Fists Of Blood:

Out for Blood Bastion Press,2003-10-05 **Genocides by the Oppressed** Nicholas A. Robins,Adam Jones,2009-05-12

In the last two decades the field of comparative genocide studies has produced an increasingly rich literature on the targeting of various groups for extermination and other atrocities throughout history and around the contemporary world. However the phenomenon of genocides by the oppressed that is retributive genocidal actions carried out by subaltern actors has received almost no attention. The prominence in such genocides of non state actors combined with the perceived moral ambiguities of retributive genocide that arise in analyzing genocidal acts from below have so far eluded serious investigation. **Genocides by the Oppressed** addresses this oversight opening the subject of subaltern genocide for exploration by scholars of genocide ethnic conflict and human rights. Focusing on case studies of such genocide the contributors explore its sociological anthropological psychological symbolic and normative dimensions. **Legend Of Dragon Blood** , Zhenyinfang,2020-02-17
