Poverty, inequality and social disparities during China's economic reform, **Fiscal Policy and Economic Reforms** Mario I. Blejer, Teresa Ter-Minassian, 2002-09-11 Following *Macroeconomic Dimensions of Public Finance* this is the second volume of essays in honour of Vito Tanzi It focuses on the importance of fiscal policy on the wholesale economic reforms that are sweeping the advanced less developed and formally communist countries Issues analyzed include the role of fiscal and budgetary policies in the process of reform the impact of privatization on the exchequer and the dilemmas for social policy in times of fiscal austerity the paradox of post socialism and post dirigisme that an efficient and harmonic move to a decontrolled liberal market economy involves active state intervention the methodological aspects relating to the proper assessment of fiscal policy mechanisms This collection of essays contributes to the understanding of the channels and transmissions mechanisms of fiscal policies in the context of major economic reforms **Economic Reforms, Growth and Inequality in Latin America** Gustavo Indart, 2019-06-04 Originally published in 2004 Growth income distribution and labour markets are issues of pivotal importance in the Latin American context Examining unique theoretical issues and the empirical evidence this book provides a critical analysis of the key elements of income distribution determinants labour market functions trade policies and their interrelations As the advance of globalization becomes seemingly unstoppable this book provides an important reappraisal of the impact of this new phenomenon and in particular the pernicious impact it may

have on income growth and distribution The key objective of the volume is to integrate more fully the analysis of trade and labour market economists in order to better understand the labour market and income distribution implications of globalization and international integration Forty years after the early calls to appropriately investigate the micro foundations of macroeconomics the separation of the two at the policy level is more damaging than ever before particularly for developing regions this volume therefore makes an important contribution at the theoretical and policy levels by bringing together macroeconomic and microeconomic analyses *India's Economic Reforms* Uma Kapila,1996

The Impact of Structural Reforms on Poverty Neil McCulloch,2003 *Poverty and Food Security in India* Dr. M. S. Bhatt,2004

Persistence Of Poverty Hunger And Starvation Along With Growing Availability Of Food Has Rendered The Rationale Of Both Poverty Alleviation And Food Self Sufficiency Policies Suspect And Created A Paradoxical Situation There Is A Consensus Among Policy Makers Planners And Economists That The Problems Of Poverty Hunger And Malnutrition Have Not Been Solved Satisfactorily It Is Also Acknowledged That The Persistence Of These Problems Has The Potential Of Undermining The Very Process Of Democratic Governance Policies And Programmes Have Systematically Failed With A Huge Opportunity Cost There Is Need For New Answers To These Questions Available Solutions Have Outlived Their Utility Time Has Come To Recast And Redefine The Agenda For Poverty And Food Insecurity Eradication This Is Easier Said Than Done There Is A Need For A Dispassionate Debate Discussion And Meaningful Action This Challenging Task Cannot Be Solved By State Intervention Alone It Is Against This Backdrop That The Present Volume Seeks To Provide Answers To Some Of The Key Questions The Main Objective Of The Book Is To Add Fresh Insights To The Theory And Policy Of Poverty And Food Insecurity Alleviation How Far We Succeeded Shall Be Reflected Through The Pages Of This Book **Development**

Challenges of India After Twenty Five Years of Economic Reforms Nripendra Kishore Mishra,2020-10-14 This book revisits some of the persisting challenges of development of India which remain unresolved even after twenty five years of economic reforms and almost fifteen years of high growth rate These include defining purpose of development inequality labour work unemployment agrarian distress and migration The book questions the overemphasis on growth to the extent of neglecting basic issues of development With a number of contributions re imagining development and its political economy the book discusses above mentioned issues in light of new data and more recent conceptions of the issues The contributors of this volume are eminent researchers in their respective field Presenting primary as well as secondary data the book considers the latest advances and research and also addresses new challenges like the global reorganization of production and the consequences for labour and the world of work along with skills question World of work has received detailed investigation in this book This is a timely addition in existing literature especially in context of pandemic and lockdown Informality and un employment question is addressed in this context Relationship among poverty inequality and growth is examined in light of newer understanding Agrarian distress is looked in a broader context A number of papers are examining

migration question by expanding coverage of migration and including labour mobility as apart of migration debate The present crisis of migrant labour and absence of social security for these workers is also discussed This book is primarily intended for those interested in recent advances on some of the basic aspects of development like poverty inequality informality word of work migration and labour mobility It is also useful for researchers policy makers journalists and civil society organizations working on these issues

Land Reforms, Poverty Reduction, and Economic Growth: Evidence from India Hari K. Nagarajan, *Reducing Poverty Through Growth and Social Policy Reform in Russia*, 2006 Following the 1998 financial crisis four out of every ten people slipped into poverty not able to meet basic needs Luckily post crisis economic rebound was impressive and broad based albeit uneven across sectors and regions This title explores the nature of poverty both nationally and regionally to identify the groups with a high poverty risk It then examines growth poverty linkages through the labor market as well as the contribution of growth and inequality to the recent poverty reduction It also considers the expected impact of WTO accession on overall growth and poverty Finally it focuses on the scope for improving social policy in ways that will have a direct impact on the poor

African Economic Reform Carol Lancaster, 1991 This study proposes a new initiative involving the cancellation of concessional rescheduling of public bilateral debt of reforming African countries through a new international mechanism that would replace existing ones such as the Paris Club and the World Bank Consultative Groups Each of a series of Adjustment Review Consortia would bring together representatives of donor and creditor governments international aid and development agencies and an African government to coordinate debt relief aid and reform initiatives Properly implements ARCs would contribute to building a system in which economic need and performance not political favoritism play the principal roles in how debt and external financing in general are managed

Economic Reform in Vietnam Keith Griffin, 2016-01-20 Vietnam along with China stands out as a rare success story among transition economics This authoritative study of the reform process since 1989 pays particular attention to the way the macroeconomics framework can contribute to an environment that encourages human development and helps to reduce poverty Thus there are chapters on macroeconomics reforms international trade policies the role of the state rural development education and health environmental issues and poverty and gender inequality Although areas of weakness are indicated emphasis is placed on the success Vietnam has experienced compared to other transition economies The lessons of both the successes and failures of the reform process for policymakers elsewhere are outlined

Agricultural Growth, Farm Size, and Rural Poverty Alleviation in India C. H. Hanumantha Rao, 2005 This Is A Thematically Arranged And Presented Together At One Source One Of India S Most Distinguished Economist C H Hanumantha Rao S Less Accessible Although Academically Most Relevant Writings

Precise Poverty Alleviation and Intergenerational Mobility in China Chunjin Chen, 2022-12-27 The widening of income and wealth inequality has become one of the most important obstacles on the road to China s common prosperity In the context of inequality reduction and anti poverty strategy in China this book investigates

the complex relationship between education and intergenerational mobility in terms of occupation and income Based on large scale social survey data cutting edge econometric models and statistical methods the book examines the role of education in breaking the intergenerational transmission of poverty and promoting intergenerational mobility It analyzes the characteristics of birth cohorts in intergenerational mobility the long term trends of educational occupational and income mobility among rural and urban residents across generations and also the different regional patterns of intergenerational mobility against the background of social changes in China Based on empirical findings the author advances suggestions on an education policy conducive to poverty alleviation The book will appeal to scholars and students studying the sociology of education the economics of education and Chinese education as well as policy makers interested in the topics of education policy systems and poverty alleviation as well as education equity and social mobility Poverty in India Bibhuti Bhushan Malik,2009 Study conducted at Kalahandi District of Orissa India *Economic Reform and the Poor in Africa* David E. Sahn,1996 *Economic Reform and the Poor in Africa* examines policy responses to the economic crises faced by most African countries in the 1980s focusing on the contentious issue of whether the poor are hurt by economic policies designed to restore allocation The contributors use empirical models to separate the effects of the economic crises that caused countries to begin adjusting from the impact of the economic reforms themselves With these models they examine the impact of specific policy reforms under the broad headings of trade and exchange rate policy fiscal policy and agricultural sector policy in specific country contexts The countries covered are Cameroon The Gambia Ghana Guinea Madagascar Malawi Mozambique Niger Tanzania and Zaire
