## Five Evangelical Leaders:

**Five Evangelical Leaders** Christopher Catherwood, 1994 Covers Martyn Lloyd Jones John Stott Francis Schaeffer J I Packer and Billy Graham five men who have helped shape modern evangelical Christianity and given it credibility and relevance in the 20th century The author was able to interview either the men themselves or their close associates during the period in which he was researching in preparation for the writing of this book *27 Servants of Sovereign Joy* John Piper, 2022-09-02 From Bestselling Author John Piper 27 Biographies of Notable Figures from Church History including Augustine John Calvin and Martin Luther Throughout church history the faithful ministries of Christian leaders though full of struggle sin and weakness have magnified the worth and majesty of God Their lives and teachings are still profoundly relevant Their voices live on in the stories we read and tell today In this book John Piper celebrates the lives of 27 such leaders from church history offering a close look at their perseverance amidst opposition weakness and suffering Let the resilience of these faithful but flawed saints inspire you toward a life of Christ exalting courage passion and joy Written by Best Selling Author John Piper The author of more than 50 books including *Desiring God* *Don't Waste Your Life* *Providence* *The Supremacy of God in Preaching* *Expository Exultation* and *Why I Love the Apostle Paul* Short Biographies of 27 Inspiring Figures from Church History Features short biographies of Augustine John Calvin John Bunyan Martin Luther John Newton William Wilberforce and more Updated from 21 *Servants of Sovereign Joy* Includes new chapters about Martyn Lloyd Jones Jonathan Edwards Bill Piper J C Ryle Andrew Fuller and Robert Murray McChesney **The Evangelicals** Frances FitzGerald, 2017-04-04 Winner of the 2017 National Book Critics Circle Award National Book Award Finalist Time magazine Top 10 Nonfiction Book of the Year New York Times Notable Book Publishers Weekly Best Books of 2017 This epic history The Boston Globe from Pulitzer Prize winning historian Frances FitzGerald is the first to tell the powerful dramatic story of the Evangelical movement in America from the Puritan era to the 2016 election We have long needed a fair minded overview of this vitally important religious sensibility and FitzGerald has now provided it The New York Times Book Review The evangelical movement began in the revivals of the eighteenth and nineteenth centuries known in America as the Great Awakenings A populist rebellion against the established churches it became the dominant religious force in the country During the nineteenth century white evangelicals split apart first North versus South and then modernist versus fundamentalist After World War II Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent but the civil rights movement and the social revolution of the sixties drove them apart again By the 1980s Jerry Falwell and other southern televangelists such as Pat Robertson had formed the Christian right Protesting abortion and gay rights they led the South into the Republican Party and for thirty five years they were the sole voice of evangelicals to be heard nationally Eventually a younger generation proposed a broader agenda of issues such as climate change gender equality and immigration reform Evangelicals now constitute twenty five percent of the American population but they are no longer

monolithic in their politics They range from Tea Party supporters to social reformers Still with the decline of religious faith generally FitzGerald suggests that evangelical churches must embrace ethnic minorities if they are to survive A well written thought provoking and deeply researched history that is impressive for its scope and level of detail The Wall Street Journal Her brilliant book could not have been more timely more well researched more well written or more necessary The American Scholar

*The Evangelicals* Christopher Catherwood,2010 An overview of the global evangelical Christian movement including its historical roots doctrinal distinctives current strength influence in politics and society and teaching about the future

**The John MacArthur Handbook of Effective Biblical Leadership** John MacArthur,2019-04-02 An overseer must be above reproach 1 Timothy 3 2 Scripture holds leaders and teachers of the Word to an incredibly high standard And for good reason Shepherding God's people into salvation and spiritual growth is an enormous responsibility Even more now than ever today's church needs leaders who faithfully proclaim the Word of God and equip believers to live it out But great leaders need great role models Bestselling author John MacArthur has compiled from the internationally renowned Shepherd's Conference the best ever messages for Christian leaders now available in a single volume Alongside MacArthur's candid instructive writings you'll find the works of other proven ministry leaders including John Piper Steven Lawson RC Sproul Ligon Duncan and Al Mohler Whether you're a pastor elder or leader in your church or you desire to be more effective in your spiritual leadership this book will help you learn how to guide others with integrity and conviction deliver God's Word with passion and power accurately interpret and apply God's Word When you accept the challenge to be a leader who follows God's standard both in ministry and personally you will become better equipped to fulfill your calling to lead with excellence

**Stott on the Christian Life** Tim Chester,2020-05-07 John Stott was a twentieth century pastor theologian widely hailed for his heart for missions and expository preaching Even today Stott's legacy continues to influence churches around the world As both a faithful preacher and a thoughtful writer Stott profoundly shaped evangelicalism's contemporary understanding of Christianity through an approach to the Christian life founded on the word shaped by the cross and characterized by the pursuit of Christlikeness in every area of life Tim Chester invites a new generation of readers to experience the Christian life as John Stott envisioned it not simply a theological puzzle to be solved but the daily practice of humble service and compassion found in the gospel of Jesus Christ

*Between God & Green* Katharine K. Wilkinson,2012-04-01 Despite three decades of scientists warnings and environmentalists best efforts the political will and public engagement necessary to fuel robust action on global climate change remain in short supply Katharine K Wilkinson shows that contrary to popular expectations faith based efforts are emerging and strengthening to address this problem In the US perhaps none is more significant than evangelical climate care Drawing on extensive focus group and textual research and interviews *Between God Green* explores the phenomenon of climate care from its historical roots and theological grounding to its visionary leaders and advocacy initiatives Wilkinson examines the movement's reception within the broader

evangelical community from pew to pulpit She shows that by engaging with climate change as a matter of private faith and public life leaders of the movement challenge traditional boundaries of the evangelical agenda partisan politics and established alliances and hostilities These leaders view sea level rise as a moral calamity lobby for legislation written on both sides of the aisle and partner with atheist scientists Wilkinson reveals how evangelical environmentalists are reshaping not only the landscape of American climate action but the contours of their own religious community Though the movement faces complex challenges climate care leaders continue to leverage evangelicalism's size dominance cultural position ethical resources and mechanisms of communication to further their cause to bridge God and green

### **The Great Reformer**

Austen Ivereigh, 2014-11-25 A biography of Pope Francis that describes how this revolutionary thinker will use the power of his position to challenge and redirect one of the world's most formidable religions An expansive and deeply contextual work at its heart The Great Reformer is about the intersection of faith and politics the tension between the pope's innovative vision for the Church and the obstacles he faces in an institution still strongly defined by its conservative past Based on extensive interviews in Argentina and years of study of the Catholic Church Ivereigh tells the story not only of Jorge Mario Bergoglio the remarkable man whose background and total commitment to the discernment of God's will transformed him into Pope Francis but the story of why the Catholic Church chose him as their leader With the Francis Revolution just beginning this biography will provide never before explained context on how one man's ambitious program began and how it will likely end through an investigation of Francis's youth growing up in Buenos Aires and the dramatic events during the Peron era that shaped his beliefs his ongoing conflicts and disillusionment with the ensuing doctrines of an authoritarian and militaristic government in the 1970s how his Jesuit training in Argentina and Chile gave him a unique understanding and advocacy for a Church of the Poor and his rise from Cardinal to the papacy

'Discerning the Obedience of Faith' David Parker, 2018-05-10

The Theological Commission of the World Evangelical Alliance formerly World Evangelical Fellowship was established in 1974 but its origins go back to 1968 when the inspiration of Scripture was under intense discussion in a meeting of the WEF in Lausanne Switzerland This book tells the story of how at that meeting New Zealand missionary theologian Bruce J Nicholls then working in India gave a stimulating paper on theological issues involved in the growth of Christian witness in Asia which resulted in the recognition of a need for organised efforts to promote theological reflection After a pilot program the TC was formed and went on to harness the best evangelical theological life around the world to develop higher standards of theological education provide direction on key issues through many conferences books and journals and to help the WEA present the evangelical voice on important platforms This volume marks forty years of activity and shows how the Theological Commission under its vision of discerning the obedience of faith makes a unique contribution to evangelical life and witness around the world

*The Trump Card* Mark Burns, 2022-01-04 You can't fight racism with racism After reading this book I will understand what is happening behind the scenes as the media and critical race theorists try to tear our nation

apart I will be able to stand up for conservative policies that will promote racial healing and unity for America The mainstream media critical race theorists and the Black Lives Matter movement are working to divide Americans not unite us In this provocative book Pastor Mark Burns an outspoken conservative and longtime Trump surrogate exposes How the mainstream media is helping create racial division The money hungry Marxists behind the Black Lives Matter movement The dangers of critical race theory Why Trump s policies are good for all Americans including Black Americans How he stopped playing the race card Why the church must speak out against a racially divisive narrative Burns argues that the way to heal a racially divided nation and save America is not with the racist status quo policies of Joe Biden and the Democrats but with the conservative strategies that Trump has proven work policies that promote Martin Luther King Jr s vision for an America where people are not judged by the color of their skin but by the content of their character The colors that matter most are not black and white but red white and blue

**Leadership Peruvian Style** Tim McIntosh,2012-01-05 Leadership across cultural borders is the new frontier in leadership studies Increased globalization means leaders are dealing with a variety of cultures in and out of their own countries Leaders must be experts in understanding what cultural dimensions mean for being effective outside their own comfort zone Americans in particular are often ill equipped to understand the cultural complexities for international leadership In *Leadership Peruvian Style* author Tim McIntosh addresses how Peruvians define and practice leadership providing a model to assist the cross cultural worker in understanding leadership in both the home and host cultures McIntoshs findings are based in an empirical study conducted in 2008 that featured focus groups composed of Peruvian citizens The study results described in *Leadership Peruvian Style* are not only important for those working in Peru and other parts of Latin America but also give insight into how to analyze the leadership profile of a particular culture and in turn make adjustments in order to be more effective Through this analysis McIntosh who has spent twenty seven years in leadership in Peru has contributed to the raising up of a new generation of effective leaders in Latin America

*Responsibility to Protect* R. Cooper,J. Voïnov Kohler,2009-01-05 In 2005 the international community unanimously endorsed a revolutionary norm that has the potential to end genocide and other atrocity crimes in our time Despite its endorsement at the highest political level and the general feeling of the American public that something needs to be done to prevent and stop atrocity crimes the Responsibility to Protect R2P is very much absent from public thinking and the political agenda in the United States Written by a stellar cast of authors this book informs the public and leadership about R2P and its potential It will also influence the academic community and political debates by providing crucial insights on how to move R2P from rhetoric to action

*The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5* Hughes Oliphant Old,2004 *The Reading and Preaching of the Scriptures in the Worship of the Christian Church* is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 *The Biblical Period* Old begins his survey by discussing the roots of the Christian ministry

of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen

**John Stott on Creation Care** R.J. (Sam) Berry, Laura Yoder, 2021-10-21 Discover John Stott's writings on creation care brought together for the first time in this definitive collection for the global church Compiled by R J Sam Berry and Laura Yoder this brilliant anthology demonstrates both Stott's passion for the environment and its place in Christian discipleship Showcasing his unique way of explaining the Bible simply and clearly John Stott on Creation Care traces Stott's own process of coming to embrace creation care as a vital part of the Christian life and in turn shows us how creation care must have an integral place in our own discipleship Commentary by noted scientist R J Sam Berry connects Stott's writings together and illuminates how his wisdom still speaks to us today Alongside reflections from others that Stott inspired and discipled John Stott on Creation Care is the perfect resource for every Christian looking to understand biblical teaching on the environment and how creation care should form part of their discipleship It is also an ideal biblical and theological resource for those involved in creation care ministry Published as part of the John Stott Centenary celebrations proceeds from John Stott on Creation Care will go to A Rocha International a charity that carries community based conservation projects in response to biodiversity loss around the world John Stott viewed creation care as an inevitable implication of the biblical message and as a grounding for Christian engagement in environmental commitments This collection will give you a deeper more thorough understanding of his writings and how his views developed and will leave you motivated and inspired to look again at your discipleship and how you approach creation care

**The Good Work of Non-Christians, Empowerment, and the New Creation** Stuart C. Weir, 2016-04-25 Have you ever considered the ultimate purposes and consequences of good work performed by non Christians Have you ever theologically considered the work of non Christians at all Is it possible that God would ever give credence to let alone honor the work of non Christians in an ultimate sense Are you frustrated by theologies of work that are entirely protological in orientation How do we make sense of biblical excerpts that talk of work being judged towards a particular outcome The Good Work of Non Christians Empowerment and the New Creation attempts to answer these questions in a manner that also challenges evangelical assumptions about the ultimate outcomes of working life Drawing strength from eschatologically minded theologies by Miroslav Volf and Darrell Cosden Weir seeks to replace protology with eschatology in a theology of work about non Christians The British evangelical tradition is specifically taken up here so as to make critical assessments of certain airtight theologies regarding human action with reference to the new creation This book attempts to create a heuristic against unhelpful hermeneutical tendencies that inform evangelical theologies This is a work that is not only theological it is biblically historically and ethically rigorous

*God, Trump, and the 2020 Election* Stephen E. Strang, 2020-01-14 From the best selling author of *God and Donald Trump* which was brandished by the president at the World Economic Forum in Davos What's at stake in this election EVERYTHING In 2016 God raised up

Donald Trump to lead America at a pivotal time Evangelicals who recognized this backed him more than any other presidential candidate in history Heading into 2020 the stakes in his reelection are even higher This election nine months after this book releases is a new fight for the soul of America Stephen E Strang makes the case that God wants America to be great because God has raised up America beginning with our Founding Fathers to be a beacon of light and hope for the world We've been the nation with religious liberty that has supported those who have spread the gospel around the world In this book Strang looks at the election Trump and America from a spiritual perspective and helps Christians and others see God's hand at work This book is as much about God and His purposes as about Donald Trump But it is also an articulate impassioned apologetic about why all Christians must support this imperfect president because he has God's blessing and because the destiny of America is riding on his reelection This book also explores why he might lose if his base is overconfident and doesn't vote or if his opponents are dishonest enough to steal the election God Trump and the 2020 Election is an inside look at how the political climate is affected by spiritual warfare an important subject for Bible believing Christians The satanic schemes are so brazen on key issues that the book was written to explain what's at stake Strang believes that the intersection of faith and politics needs to be part of the national discussion about the division in our country

Other Books By Stephen E Strang *God and Donald Trump* 2017 ISBN 13 978 1629994864 *Trump Aftershock* 2018 ISBN 13 978 1629995557 *Jimmy Carter, the Politics of Family, and the Rise of the Religious Right* J. Brooks Flippen, 2011-03-15 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by *Roe v Wade* feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

**The Theology of the Christian Life in J.I. Packer's Thought** Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer's theology of the Christian life Packer has

achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology

*John Stott* Edward L. Smither, 2023-12-19 Remembered as a pastor Bible teacher writer and ambassador for global mission John Stott 1921 2011 was also an early innovator of encouraging global missional theology Through his involvement in the Lausanne Movement and other global networks he made room at the table for majority world Christians and theologians to speak to matters of developing global theology Through his innovative work with Langham Partners he provided resources for global pastors to be trained in theology and a platform for global theologians to publish their work Ultimately he encouraged global theologians to forge their own theology **Independents Day** Lou Dobbs, 2007-11-06 From The New York Times bestselling author of War on the Middle Class a powerful look at the critical issues facing America on the eve of the 2008 Presidential election With up to a million viewers each day Lou Dobbs Tonight has become one of the most popular news programs in the nation Now Dobbs whose last book War on the Middle Class captured the plight of working Americans asks the question What has happened to the American dream By examining the disastrous public policy choices that have eroded individual liberties reduced workers rights and pay and led our nation into division at home as well as into conflict around the world Dobbs charts a determined course that will restore the fundamental equality of rights and opportunity for all Americans In a time of acute political turmoil this is a book of vital importance from a revered independent
