviving historical sources and supports an understanding of the Essenes as an influential legal society at the centre of Judaeae religious life held in much esteem by many and protected by the Herodian dynasty thus appearing as Herodians in the Gospels Opposed to the Hasmoneans the Essenes combined sophisticated legal expertise and autonomy with an austere regimen of practical work including a specialisation in medicine and pharmacology Their presence along the north western Dead Sea is strongly indicated by two independent sources Dio Chrysostom and Pliny the Elder and coheres with the archaeology The Dead Sea Scrolls represent not an isolated library quickly hidden but burials of manuscripts from numerous Essene collections placed in jars in caves for long term preservation The historical context of the Dead Sea area itself and its extraordinary natural resources as well as the archaeology of Qumran confirm the Essenes patronage by Herod and indicate that they harnessed the medicinal material the Dead Sea zone provides to this day

If you ally compulsion such a referred **Flavius Josephus On The Pharisees A Composition Critical Study** books that will allow you worth, get the completely best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are moreover launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections Flavius Josephus On The Pharisees A Composition Critical Study that we will entirely offer. It is not roughly speaking the costs. Its just about what you dependence currently. This Flavius Josephus On The Pharisees A Composition Critical Study, as one of the most dynamic sellers here will certainly be among the best options to review.
