casts Then her ownership is won by a barbarian from another country With the uncertainty that comes from belonging to a new warlock Serena questions if being tarnished is really worse than being owned by a barbarian and tempts fate by breaking the rules When he looks the other way instead of punishing her she discovers a new world The more she ventures into the forbidden the more she learns of love and a freedom just out of reach Serena longs for both But in a society where women are only ever property hoping for more could be deadly Mine to Spell Cynthia has always hidden from her father s hexes behind her older sister When her family gains independence unheard of for women she s relieved that her days of harsh punishments are over But as her seventeenth birthday approaches the typical age to be sold to a new master death threats endanger her sisters She now faces two options run or meet society s expectations For once Cynthia isn t going to let her older sister shield her from the problem She s going to prove to herself her sisters and society that her family isn t a threat to their traditions She willingly chooses to be purchased by a new master A bold step that takes her somewhere she never thought she would go and to a man she might possibly fall in love with With his help she may just find a way to save her sisters while discovering how to stand up for herself If she lives long enough Mine to Fear Waverly resents being sent home to Evando just as things are getting intense in Chardonia She can t just sit in safety while her friends suffer under oppression and restrictions simply because they are women Upon returning to Chardonia she discovers conditions have degraded faster than she thought possible and her mere presence puts her loved ones in grave danger When the Grand Chancellor calls for a change in laws that threatens the lives of her friends her family and anyone who doesn t comply her only option is to run with both friend and foe As the stakes grow higher with each passing day Waverly must become the leader she s never been or her life and the lives of all those she cares for will be lost Sacrifice of Mine After a ravaging war Bethany and her family are forced to flee to Envado There women are safe from the oppressive rule of male owners When her pursuers draw too close Bethany stays behind to buy her sisters time to escape and she s captured She s turned over to a depraver who tarnishes her Now bald branded and barren she s worth less than the shadow she casts From this lowly place she leads the tarnished to overthrow the Grand Chancellor the man behind Chardonia s oppressive rules against women and the tarnished If they fail to defeat him and his supporters all will be lost Mine to Tarnish Katherine s place is the same as any woman s on the shelf next to the dresses and bolts of cloth When she s sold to a warlock life grows even bleaker Her new owner is as old and rancid as he is cruel driving her to do the unthinkable run Nothing prepared her for being on her own And she s definitely unprepared for the warlocks hunting her down But she must stay one step ahead because if caught the best she can hope for is death
