Morgan, 2010-10-01 Change your life from Genesis 1:1 to Revelation 22:20 With the immediacy of Internet searches and ease of handheld devices the custom of memorizing Scripture may not seem necessary but best selling author Robert J Morgan makes an airtight case for reviving this rewarding practice in *100 Bible Verses Everyone Should Know by Heart* It's vital for mental and emotional health and for spiritual well being he writes It's as powerful as acorns dropping into furrows in the forest It allows God's words to sink into your brain and permeate your subconscious thoughts It saturates the personality satiates the soul and stockpiles the mind It changes the atmosphere of every family and alters the weather forecast of every day In a series of brief opening chapters Morgan prepares us for this new old way of thinking and then presents his experienced list of 100 crucial verses providing sidebar notes quotes and memorization tips for each Extra pages are included to add your favorite verses extending this life changing exercise and memorization habit Rob Morgan never disappoints me His books do what a good book should do make you think about life from a new and fresh perspective David Jeremiah New York Times best selling author **The Christian Leader**, 1926 *The Preacher's Portrait* John Stott, 2017-11 What this book is concerned with are the words used in the New Testament to describe preachers and the task of preaching from author's preface Evangelical Spirituality James McMillan Gordon, 2006-07-10 Of the twenty two Evangelicals who have been studied some have been so widely influential that they are obvious inclusions others though less prominent are still remembered while a few are all but forgotten Selection was controlled by several considerations The period covered spans from the eighteenth century Revival to the present day Figures are included from only Britain and America The aim throughout has been to provide an appreciative exposition of Evangelical spirituality with some evaluative comment In Evangelicalism there is extraordinary diversity in spiritual experience doctrinal emphasis and personal temperament to the enrichment of the whole Church It has its share too of weaknesses blind spots and inner tensions But judged by its best representatives some of them to be found in this book the Evangelical spiritual tradition is a continuing witness to the power of the gospel and the mission of the Church from the Preface **William Grimshaw, 1708-1763** Frank Baker, 1963 **The Encyclopedia Britannica** James Louis Garvin, Franklin Henry Hooper, Warren E. Cox, 1929 *Encyclopaedia Britannica*, 1929 **Charles Simeon** Zack DiPrima, 2025-09-18 When Charles Simeon 1759-1836 arrived at Cambridge in the late 1770s the evangelical movement had limited institutional influence on the Church of England By his death in 1836 it is estimated that a third of Anglican pulpits were evangelical Simeon himself mentored over 1,100 ministers over the course of his lifetime which indelibly shifted the course of evangelicalism in the Church of England But what made Simeon such a mammoth figure in evangelicalism This book argues it was his pastoral theology Simeon's impact was not only profound but also distinct from that of his evangelical peers in the long eighteenth century He tirelessly gave his life to training young ordinands in a period when the vast majority

of England's ministers were educated in Cambridge and Oxford. By staying local and exemplifying an extraordinary commitment to ordinary ministry, he marshalled a multitude of zealous men ready to follow his model. Thus, he profoundly marked the Church of England and the world. In order to reach people outside his parish, he molded pastors, and in order to train pastors, he cared for the people within his parish.

**The Christian Slaves of Depok** Nonja Peters, 2021-07-28. This book recounts the little-known history of Cornelis Chastelein, a high-ranking official of the Dutch East India Company, and the 150-200 slaves he purchased from slave markets around South East Asia to work his landed estates in the Batavian Jakarta hinterlands. It traces the making and unravelling of his dream to create a self-sustaining Christian community of freed slaves in the midst of a Muslim stronghold. To this end, on his death on 28 June 1714, he freed most of his slaves and bequeathed those who had embraced Christianity his 1244-hectare Depok estate in collective ownership. The book isolates behaviours and events that influenced these Depokers' lives after Chastelein's death, such as endogamy, religion, war, revolution, and diaspora. Its main characters are the missionaries bent on Depokers' Dutchification, the Japanese invaders who demand obedience to their Asia for the Asians' thinking, and the Indonesian Pemuda freedom fighters who insist Depokers throw their weight behind the Independence movement. Enslavement made Depokers in-betweeners. In the Netherlands, they were considered Indonesian, and the Dutch, to whom they thought they belonged, painfully excluded them. Following the transfer of sovereignty, the Republic of Indonesia confiscated the rice fields of those that stayed and labelled them *Belanda Depok* (black Dutch). The history of the Depokers is a tale of survival in the face of adversity that takes in the dying embers of the Netherlands East Indies and the birth of Indonesia.

**Leadership Formation in the African Context** Samuel Deressa, 2022-03-25. The teachings of Christian leadership have been dominated by a focus on the influence of a leader on its followers. Samuel Deressa's new book *Leadership Formation in the African Context* highlights how an African concept of community and holistic approach to ministry provides a biblically sound approach to understanding leadership formation and practice in this new age. This book links the issue of missional leadership with the life of the congregation. It provides theological and practical insights into how we can understand leadership formation in contexts where churches are engaged in the *Missio Dei* as a community of believers.
