## **Happy Days My Mother My Father My Sister And Me:**

*Happy Days* Shana Alexander, 1995 Shana's mother wrote lethal columns in *Variety* on the fashionable and fatuous while her father was the composer of such tunes as *Ain't She Sweet* and *Happy Days Are Here Again*. This is the story of their lives and of their daughter's as a writer and commentator. **Happy Days** Shana Alexander, 2015-02-17 Acclaimed 60 Minutes commentator and true crime author Shana Alexander turns her journalist's eye to her own unconventional family and herself in this fascinating moving memoir. Shana Alexander spent most of her life trying to figure out her enigmatic parents. Milton Ager was a famous songwriter whose creations included *Ain't She Sweet* and *Happy Days Are Here Again*. Cecelia Ager was a film critic and *Variety* columnist. They were a glamorous Jazz Age couple that moved in charmed circles with George and Ira Gershwin, Dorothy Parker, and Jerome Kern. They remained together for fifty-seven years and yet they lived separate lives. This wise, witty, unflinchingly candid memoir is also a revealing account of Alexander's own life from her successful career as a writer and national news commentator to her troubled marriages and emotionally wrenching love affairs. She shares insights about growing up with a cold, hypercritical mother, her relationship with her younger sister, the suicide of her adopted daughter, and her reconciliation with her parents after a twenty-year estrangement. I had to do a lot of detective work to uncover the truth about my parents' lives, Alexander said. I knew almost nothing about them as people. But by the end, they really did become my best friends. *The Autobiography of an Indian Princess* Maharani of Cooch Behar Sunity Devee, 2019-12-06 In *The Autobiography of an Indian Princess*, Maharani Sunity Devee offers a rare and intimate glimpse into the life of a woman navigating the complex tapestry of Indian aristocracy in the late 19th and early 20th centuries. Written in a candid and eloquent style, the autobiography deftly intertwines personal anecdotes with broader socio-political observations, reflecting her experiences as a princess amid colonial influences. Devee's narrative is rich with vivid descriptions illustrating the juxtaposition of tradition and modernity and serves as a historical document that elucidates women's roles within the changing landscape of India during this transformative period. Sunity Devee, born into the royal family of Cooch Behar, was not only a member of the elite but also a pioneering advocate for women's education and empowerment in India. Her upbringing and royal responsibilities instilled in her a unique perspective on the challenges faced by women at the time. Her voice resonates with authenticity, shaped by her experiences as a ruler's daughter and her commitment to social reform, illuminating the broader struggles for women's rights in Indian society. This autobiography is essential reading for anyone interested in Indian history, gender studies, or the intricacies of royal life. Devee's reflections provide a profound understanding of the intersection of personal identity and societal change, making this work a significant contribution to both literature and scholarship. Readers will be captivated by her journey, gaining invaluable insights into the resilience and agency of women in a patriarchal world. **Women's Travel Writings in India 1777-1854** Carl Thompson, Katrina O'Loughlin, Éadaoin Agnew, Betty Hagglund, 2022-07-30 The memsahibs of the British Raj in India are well known figures today frequently depicted in fiction TV and film In recent years they have also become the focus of extensive scholarship Less familiar to both academics and the general public however are the eighteenth and early nineteenth century precursors to the memsahibs of the Victorian and Edwardian era Yet British women also visited and resided in India in this earlier period witnessing first hand the tumultuous expansionist decades in which the East India Company established British control over the subcontinent

Some of these travellers produced highly regarded accounts of their experiences thereby inaugurating a rich tradition of women's travel writing about India. In the process they not only reported events and developments in the subcontinent they also contributed to them helping to shape opinion and policy on issues such as colonial rule, religion and social reform. This new set in the Chawton House Library Women's Travel Writing series assembles seven of these accounts, six by British authors: Jemima Kindersley, Maria Graham, Eliza Fay, Ann Deane, Julia Maitland and Mary Sherwood, and one by an American, Harriet Newell. Their narratives, here reproduced for the first time in reset scholarly editions, were published between 1777 and 1854 and recount journeys undertaken in India or periods of residence there between the 1760s and the 1830s. Collectively they showcase the range of women's interests and activities in India and also the variety of narrative forms, voices and personae available to them as travel writers. Some stand squarely in the tradition of Enlightenment ethnography; others show the growing influence of Evangelical beliefs. But all disrupt any lingering stereotypes about women's passivity, reticence and lack of public agency in this period when colonial women were not yet as sequestered and debarred from cross-cultural contact as they would later be during the Raj. Their narratives are consequently a useful resource to students and researchers across multiple fields and disciplines, including women's writing, travel writing, colonial and postcolonial studies, the history of women's educational and missionary work and Romantic era and nineteenth-century literature.
