Ecowolf And The Three Pigs:

Eco-Wolf and the Three Pigs Laurence Anholt, 2004 In this modern twist on the classic story of The Three Little Pigs Eco Wolf and his woodland warriors save the forest and valley from three polluting pigs **Seriously Silly** Laurence Anholt, Arthur Robins, 2008-08-07 Eco Wolf is furious when three bad pigs start messing with his valley vibes and building on his peaceful countryside home But does he have enough huff and puff to blow up the polluting pigs plans **Wolf** Garry Marvin, 2012-03-15 Feared and revered the wolf has been admired as a powerful hunter and symbol of the wild and reviled for its danger to humans and livestock Garry Marvin reveals in *Wolf* how the ways in which wolves are imagined has had far reaching implications for how actual wolves are treated by humans Indigenous hunting societies originally respected the wolf as a fellow hunter but with the domestication of animals the wolf became regarded as an enemy due to its attacks on livestock Wolves as a result developed a reputation as creatures of evil In children s literature they were depicted as the intruder from the wild who preys on the innocent And in popular culture the wolf became the creature that evil humans can transform into the dreaded werewolf Fear of this enigmatic creature Marvin shows led to an attempt to eradicate it as a species However with the development of scientific understanding of wolves and their place in ecological systems and the growth of popular environmentalism the wolf has been rethought and reimagined The wolf now has a legion of new supporters who regard it as a charismatic creature of the newly valued wild and wilderness Marvin investigates the latest scientific understanding of the wolf as well as its place in literature history and folklore offering insights into our changing attitudes towards wolves **Green Culture** Kevin Wehr, 2011-06-28 This volume provides an overview of the many ways in which culture cross cuts everyday ecological practices The entries focus on the ways in which environmentalism is portrayed in the media and how ecological communication happens Through its 150 signed entries this work provides readers with photos cross references and a resource guide **Shampoozel** Laurence Anholt, 2004 In this version of the classic fairy tale Rapunzel the daughter of two hairdressers is locked in a tower by the Bad Hair Witch **Ellie And The Cat** Malorie Blackman, 2013-12-19 Ellie is the rudest most spoilt child her grandma has ever met So Grandma who is a little bit magic decides to teach her a lesson and switches Ellie s body with Jolly the cat s As Ellie starts to make friends with the other animals in the house the mice and the spiders she learns how to be a good friend **Beginning Teaching, Beginning Learning: In Early Years and Primary Education** Janet Moyles, Jane Payler, Jan Georgeson, 2017-06-16 This bestselling textbook provides an introduction to the fundamentals of teaching and learning in early years and primary education If you are training to work in schools or other educational settings the book offers a wide range of practical and straightforward guidance covering essential topics such as safeguarding attachments and relationships assessment the indoor and outdoor environment new technologies behaviour management and well being Thoroughly updated throughout and retaining its lively and engaging style this new fifth edition extends your knowledge and understanding of working and playing effectively with

young children Enlivened by thought provoking cameos and reflective questions the book gives you the confidence to reflect upon challenge and enhance your own pedagogies Key features include Real life cameos drawn from schools and settings Questions to promote thinking included in each chapter Suggested further reading including a range of annotated references Up to date research and issues that teachers may face Beginning Teaching Beginning Learning is essential reading for student and newly qualified early years and primary teachers and practitioners as well as those who educate and train them This outstanding book should a core text for beginning teachers working in the birth to 11 age range It places Early Years and Primary education in the historical context and encourages new teachers to become reflective practitioners by adopting a questioning approach based on thoughtful comparative experiences One aspect which makes this stand out from other similar texts is the focus it has on developing a deep understanding of the partnership between children s learning and the beginner teacher Contributors many of whom have been teachers themselves include experts not only in their specific fields of interest but also in teacher education more broadly so understand what is relevant for those on initial teacher education courses and those in the early stages of their teaching career Jane Warwick Primary PGCE Course Manager University of Cambridge UK Beginning Teaching Beginning Learning should be a core text on all birth to 11 years ITT courses The book neatly combines grounded cameos of actual teaching experience with real life questions and dovetails these with a thoroughly referenced scholarly critique Through its engaging style and approach the book speaks clearly and directly to the inquisitive curious and professional novice teacher who wishes to be both thoroughly reflective and knowledgeable of the latest research This book is hugely successful as it manages to be both very wide in its content whilst encouraging a questioning and in depth critical thinking throughout Guy Roberts Holmes MA Early Years Education Programme Director UCL Institute of Education UK
