

FIVE GENTLEMEN OF JAPAN

THE PORTRAIT OF A
NATION'S CHARACTER

BY FRANK GIBNEY

Five Gentlemen Of Japan The Portrait Of

East-West Center. Library

Five Gentlemen Of Japan The Portrait Of:

Five Gentlemen of Japan Frank Gibney, 1997-05-15 A newspaperman an ex Navy vice admiral a steel worker a farmer and the 124th Emperor of Japan himself these are the fascinating heroes of Gibney's brilliant book about modern Japan Strongly individual every one of them the five yet share the common inheritance of Japan's precocious but unstable past Through their lives and attitudes Gibney gives us an invaluable analysis of this new sovereign nation so suddenly thrown into the world's power conflicts He helps us understand the historical and social forces which make Japan what she is today the old contracts and loyalties from which each of the Five Gentlemen is struggling to break away from his country Their courageous efforts to weld a new Japan from the remains of the old society and to come to terms with the present are as exciting as it is important 五つの巨人, 1986 [A Collector's Guide to Books on Japan in English](#) Jozef Rogala, 2012-10-12 For librarians and private collectors of books on Japan in English Jozef Rogala's alphabetical guide will prove an invaluable and very accessible addition to existing bibliographic sources and references not least because of the supporting biographies of major writers and the historical and cultural notes provided Includes subject index **Five Gentlemen of Japan** Frank Gibney, 1973 **Daily Life in Wartime Japan, 1940-1945** Samuel Hideo Yamashita, 2017-02-19 The population of wartime Japan 1940-1945 has remained a largely faceless enemy to most Americans thanks to the distortions of US wartime propaganda popular culture and news reports At a time when this country's wartime experiences are slowly and belatedly coming into focus this remarkable book by Samuel Yamashita offers an intimate picture of what life was like for ordinary Japanese during the war Drawing upon diaries and letters written by servicemen kamikaze pilots evacuated children and teenagers and adults mobilized for war work in the big cities provincial towns and rural communities Yamashita lets us hear for the first time the rich mix of voices speaking in every register during the course of the war Here is the housewife struggling to feed her family while supporting the war effort the eager conscript from snow country enduring the harshest most abusive training imaginable in order to learn how to fly the Tokyo teenagers made to work in wartime factories the children taken from cities to live in the countryside away from their families and with little food and no privacy the Kyushu farmers pressured to grow ever more rice and wheat with fewer hands and less fertilizer and the Kyoto octogenarian driven to thoughts of suicide by his inability to contribute to the war How these ordinary Japanese coped with wartime hardships and dangers and how their views changed over time as disillusionment impatience and sometimes despair set in is the story that Yamashita's book brings to the American reader A history of life during war **Daily Life in Wartime Japan 1940-1945** is also a glimpse of a now vanished world **Japan** Patrick Smith, 2011-03-30 The Japanese are in the process of re-creating themselves an endeavor they have undertaken at intervals throughout history always prompted by a combination of domestic and global forces In this landmark book Patrick Smith asserts that a variety of forces the achievement of material affluence the Cold War's end and the death of Emperor Hirohito are now spurring Japan once again

toward a fundamental redefinition of itself As Smith argues this requires of the West an equally thorough reevaluation of the picture we have held of Japan over the past half century He reveals how economic overdevelopment conceals profound political social and psychological under development And by refocusing on internal history and the Japanese character Smith offers a new framework for understanding Japan and the Japanese as they really are The Japanese he says are now seeking to alter the very thing we believe distinguishes them the relationship between the individual and society Timely measured and authoritative this book illuminates a new Japan a nation preparing to drop the mask it holds up to the West and to steer a course of its own in the world Jacket image The Great Wave of Kanagawa from 36 Views of Mount Fuji detail by Katsushika Hokusai Private collection

Armor, 1952 **Pioneers in the Tropics** Philip Staniford, 2020-12-17 This study of a substantial Japanese immigrant community in Brazil concentrates on its development of a political organization to cope with internal problems of co operation and conflict and to deal with the outside world of Brazilian politicians and merchants After many early troubles the immigrants developed pepper growing as a cash crop and now seem on the way to prosperity The analysis which makes use of the concept of network interaction is of relevance to all interested in community migration and development of new rural settlements

The Great Pictorial History of World Crime Jay Robert Nash, 2004-04-29 The vast and mysterious world of criminals from ancient times through the 21st century is vividly captured in The Great Pictorial History of World Crime This unique and staggering reference work chronicles every major criminal act from every era A definitive reference source to worldwide crime this unparalleled survey is organized into sixteen chapters Assassination Bigamy Burglary Cannibalism Celebrity Slayings Drugs Fraud Gangs Gangsters and Organized Crime Kidnapping Mass Murder Piracy Robbery Secret Criminal Societies Serial Killers Terrorism Unsolved Homicides Each chapter begins with an essay that introduces the topic and provides a concise overview of the historical social and political significance of the crime Subjects are further developed crime by crime through descriptive entries covering the criminal acts modus operandi criminal background information and motives along with insightful anecdotes In addition to being a being a vital and informative historical and sociological reference work The Great Pictorial History of World Crime features more than 2 500 illustrations More than a chronicle of chilling events these two volumes provide gripping reading for anyone interested in true crime law enforcement criminology and criminal justice

Japan Fluxus Luciana Galliano, 2018-11-29 Fluxus was a pivotal movement in redefining art s role and the artist s identity in the contemporary world so that its aesthetics as well as many of its gimmicks have become so deeply embedded in our social setting that we now no longer realize where they originally came into being Fluxus has been described as the most radical and experimental art movement of the 1960s challenging conventional thinking on art and culture It had a central role in the birth of such key contemporary art forms as concept art installation performance art intermedia and video The amount of Fluxus related scholarly activity has increased since 2009 when New York s Museum of Modern Art acquired the world s largest collection of Fluxus works

the Lila and Gilbert Silverman Collection and this in turn led to a series of exhibitions first at MoMA and subsequently at other institutions worldwide Focusing on Japanese artists involved in Fluxus the book proposes a new understanding of this movement which in spite of its anti academicism its aversion to authorial identity and the ephemeral character of its output is the best documented and best cross indexed art movement in history Nam June Paik 1994 77 The book presents postwar Japanese radical avant garde and the related and highly refined discourse and debate behind it enlightening crucial if less known aspects of local Fluxus history and theory

Japan Diary Mark Gayn, 1989-12-15 This book is an eyewitness report of what happened in Japan and Korea during the Occupation years from December 1945 to May 1948 It is also meant to be some other things It is the story of that extraordinary figure General Douglas MacArthur and the men around him It is the story of the way American foreign policy operated in one segment of the globe and of the plot and counterplot that went on behind the Japanese throne in the years of war and of the subsequent conspiracy to thwart the Allied purposes It is the story of the common people in two Oriental lands It is finally the record of the author's education and not a few readers will find it controversial But it is an absorbing book nonetheless and the years that have passed since its first publication have not diminished its value as the chronicle of a highly observant reporter It is indeed an intriguing panorama that Gayn presents and whether the reader agrees with him in all of his observations he can hardly accuse him of being unexciting

Paul Rusch in Postwar Japan Andrew T. McDonald, Verlaine Stoner McDonald, 2018-12-07 Paul Rusch first traveled from Louisville Kentucky to Tokyo in 1925 to help rebuild YMCA facilities in the wake of the Great Kanto earthquake What was planned as a yearlong stay became his life's work as he joined with the Japan Episcopal Church to promote democracy and Western Christian ideals Over the course of his remarkable life Rusch served as a college professor and Episcopal missionary and he was a catalyst for agricultural development introducing dairy farming to highland Japan In *Paul Rusch in Postwar Japan* Andrew T McDonald and Verlaine Stoner McDonald present Rusch's life as an epic story that crisscrosses two cultures traversing war and peace destruction and rebirth private struggle and public triumph As World War II approached Rusch battled racial prejudice against Japanese Americans yet also became an apologist for Japan's expansionist foreign policy After Pearl Harbor he was arrested as an enemy alien and witnessed the Doolittle Raid on Tokyo Upon his release to the US in 1942 he joined military intelligence and returned to Japan in that capacity during the US occupation Though Rusch was of modest origins he deftly climbed social and military ladders to befriend some of the most intriguing figures of the era including prime ministers and members of the Japanese royal family Though he is perhaps best remembered for introducing organized American football in Japan his greatest legacy is the founding of the Kiyosato Educational Experiment Project KEEP a vehicle for feeding educating and uplifting the rural poor of highland Japan Today his legacy continues to inspire KEEP in the twenty first century to promote peace cultural exchange environmental sustainability and ecological preservation in Japan and beyond

History & Culture from Ancient to Modern Times John W. Dower,1986 Japan's Economic Challenge Michael Keresztesi,Gary R. Cocozzoli,2018-10-26 This book first published in 1988 assembles a key pool of references in English to help study the Japanese economic challenge of the 1980s Collectively these writings chronicle the historical social and cultural background of Japan s spectacular industrial take off They describe analyse and interpret the diverse manifestations of Japan s economic growth **Heritage of Endurance** Hiroshi Wagatsuma,George A. De Vos,2022-05-13 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984 *The Canadian Patent Office Record and Register of Copyrights and Trade Marks* ,1953 *Who Rules Japan?* Harold Kerbo,John A. McKinstry,1995-10-24 Fifty years ago a new alliance of Japanese elites sparked the miraculous transformation of their country from a land decimated by war to an economic superpower that would become the envy of the world These elites represented the best and brightest of Japan and they were willing to make great sacrifices for the prosperity of their people Now this same elitist system may be the nation s downfall The new elites who replaced the pre World War II zaibatsu elite have formed their own brand of upper class rule based on corporate control and domination of the state Intent on solidifying their power through arranged marriages and interlocking families many Japanese believe the new elite has become corrupt and self serving The resulting inequality has spurred growing anger among the non elite classes At a time when stability defines the new world order Japan faces its greatest threat the threat from within Bound to be controversial *Who Rules Japan* is a study that expertly connects the country s economic cultural historical and political facets Kerbo and McKinstry explain how this new type of upper class has gradually spurned the traditional ideals of democracy in favor of an elitist approach that exploits the masses and causes ominous unrest As a result Japan is now confronted with a critical turning point in its history The elites must choose between consolidating their personal power by continuing to resist change or beginning to make necessary sacrifices for their nation at the expense of their own privilege and prestige The course they take will determine Japan s fate and the shape of the world order into the next century Unique in its approach this book will be of interest to scholars researchers students and the general reader all those interested in understanding Japan s inner struggle *Persona* Naoki Inose,2013-01-01 Traces the life of the Japanese author who went from sickly youth to dedicated student of the martial arts looking at his family life the wartime years and his career as a writer who advocated for traditional values **The Booklist** ,1951

Yeah, reviewing a ebook **Five Gentlemen Of Japan The Portrait Of** could go to your near friends listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have astonishing points.
