The Provincial Lady Complete Series - All 5 Novels With Original Illustrations: The Diary of a Provincial Lady, The Provincial Lady Goes Further, The Provincial Lady in America, The Provincial Lady in Russia & The Provincial Lady in Wartime E. M. Delafield, 2024-01-08 E M Delafield's The Provincial Lady Complete Series offers a captivating glimpse into the life of an early 20th century Englishwoman through a series of witty and observant diaries. The five novels including The Diary of a Provincial Lady and The Provincial Lady in Wartime employ a distinctive humorous literary style that blends sharp social commentary with charming domestic anecdotes. Set against a backdrop of post Edwardian societal shifts, these works not only entertain but also subtly critique the class structures and gender roles of the time, illustrating the joys and tribulations of provincial life with enduring relevance. E M Delafield, whose real name was Edme Elizabeth Monica, drew upon her own experiences and observations as a woman navigating the complexities of provincial existence in England. A prolific writer and editor in her own right, Delafield's insights into domesticity, motherhood, and the absurdities of social expectations inform her storytelling, giving the Provincial Lady a relatable yet singular voice. Her background in journalism and literature equips her narratives with sharp wit and an astute understanding of human nature. This delightful series is a must-read for anyone interested in the intersections of humor, gender, and social commentary within the literary canon. Delafield's keen eye for detail and engaging prose ensures that readers will find both entertainment and poignant reflections on life's intricacies in every page. Whether you are revisiting these stories or encountering them for the first time, the complete series promises an enriching experience.

*Irish Novels 1890-1940* John Wilson Foster, 2008-02-21 Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama. Attempting to fill a large critical vacancy, *Irish Novels 1890-1940* is a comprehensive survey of popular and minor fiction, mainly novels published between 1890 and 1922, a crucial period in Irish cultural and political history. Since the bulk of these sixty odd writers have never been written about, certainly beyond brief mentions, the book opens up for further exploration a literary landscape hitherto neglected, perhaps even unsuspected. This new landscape should alter the familiar perspectives on Irish literature of the period, first of all by adding genre fiction: science fiction, detective novels, ghost stories, New Woman fiction, and Great War novels to the Irish syllabus; secondly, by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction. Among the popular and prolific female writers discussed are Mrs J H Riddell, B M Croker, M E Francis, Sarah Grand, Katharine Tynan, Ella MacMahon, Katherine Cecil Thurston, W M Letts, and Hannah Lynch. Indeed, a critical inference of the survey is that if there is a discernible tradition of the Irish novel, it is largely a female tradition. A substantial postscript surveys novels by Irish women between 1922 and 1940 and relates them to the work of their female antecedents. This ground-breaking survey should also alter the familiar perspectives on the Ireland of 1890-1922. Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question. After the Irish Literary Revival and creation of the Free

State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland      **The Military Novel** Russell S.
