Bowyer Bell, 2013-04-03 Based on thousands of interviews over 35 years with the leaders and members of the Republican movement and the IRA itself as well as the Irish British and Americans involved in the Troubles the focus of this study is on the workings of an organization involved in armed struggle **Special Operations Success** James D. Kiras, 2024-10-24 Special Operations Success establishes a new benchmark in military theory in this deeply analytic and innovative work It answers several pressing questions How successful have American special operations been over the past quarter century Are special forces fated to cycles of expansion and misuse Will special forces invariably exceed the authorities granted to them because of they are Is a general theory of special operations feasible given the range of activities and conditions that fall under the category Kiras work is based on two decades of practical teaching and consulting
