Five Lanterns At Sundown Evangelism In A Chastened Mood:

Five Lanterns at Sundown Alfred C. Krass, 1978 *Evangelism and the Openness of God* Vaughn W. Baker, 2012-12-18 In *Evangelism and the Openness of God* Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God's kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God's genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism *Planning Strategies for World Evangelization* Edward R. Dayton, David A. Fraser, 2003-12-24 We believe God has given his church some new insights into how to think about reaching the hidden and unreached peoples That is what this book is about *The Negro's Church* Benjamin E. Mays, 2015-08-04 Benjamin E Mays 1894 1984 was President and Professor Emeritus of Morehouse College *Evangelism and Social Action* Ronald J. Sider, 1993 *Evangelizing Neopagan North America* Alfred C. Krass, 2001-03-01 **Good News and Good Works** Ronald J. Sider, 1999-03-01 Concerned to promote an authentic biblical faith this book suggests ways to combine evangelism with social action for effective witness in today's world *The Book of Church Growth* Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't *Exploring Church Growth* Wilbert R. Shenk, 2010-08-01 During the past twenty years the phenomenon of church growth especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission Fuller Theological Seminary has resulted in an impressive array of books articles reports and theses While freely acknowledging their debut to the church growth school the contributors to this volume wish to explore further the premises principles and goals of church growth Firmly convinced that church growth is more than empirical data and effective methods and that there is nothing approaching a complete book of church growth they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry historical experiential methodological and theological Thus while interacting with previous studies the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns Contributors to this volume include Alfred C Krass Harvie M Conn Orlando E Costas John H Yoder Harry R Boer and C Ren Padilla *Transforming Mission: Paradigm Shifts in Theology of Mission* David J. Bosch, 2011 David Bosch's *Transforming Mission* now available in over a dozen languages is widely recognized as an historic and magisterial contribution to the study of mission Examining the entire sweep of Christian tradition he shows how five paradigms have historically encapsulated the Christian understanding of mission and then outlines the characteristics of an emerging postmodern paradigm dialectically linking the transcendent and imminent

dimensions of salvation In this new anniversary edition Darrel Guder and Martin Reppenhagen explore the impact of Bosch's work and the unfolding application of his seminal vision God So Loves the City Charles E. Van Engen, Jude Tiersma, 2009-08-01 From the explosive contexts of Nairobi Mexico City Los Angeles and Madras burst fresh insights on the mission of the church for the city Jude Tiersma and Charles Van Engen worked closely with an international team of experienced urban practitioners to explore the most urgent issues facing those who minister in today's cities From each particular urban setting a team member contributed a story from ministry in the city Each story uniquely illustrates a different challenge of urban ministry in the face of injustice marginalization and urban structures This book brings you these stories then retells them in light of Scripture introducing new hope to each one From these stories emerge new ideas about the nature of cities and how to practice ministry in them The new methodology employed by Van Engen and Tiersma's team leads us in the first steps toward a theology of mission for the city God So Loves the City is a must for pastors seminary students missiologists congregation members and all who are concerned about urban ministry

The Church Between Gospel and Culture George R. Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices

Mision en el camino Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta años el nfasis sobre la prctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teología de la misión Sin embargo en las últimas décadas teólogos y misioneros de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teológicas que fundamentan la obra misionera En Misión en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teología de la misión Charles Van Engen en este volumen aborda numerosos temas misionológicos centrales Examina la cuestión de construir teologías en contextos específicos tales como en la ciudad También nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el carácter único de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad están teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovación de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros días Explora los roles cambiantes de misioneros y ministros en iglesias jóvenes y levanta preguntas difíciles relacionadas con la unidad de la iglesia en medio de su proliferación diversidad y fragmentación de carácter global Son de excepcional valor la manera en que Van Engen traza la historia de la discusión

reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliográficas que nos presenta para más estudio. Igualmente importantes son las repuestas que l ofrece a estas cuestiones respuestas que nos ayudan a movernos más allá de los caminos sin salida que tanto caracterizan nuestro pensamiento actual. Tomado del Pr logo escrito por Pablo Hiebert Announcing the Reign of God Mortimer Arias, 2001-01-22 In *Announcing the Reign of God* Mortimer Arias proposes that the time has come to recover in its fullness the biblical perspective of the kingdom for the mission of the church today and particularly for our evangelistic witness Write the Vision Wilbert R. Shenk, 2001-05-16 Shenk contends that the engagement of the church with modern Western culture resulted in the marginalization of Christian faith and the undermining of the church's integrity. He maintains that when the church of the West is renewed it will be a church of integrity and a clear sense of mission to its own culture God's Missionary People Charles E. Van Engen, 1991-09 A world claiming the theology of the church draws on ancient and modern thoughts. The author focuses on how the church can grow to become in reality God's missionary people **With Ever Joyful Hearts** J. Neil Alexander, Marion J. Hatchett, 1999 The occasion of Dr Hatchett's thirtieth anniversary as professor of liturgics and church music at the School of Theology of the University of the South is being celebrated with this stimulating collection of essays by an international cadre of authors *The Secular Saint* Robert E. Webber, 2004-03-26 Recognizing the need for an evangelically oriented book to guide believers dealing with the issue of Christianity's relation to society, educator Robert Webber has developed a unique approach to this subject that gives clear solutions to the Christ culture problem from both a biblical and historical point of view. The biblical material in *The Secular Saint* presents the social, moral, and cultural concerns of the Judeo-Christian heritage. The historical material then shows how the church in history has either separated from its culture, identified with it, or attempted to transform it. On the basis of these three historical models, Webber argues that there is more than one way for the Christian to live in a responsible relationship with the world. This is a book of principles, not a how-to guidebook. As the author states, "My purpose is not to deal with contemporary problems themselves but to give the reader the biblical and historical tools needed to understand and deal with modern issues." **Let the Earth Rejoice** William Dyrness, 1998-06-16 Is there any relation between the Christian hope and human hopes and aspirations? Does the wish for a better life have no relation to the salvation God offers to all people? This book attempts to address these questions as a whole by way of an essay in biblical theology. It seeks to respond to the fundamental issue: what is the biblical view of God's mission in the world? It may be that Scripture approached on its own terms without some preconception about what the church has always believed about evangelism will clarify the issues. For in Scripture God is obviously interested in the whole person embedded as he or she is in the whole of creation and inserted in a particular history *Conversion in the New Testament* Richard Peace, 1999 A landmark work in the study of conversion. With the tools of scholarship and as a seasoned practitioner, Richard Peace explores the New Testament understanding of the turning points of conversion from the night of our captivities to the light of Christ into the church and out to the neighbor in

need Our contemporary efforts in evangelism have much to learn from this full orb view of conversion Gabriel Fackre on back cover
