The Making of Working-Class Religion Matthew Pehl,2016-09-08

Religion has played a protean role in the lives of America s workers In this innovative volume Matthew Pehl focuses on Detroit to examine the religious consciousness constructed by the city s working class Catholics African American Protestants and southern born white evangelicals and Pentecostals between 1910 and 1969 Pehl embarks on an integrative view of working class faith that ranges across boundaries of class race denomination and time As he shows workers in the 1910s and 1920s practiced beliefs characterized by emotional expressiveness alliance with supernatural forces and incorporation of mass culture s secular diversions into the sacred That gave way to the more pragmatic class conscious religion cultures of the New Deal era and from the late Thirties on a quilt of secular working class cultures that coexisted in competitive though creative tension Finally Pehl shows how the ideology of race eclipsed class in the 1950s and 1960s and in so doing replaced the class conscious with the race conscious in religious cultures throughout the city An ambitiously inclusive contribution to a burgeoning field The Making of Working Class Religion breaks new ground in the study of solidarity and the sacred in the American heartland

Latinos in Michigan David A. Badillo,2003-07-31

The history of Latinos in Michigan is one of cultural diversity institutional formation and an ongoing search for leadership in the midst of unique often intractable circumstances Latinos have shared a vision of the American Dream made all the more difficult by the contemporary challenge of cultural assimilation The complexity of their local struggles moreover reflects far reaching developments on the national stage and suggests the outlines of a common identity While facing adversity as rural and urban immigrants exiles and citizens Latinos have contributed culturally economically and socially to many important developments in Michigan s history

**Detroit Perspectives** Wilma Wood Henrickson,1991 Using primary and secondary sources Wilma

Henrickson assembles a collection of documents related to decisive moments in the history of Detroit and the region spanning the time from before statehood to the present These were turning points for the region life for the residents took a new direction definitely closing off some options while accepting others Some were brought about by accident others were made by conscious decision The consequences of some decisions were immediate others appeared only after the accumulation of years Among Henrickson s recurring themes are the destruction of the environment and its natural beauty the lure of wealth urban expansion and sprawl and civil rights Selections include Lewis Cass position paper on Indian Removal Jorge de Castellanos article of Black Slavery in Early Detroit and excerpts from the writings of historian and mapmaker Silas Farmer

The Pew and the Picket Line Christopher D. Cantwell,Heath W. Carter,Janine Giordano

Drake,2016-03-30 The Pew and the Picket Line collects works from a new generation of scholars working at the nexus where religious history and working class history converge Focusing on Christianity and its unique purchase in America the contributors use in depth local histories to illustrate how Americans male and female rural and urban and from a range of

ethnic backgrounds dwelt in a space between the church and the shop floor Their vivid essays show Pentecostal miners preaching prosperity while seeking miracles in the depths of the earth while aboveground black sharecroppers and white Protestants establish credit unions to pursue a joint vision of cooperative capitalism Innovative and essential The Pew and the Picket Line reframes venerable debates as it maps the dynamic contours of a landscape sculpted by the powerful forces of Christianity and capitalism Contributors Christopher D Cantwell Heath W Carter Janine Giordano Drake Ken Fones Wolf Erik Gellman Alison Collis Greene Brett Hendrickson Dan McKanan Matthew Pehl Kerry L Pimblott Jarod Roll Evelyn Sterne and Arlene Sanchez Walsh    **We Are Left without a Father Here** Eileen J. Suárez Findlay,2015-02-15 We Are Left without a Father Here is a transnational history of working people s struggles and a gendered analysis of populism and colonialism in mid twentieth century Puerto Rico At its core are the thousands of agricultural workers who at the behest of the Puerto Rican government migrated to Michigan in 1950 to work in the state s sugar beet fields The men expected to earn enough income to finally become successful breadwinners and fathers To their dismay the men encountered abysmal working conditions and pay The migrant workers in Michigan and their wives in Puerto Rico soon exploded in protest Chronicling the protests the surprising alliances that they created and the Puerto Rican government s response Eileen J Su rez Findlay explains that notions of fatherhood and domesticity were central to Puerto Rican populist politics Patriarchal ideals shaped citizens understandings of themselves their relationship to Puerto Rican leaders and the state as well as the meanings they ascribed to U S colonialism Findlay argues that the motivations and strategies for transnational labor migrations colonial policies and worker solidarities are all deeply gendered    **Racial Situations** John Hartigan Jr.,2020-10-06 Racial Situations challenges perspectives on race that rely upon oft repeated claims that race is culturally constructed and hence simply false and distorting John Hartigan asserts instead that we need to explain how race is experienced by people as a daily reality His starting point is the lives of white people in Detroit As a distinct minority whites in this city can rarely assume they are racially unmarked and normative privileges generally associated with whiteness Hartigan conveys their attempts to make sense of how race matters in their lives and in Detroit generally Rather than compiling a generic sampling of white views Hartigan develops an ethnographic account of whites in three distinct neighborhoods an inner city underclass area an adjacent debatably gentrifying community and a working class neighborhood bordering one of the city s wealthy suburbs In tracking how racial tensions develop or become defused in each of these sites Hartigan argues that whites do not articulate their racial identity strictly in relation to a symbolic figure of black Otherness He demonstrates instead that intraracial class distinctions are critical in whites determinations of when and how race matters In each community the author charts a series of names hillbilly gentrifier and racist which whites use to make distinctions among themselves He shows how these terms function in everyday discourses that reflect the racial consciousness of the communities and establish boundaries of status and privilege among whites in these areas    **Body Count** William Kienzle,2012-11-13 As regular as the solstice Kienzle

annually provides a new Catholic whodunit inviting the readers to shut out the rest of the world and spend a few absorbing hours watching his venerable alter ego Koesler peel back the layers of a puzzle to plumb the tortured depths of the human soul and elegantly solve a murder Chicago Tribune Bless me Father for I have sinned I killed a priest So begins Father Robert Koesler's fourteenth compelling involvement in a murder mystery Echoing the moral dilemma of William X Kienzle's classic mystery *The Rosary Murders* Father Koesler is bound by the storied seal of the confessional But is he By odd coincidence a new priest in residence Father Nick Dunn overhears the confession and Dunn a product of the modern church contests Father Koesler's need for silence To his further distress Father Koesler discovers that Father Dunn has joined him in his rectory not only to study at the University of Detroit as he had claimed but to apprentice himself to Father Koesler as an amateur detective In the extraordinary confession heard by both priests they learn that the murder of the priest Father John Keating was part of a contract The Detroit Police Department unaware of Father John Keating's fate calls on Father Koesler to aid in finding the missing priest Father Koesler faces the ultimate dilemma He knows that what the police think is a missing persons case actually is a homicide He also knows whodunit but may tell no one More he must keep a tight rein on Father Dunn This page turner is Kienzle at his finest a narrative of murder most foul and most funny
