Flashboat Jane Cooper, 2000-12 To be cherished Richard Howard A splendid book Publishers Weekly Jane Cooper Martha Collins, Celia Bland, 2019-03-29 For her five volumes of poetry over the course of her career Jane Cooper 1924 2007 was deeply admired by her contemporaries and teaching at Sarah Lawrence College for nearly forty years she served as a mentor to many aspiring poets Her elegant honest and emotionally and formally precise poems often addressing the challenges of women s lives especially the lives of women in the arts continue to resonate with a new generation of readers Martha Collins and Celia Bland bring together several decades worth of essential writing on Cooper's poetry While some pieces offer close examination of Cooper's process or thoughtful consideration of the craft of a single poem the volume also features reviews of her collections including a previously unpublished piece on her first book The Weather of Six Mornings 1969 by James Wright a lifelong champion of her work Marie Howe Jan Heller Levi and Thomas Lux among others share personal remembrances of Cooper as a teacher colleague and inspiration L R Berger s moving tribute to Cooper s final days closes the volume This book has much to offer for both readers who already love Cooper's work and new readers especially among younger poets just discovering her enduring poems An Exaltation of Forms Annie Finch, Kathrine Varnes, 2002 Fifty poets examine the architecture of poems from the haiku to rap music and trace their history Young, 2013-11-05 Poems about the various stages of grief with 150 selections from a variety of 20th 21st century poets

Our Deep Gossip Christopher Hennessy, 2013-11-29 This book presents interviews with eight gay men who are celebrated American poets and writers discussing their early lives friends and communities that shaped their work histories of gay writers before them how sex and desire connect with artistic production and what coming out means to a writer Sense of Regard Laura McCullough, 2015 How do poets engage issues of race This timely collection of essays brings together the voices of living poets and scholars including Garrett Hongo and Major Jackson to discuss the constraints and possibilities of racial discourse in poetic language offering new insights on this perennially vexed issue Becoming Poetry Jay Rogoff, 2023-11-15 Winner of the Lewis P Simpson Award In Becoming Poetry Jay Rogoff closely inspects the work of two dozen poets his forebears and his contemporaries to reveal how their poetry achieves its impact upon readers His essays drawn from more than twenty years of literary criticism explore how the staying power of a poet s work and the likelihood of its enjoying a lasting identification with its creator depend on the skilled manipulation of poetic technique Considering how poetry can manifest a vividly conceived world of feeling and sensation Rogoff maintains that we understand and evaluate poets by the sum of their most persuasive inventive strategies including their attention to form The poet finally constructs a uniquely imagined universe and thus in the minds of readers becomes the poetry A model of practical criticism intended for enthusiasts at all levels Becoming Poetry demystifies how poetry operates on its audience to create a virtual affective experience of lasting power and value **Silences** Tillie Olsen, 2014-07-22 A landmark survey of disenfranchised literary

voices and the forces that seek to silence them from the influential activist and author of Tell Me a Riddle With this groundbreaking work Olsen revolutionized the study of literature by shedding critical light on the writings of marginalized women and working class people From the excavated testimony of authors letters and diaries Olsen shows us the many ways the creative spirit especially in those disadvantaged by gender class or race has been suppressed through the years Olsen recounts the torments of Herman Melville the shame that brought Willa Cather to a dead halt and the struggles of Olsen's personal heroine Virginia Woolf the greatest exemplar of a writer who confronted the forces that worked to silence her First published in 1978 Silences expanded the literary canon and the ways readers engage with literature This 25th anniversary edition includes Olsen's classic reading lists of forgotten authors and a new introduction Bracing and prescient Silences remains of primary importance to those who want to understand how art is generated or subverted and to those trying to create it themselves Margaret Atwood The New York Times Book Review A valuable book an angry book a call to action Maxine Hong Kingston Silences helped me to keep my sanity many a day Gloria Naylor author of Mama Day Silences is the Bible I constantly return to it Sandra Cisneros author of The House on Mango Street Silences will like A Room of One s Own be quoted where there is talk of the circumstances in which literature is possible Adrienne Rich author of Diving into the **Blues Poems** Kevin Young, 2003-09-02 Born in African American work songs field hollers and the powerful legacy Wreck of the spirituals the blues traveled the country from the Mississippi delta to Sweet Home Chicago forming the backbone of American music In this anthology the first devoted exclusively to blues poems a wide array of poets pay tribute to the form and offer testimony to its lasting power The blues have left an indelible mark on the work of a diverse range of poets from The Weary Blues by Langston Hughes and Funeral Blues by W H Auden to Blues on Yellow by Marilyn Chin and Reservation Blues by Sherman Alexie Here are blues influenced and blues inflected poems from among others Gwendolyn Brooks Allen Ginsberg June Jordan Richard Wright Nikki Giovanni Charles Wright Yusef Komunyakaa and Cornelius Eady And here too are classic song lyrics poems in their own right from Bessie Smith Robert Johnson Ma Rainey and Muddy Waters The rich emotional palette of the blues is fully represented here in verse that pays tribute to the heart and humor of the music and in The Mistletoe Bride and Other Haunting Tales Kate poems that swing with its history and hard bitten hope Mosse, 2013-10-24 The perfect winter ghost short story collection from the No 1 bestselling author of LABYRINTH and THE CITY OF TEARS I hear someone coming It has happened before I pause and listen but no longer hear anything I sigh As always hope is snatched away before it can take root And so then as always I am carried back to that first December so very long ago Rooted in the elemental landscapes of Sussex Brittany and the Languedoc here are tales of ghosts and spirits seeking revenge grief stricken women and haunted men coming to terms with their destiny **Cold War Poetry** Edward Brunner, 2001 Mainstream American poetry of the 1950s has long been dismissed as deliberately indifferent to its cultural circumstances In this penetrating study Edward Brunner breaks the placid surface of the hollow decade to reveal a poetry

sharply responsive to issues of its time Cold War Poetry considers the fifties poem as part of a dual cultural project as proof of the competency of the newly professionalized poet and as a user friendly way of initiating a newly educated upwardly mobile postwar audience into high culture Brunner revisits Richard Wilbur Randall Jarrell and other acknowledged leaders of the period as well as neglected writers such as Rosalie Moore V R Lang Katherine Hoskins Melvin B Tolson and Hyam Plutzik He also examines the one sided authority of the male dominated book review process the ostracizing of female and minority poets poetic fads such as the ubiquitous sestina and the power of the classroom anthology to establish criteria for reading Attributing the gradual change in poetic style during the 1950s to the slow collapse of the authority of the state Brunner shows how a secretive anxious poetics developed in the shadow of a disabled government He recontextualizes the much maligned domestic verse of the 1950s reading its shift toward the private sphere and the recurrent image of the child as a reflection of the powerlessness of the post nuclear citizen Through a close examination of poetry written about the Bomb he delineates how poets registered their growing sense of cosmic disorder in coded language resorting to subterfuge to continue their critique in the face of sanctions levied against those who questioned government policies Brilliantly decoding the politics embedded in the poetry of an ostensibly applitical time Cold War Poetry provides a powerful rereading of a pivotal decade Lamentations and the Tears of the World Kathleen H. O'Connor, 2015-02-19 Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets

Creativity and the Poetic Mind Jean Tobin, 2004 Creativity and the Poetic Mind mingles the voices of well known writers such as Nikki Giovanni Donald Hall John Koethe Marge Piercy and Robert Pinsky with newer voices and includes engaging excerpts from interviews with thirty eight American poets Within a sustained argument about creative states of mind this book innovatively presents and explores the technique of going to the place as more reliable in writing poetry than waiting for inspiration It explains why poets frequently believe that talking about their own poetry may damage their creativity and why for centuries inspiration has seemed to come from somewhere beyond the poet In addition it discusses the practicality of poets thinking that being creative and writing poetry are two separate skills inspiration is unreliable but experienced poets create daily Orange Alert Kazim Ali, 2010 An American poet takes on Eastern philosophy Western culture and his Muslim heritage The Penguin Book of the Sonnet Various, 2001-11-01 A unique anthology celebrating that most vigorous of literary forms the sonnet The sonnet is one of the oldest and most enduring literary forms of the post classical world a meeting place of image and voice passion and reason elegy and ode It is a form that both challenges and liberates the poet For this anthology poet and scholar Phillis Levin has gathered more than 600 sonnets to tell the full story of the sonnet tradition in the English language She begins with its Italian origins takes the reader through its multifaceted development from the Elizabethan era to the Romantic and Victorian demonstrates its popularity as a vehicle of protest among writers of the Harlem Renaissance and poets who served in the First World War and explores its revival among

modern and contemporary poets In her vibrant introduction Levin traces this history discussing characteristic structures and shifting themes and providing illuminating readings of individual sonnets She includes an appendix on structure biographical notes and valuable explanatory notes and indexes And through her narrative and wide ranging selection of sonnets and sonnet sequences she portrays not only the evolution of the form over half a millennium but also its dynamic possibilities

James Wright Jonathan Blunk, 2017-10-17 The authorized and sweeping biography of one of America's most complex influential and enduring poets In the extraordinary generation of American poets who came of age in the middle of the twentieth century James Wright 1927 1980 was frequently placed at the top of the list With a fierce single minded devotion to his work Wright escaped the steel town of his Depression era childhood in the Ohio valley to become a revered professor of English literature and a Pulitzer Prize winner But his hometown remained at the heart of his work and he courted a rough enduring muse from his vivid memories of the Midwest A full throated lyricism and classical poise became his tools honesty and unwavering compassion his trademark Using meticulous research hundreds of interviews and Wright's public readings Jonathan Blunk's authorized biography explores the poet's life and work with exceptional candor making full use of Wright's extensive unpublished work letters poems translations and personal journals Focusing on the tensions that forced Wright's poetic breakthroughs and the relationships that plunged him to emotional depths Blunk provides a spirited portrait and a fascinating depiction of this turbulent period in American letters A gifted translator and mesmerizing reader Wright appears throughout in all his complex and eloquent urgency Discerning yet expansive James Wright will change the way the poet's work is understood and inspire a new appreciation for his enduring achievement

Poetry Harriet Monroe, 2000

American Book Publishing Record ,2000 The Oxford Companion to Modern Poetry in English Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry
