*American Book Publishing Record* ,2007      **The Publishers Weekly** ,1988      *Fasting, Feasting* Anita Desai,2000 Anita Desai has long proved herself one of the most accomplished and admired chroniclers of middle class India Her 1999 novel *Fasting Feasting* is the tale of plain and lumpish Uma and the cherished late born Arun daughter and son of strict and conventional parents So united are her parents in Uma s mind that she conflates their names MamaPapa themselves rarely spoke of a time when they were not one The few anecdotes they related separately acquired great significance because of their rarity their singularity Throughout Desai perfectly matches form and content details are few the focus narrow emotions and needs given no place Uma as daughter and female expects nothing Arun as son and male is lost under the weight of expectation Now in her 40s Uma is at home Attempts at arranged marriages having ended in humiliation and disaster and she is at MamaPapa s beck and call with only her collection of bracelets and old Christmas cards for consolation Uma flounces off her grey hair frazzled her myopic eyes glaring behind her spectacles muttering under her breath The parents momentarily agitated upon their swing by the sudden invasion of ideas sweets parcel letter sweets settle back to their slow rhythmic swinging They look out upon the shimmering heat of the afternoon as if the tray with tea with sweets with fritters will materialise and come swimming out of it to their rescue With increasing impatience they swing and swing Arun in college in Massachusetts is none too happily spending the summer with the Pattons in the suburbs their refrigerator and freezer is packed with meat that no one eats and Mrs Patton is desperate to be a vegetarian like Arun But what he most wants is to be ignored invisible Her words make Arun wince Will she never learn to leave well alone She does not seem to have his mother s well developed instincts for survival through evasion After a bit of pushing about slices of tomatoes and leaves of lettuce in his time in America he has developed a hearty abhorrence for the raw foods everyone here thinks the natural diet of a vegetarian he dares to glance at Mr Patton Desai s counterpointing of India and America is a little forced but her focus on the daily round whether in the Ganges or in New England finely delineates the unspoken dramas in both cultures And her characters capable of their own small rebellions give *Fasting Feasting* its sharp bite Ruth Petrie

John Dee: Interdisciplinary Studies in English Renaissance Thought Stephen Clucas, 2006-06-18 Intellectual History and the Identity of John Dee In April 1995 at Birkbeck College University of London an interdisciplinary colloquium was held so that scholars from diverse fields and areas of expertise could exchange views on the life and work of John Dee Working in a variety of fields intellectual history history of navigation history of medicine history of science history of mathematics bibliography and manuscript studies we had all been drawn to Dee by particular aspects of his work and participating in the colloquium was to confront other narratives about Dee's career an experience which was both bewildering and instructive Perhaps more than any other intellectual figure of the English Renaissance Dee has been fragmented and dispersed across numerous disciplines and the various attempts to reintegrate his multiplied image by reference to a particular world view or philosophical outlook have failed to bring him into focus This volume records the diversity of scholarly approaches to John Dee which have emerged since the synthetic accounts of I R F Calder Frances Yates and Peter French If these approaches have not succeeded in resolving the problematic multiplicity of Dee's activities they will at least deepen our understanding of specific and local areas of his intellectual life and render them more historiographically legible
