*Davis vs. Murder, Inc.* Ron Ross, 2007-04-01 A tough kid with a heart of gold Al Bummy Davis grew up in the streets of Brownsville New York on the fringes of the Jewish mob during the 20's and 30's thanks to his older brother a feared racketeer But as much as he resisted the underworld of Murder Inc by becoming a championship fighter and a Brownsville hero he never did escape the Jewish Mob's shadow Though he repeatedly stood up to mob kingpins Bummy suffered a

spectacular fall from grace as a result of a smear campaign by the press Ron Ross Bummy Davis vs Murder Inc is not just about one Jewish boxer his meteoric rise to fame and victimization by the press Bummy's life was intertwined with the Great Depression the survival of the Brooklyn Jewish immigrant population during Prohibition and the inevitable offshoot of Prohibition Murder Inc one of American history's most notorious band of killers Ron Ross portrays an important historical time period an enigmatic Jewish subculture and the surprising juxtaposition of a generation of Jews and their talent for boxing Bummy Davis vs Murder Inc features a cast of colorful villains whom you'll love to hate a boxing legend who was the unwitting pawn of fate and the human drama of the boxing world With his vivid street smart Damon Runyonesque writing style Ron Ross redeems a tragic hero who fought the pull of one of the most brutal groups of killers to grace the twentieth century

*The Exceptions - Unknown* Marcus Lorenzo, 2019-10-25 Sean and Abigail are forced orphans after their parents were killed by a government team whose sole purpose is to hunt down exceptions and force them to join the team or die Exceptions derived from government testing to make super soldiers After the many wars ended the government began to release the soldiers that they believed didn't carry the gene in which they were injected with But in some it laid dormant As time went on the gene was passed on to younger generations who showed extraordinary abilities in a post apocalyptic world where only a few cities survived Sean and Abigail are two of many the gene was passed down to But not only one gene was passed to them They are put into hiding to hone their abilities until they are ready to strike those who took their parents from them As they grow in age and skill they decide to act separately upon revenge Along the way they meet allies to join the fight until they meet once again Together nothing will stop them They will have their revenge

**Ultimate Sacrifice** Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews Ultimate Sacrifice re creates and in many ways rewrites the crucial period of our history leading up to November 22 1963 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy Ultimate Sacrifice details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA's code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously

pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK s assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams

Friedrich Dürrenmatt Friedrich Dürrenmatt,2023-06-27 These translations of Friedrich Dürrenmatt s plays introduce the writer to a new generation of readers The Swiss writer Friedrich Dürrenmatt 1921-90 was one of the most important literary figures of the second half of the twentieth century During the years of the cold war arguably only Beckett Camus Sartre and Brecht rivaled him as a presence in European letters Yet outside Europe this prolific author is primarily known for only one work The Visit Dürrenmatt s concerns are timeless but they are also the product of his Swiss vantage during the cold war his key plays gathered in the first volume of Selected Writings explore such themes as guilt by passivity the refusal of responsibility greed and political decay and the tension between justice and freedom In The Visit for instance an old lady who becomes the wealthiest person in the world returns to the village that cast her out as a young woman and offers riches to the town in exchange for the life of the man now its mayor who once disgraced her Joel Agee s crystalline translation gives a fresh lease to this play as well as four others The Physicists Romulus the Great Hercules and the Augean Stables and The Marriage of Mr Mississippi Dürrenmatt has long been considered a great writer but one unfairly neglected in the modern world of letters With these elegantly conceived and expertly translated volumes a new generation of readers will rediscover his greatest works

**No Haven** Paul Bleakley, 2024-09-03. With Boston to the north and New York City to the south, Connecticut's history of organized crime is often overlooked. This is the untold story of New Haven's illegal past. One of America's most historic and enduring cities, New Haven has wrangled with a perpetual identity struggle torn between worlds that occasionally converged in chaos and violence. In the 1930s, Connecticut became a region where Mafia families like the Genoveses, Gambinos, Colombos, and Patriarcas shared turf, working together with enough profits to go around or descending into open war to rival that experienced in any major city. Central to this conflict were three men who were at different times cautious allies or sworn nemeses. Representing the Genoveses, Midge Renault reigned supreme thanks to his reputation for wanton violence. Meanwhile, Colombo capo Ralph Whitey Tropiano maintained a lower profile which belied his reputation as a vicious killer. But it was his lieutenant, Billy The Wild Guy Grasso, who ultimately rose to the top after joining the New England Patriarca Family, enjoying a short rule that ended with a murder plot that left him on the wrong end of a bullet.
