philosophy which has made him the world's #1 teacher is his ability to translate very difficult swing concepts into easy to understand language When the lost photographs from Hogan's seminal instructional manual *Five Lessons The Modern Fundamentals of Golf* were discovered by the Hogan estate David Leadbetter was the immediate and perfect choice to craft the quintessential instruction book for today's golfer based on the Hogan form By combining his exceptional skills as a communicator and his encyclopedic knowledge of the mechanics of golf Leadbetter uses these remarkable images of the master at work to demonstrate the basic techniques of golf The result is *The Fundamentals of Hogan* the one book that all golfers who dream of breaking 80 need to have in their libraries Golf's #1 professional instructor translates Ben Hogan's fundamentals for players of all skill levels [Golf All-in-One For Dummies](#) The Experts at Dummies, 2012-02-15 The fun way to get a grip on every aspect of golf Golf is a popular spectator sport but for those who play it's a great source of low impact cardiovascular strength and aerobic exercise In addition golf is by nature a social game that provides the opportunity to meet new people *Golf All In One For Dummies* shows you not only how to get the most physical benefit from a round of golf but also the tools you need to truly enjoy the game From perfecting your swing to avoiding injuries the proven techniques presented in this book give you everything you need to have the time of your life every time you hit the links The basics of golf Details on the latest golf equipment and technology Tips on how to improve the short game including putting chipping and getting out of tough spots Rules and etiquette that every golfer needs to know Plans for keeping fit and designing workouts to improve your game Mental tricks and exercises to help you succeed Tips on grips stances and swings New tips from top players on how to improve your game Great new courses tournaments players who have changed the game and a review of golf's greatest moments Whether you already have some golf experience or are completely new to the game *Golf All In One For Dummies* will have you playing like a pro in no time **Money Golf** Michael K.
