**The Complete Guide to Running Successful Workshops & Seminars** Kristie Lorette, 2014-11-15 A typical workshop doesn't always sound intriguing in fact it's something most people try to avoid attending Still seminars are held each year in many fields and industries and usually none are alike While thousands of executives employees and other professionals dread hours of lectures and preaching that the average conference involve the one you're planning doesn't have to be the norm The Complete Guide to Running Successful Workshops Seminars is your complete guide to putting together an effective conference that is sure to be a hit from start to finish regardless of your field and audience In this new book you will learn the ins and outs of planning a workshop from general decisions about how long the event will last to the minute details such as where each person will check in and sit This complete guide will teach you how to effectively target and communicate

with your audience so you can give your attendees the information they were missing. You will learn about the basics of leading a training program such as what characteristics you should portray to show your authority and credibility as well as the general structural elements of a workshop, seminar, and conference. This comprehensive book will help you define the reason why you are holding a workshop and will teach you to succinctly create an objective for your participants so that you are destined for success. You will even learn how to evaluate and measure your success during and after the event to prove your true effectiveness and determine your program's strengths and weaknesses. Filled with information about how to build a budget, planning, scheduling, and get funding for your workshop, this book addresses the financial aspect of holding an hour, day, or weekend workshop so that you can adequately allocate your money. This comprehensive guide has it all and will teach you everything you need to know to plan, promote, and present a conference.
