Fit To Follow A Study Of Discipleship:

Fit to Follow CRC Publications, Dan Vander Ark, 2000 *Fit to Follow* CRC Publications, 2000-12 **Discipleship that Fits** Bobby Harrington, Alex Absalom, 2016-02-09

For far too long the church has tried to make disciples using a one size fits all approach. Some churches advocate 1 on 1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ.

Public Relationships The church gathering corporately for worship. **Social Relationships** Networks of smaller relationships where we engage in mission and live out our faith in community. **Personal Relationships** Small groups of six to sixteen people where we challenge and encourage one another on a regular basis. **Transparent Relationships** Close relationships of three to four where we share intimate details of our lives for accountability. **The Divine Relationship** Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit. Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.

Disciple Fast Track Into the Word Into the World Luke-Acts Study Manual
Richard B. Wilke, Susan Wilke Fuquay, Elaine Friedrich, Julia Kitchens Wilke Trust, 2017-07-18

This 12 week study immerses you in the books of Luke and Acts. *Disciple Fast Track Into the Word Into the World* is an adaptation of the original bestselling *Disciple Bible Study Into the Word Into the World*. The study is ideal for busy people who want to fit an in depth Bible study into their schedule. The study retains the familiar *Disciple* format with its theme word, theme verse, statement of the human condition, daily and weekly assignments, and prayer. *Into the Word* helps readers deepen their understanding of Scripture and make connections between what they already know and what they are reading. Each week you will encounter three spiritual disciplines, learn what they are, and how you can engage those disciplines. The first discipline varies from week to week, then moves into Sabbath and prayer. In every session you commit to how you will respond to Scripture in terms of ministry in the world. *Into the World* identifies some needs in the world for which ministry is needed and suggests possible responses, then invites participants to summarize the scripture message that will shape their ministry and to decide what response and commitment to make to that message. Each week you will be guided in experiencing the gift of Sabbath rest and renewal. Classes meet for a total of 24 weeks studying Genesis, Exodus, and Luke Acts for 12 sessions each. Daily preparation is

manageable with 3 5 chapters of the Bible to read each day **Following the Master** Michael J. Wilkins,2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship Following the Master compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples Following the Master lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers Following Jesus Phillip C.

Thrailkill,2022-10-17 Two questions are braided together in Luke s Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke s Gospel is dense with story after story about Jesus s stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus s original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **Discipleship** Anton Labuschagne,2023-03-28 Are you 100 percent convinced

of the true heart of God who loves you unconditionally unmerited and undeserved Do you have a deep revelation of what the finished work of the cross means and how you can apply that every day to live a victorious life Do you have an intimate relationship with the most important person on earth the Holy Spirit Do you have a clear understanding of what kingdom life entails What does it mean to you that you are positioned in Christ What part do you believe you can play in effectively expanding this powerful kingdom we are a part off The lack of true discipleship undermines everything that we seek to accomplish as believers in this life Many Christians never commit to a growing relationship with the Lord and because of this become unfit to face the challenges in life This book will inspire every believer and give practical guidelines to help discover the significance of our authority and identity in Christ It brings dispensational understanding that allows every child of God

to possess everything which Jesus paid for on the cross After all it makes you fall in love with God all over again **Studies in Hermeneutics, Christology and Discipleship** Richard N. Longenecker,2004 Following the Lamb Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost *The Disciples in the Fourth Gospel* Nicolas Farelly,2010 Revised version of the author's thesis doctoral University of Gloucestershire 2009 *Onward* ,1905

Discipleship James Reapsome,Martha Reapsome,2010-12-01 Readers will explore what it means to be a follower of Jesus by studying two New Testament personalities who demonstrated discipleship **Spiritual Discipleship** J. Oswald Sanders,2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4 7 J B Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture's command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You'll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study **The Making of a Disciple** Edward W. Watson,Martin M. Culy,2021-09-02 Modern readers sometimes view the Gospels and other biblical narratives as mere historical accounts of events that occurred long ago Biblical narratives however are intended to do far more than teach us history They are intended to change how we think and how we live In *The Making of a Disciple* Watson and Culy use insights from narrative criticism to show that the message of the Gospel of John is communicated not only through the teachings and deeds of Jesus but also through the actions of the other main characters and the consequences of their actions As readers observe characters interacting with Jesus they are implicitly encouraged to either emulate or avoid their behavior Coupled with the teachings and acts of Jesus these characters serve as potent tools in

the Gospel of John to showcase what it looks like not only to become a disciple of Jesus but also to grow to maturity and experience the fullness of joy that Jesus offers **How to Disciple Men (Short and Sweet)** The National Coalition of Ministries to Men, 2017-09-01 **Discipleship in a Digital Age** Emmanuel Elendu, 2017-07-03 Discipleship in a Digital Age is an inspired spiritual and Christian lifestyle guidebook that exhorts present day believers to rekindle a spirit of mentorship and discipleship such that the church can become strengthened in a day where direction and leadership is often lacking WestBow Editorial Review Discipleship in a Digital Age aims at teaching or instructing Christians to personal and practical ways of living for the Lord daily in a digital age It is a discovery a talent hunt that laces traditional discipleship blueprints with the reality of today's demanding moments of technology and Internet It uses the basic tenets of discipleship to model the Christian man's approach to life in the face of our changing culture it emphasizes the need for mentoring training and sustainable weaning and learning in the wake of Christian engagement without due process to ministry assignment

Following Jesus Christ John K. Goodrich, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R Schreiner The Southern Baptist Theological Seminary The Meaning of "Make Disciples" in the Broader Context of the Gospel of Matthew Lindsay D. Arthur, 2022-05-09 Students of the Bible are generally comfortable with their understanding of the command make disciples Matt 28 19 Indeed most of them would argue that the Gospel writer Matthew spells out very clearly the meaning of the term in the Great Commission Matt 28 16 20 by utilizing three key words viz go ing baptizing and teaching This point of view is the result of centuries of scholarly opinion that has looked primarily if not solely to these three adjacent participles of make disciples Matt 28 19 and not to the entire Gospel of Matthew for the meaning of the command This book does not suggest that going baptizing and teaching are not to be considered in determining the essence of Christian disciple making Rather it contends that the three terms should not be our only source of meaning This problem is tackled herein by demonstrating that Matthew establishes a framework

within the Great Commission itself that points to a fuller meaning of make disciples in the broader context of his Gospel and that the Gospel writer expects his reader to draw on his entire Gospel to grasp the full meaning of this important command

Colleges that Encourage Character Development, 1999 Disciple Making in a Culture of Power, Comfort, and Fear Matthew T. Dickerson, 2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ s command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul s Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson s own experiences in disciple making ministry on college campuses and his local church Dickerson s writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years
