Flammes De Pierre Flames Of Rock Short Stories About Mountains And Mountaineers:

Climbing ,1993 **This Game of Ghosts** Joe Simpson,1995 When mountain climber Simon Yates cut the rope and sent his friend and climbing partner Joe Simpson plummeting to an ordeal few mountaineers can have contemplated the outcome was totally unpredictable That Simpson survived his experience on Peru s Siula Grande is a revelation of the power of the human spirit to overcome fear pain and deprivation of almost unimaginable intensity He did not expect to live it all over again more than once The first test was to write his award winning account of the ordeal in *Touching the Void* That meant dragging the terrifying experience out of the deeper shadows of his memory Next another fall in the Himalaya crippled and almost broke him He felt forced to test his nerve again and struggled on crutches to 20 000 feet on Pumori near Everest On his descent he heard that a young first time climber had been killed by a chance rockfall What sense could he make now of this game of ghosts that had claimed the lives of so many of his friends over the years he had been climbing while he had survived so many events that should have meant certain death In an attempt to find catharsis for his confused emotions he wrote this extraordinary memoir revealing his early life and his fifteen years of climbing on three continents before and after the life changing experience of Siula Grande His gripping story recounts with total honesty experiences that range from hilarious to poignant to nearly unbelievable Here are the signposts that have directed him since childhood to measure fear and embrace the unknown He wonders about the luck or the choices along the way that have caused the loss of so many climbing friends Ghosts everywhere I look all I see are ghosts or perhaps I am the ghost a spectre of my past standing in the rubble of my present anxiously awaiting the future This is a compelling work of adventure and introspection that will hold both mountaineers and armchair travelers spellbound Ascent Allen Steck,Steve Roper,1989 Fiction poetry photographs and factual accounts portray the spirit and tradition of climbing *Books in Print Supplement* ,1994 Books in Print ,1977 Flammes de Pierre Anne Sauvy,1991-01
