author Harold Frederic 1856 1898 As London correspondent for the New York Times and the author of nine novels Frederic was internationally known at the time of his death today he is remembered mainly for his novel *The Damnation of Theron Ware* 1896 Drawing on archival and published material not available to earlier writers on Frederic Myers paints a fascinating portrait of the man and his times as an expatriate in London in the 1890s his friendship with James Crane Wells and their circle and the scandal surrounding his death at the age of 42 Frederic was a colorful fellow As a correspondent in London in the 1890s he knew Henry James Stephen Crane George Gissing and a host of other literary characters He fully lived a bohemian life keeping a real wife and a common law wife simultaneously fathering broods of children writing journalism and novels at a great rate and dying at 42 of overwork partly because he let his second wife talk him into refusing medical help leading to a scandalous court case Myers concentrates on four main themes Frederic as an expatriate his work as representative of the transition from realism to naturalism in American literature Frederic as a transitional author in the shift from 19th century to 20th century styles of publishing and Frederic as a representative of the fin de siècle Myers has worked extensively with Frederic s correspondence as well as in publishers archives especially Scribner s and he sees Frederic as a writer who flourished just as the American literary marketplace was being transformed from the rather poky 19th century model into the faster paced 20th century version so familiar today This biography will interest not just specialists and Frederic scholars but also anyone with an interest in American literary culture in one of its defining moments *Essential Novelists - Harold Frederic* Harold Frederic, August Nemo, 2020-05-09 Welcome to the Essential Novelists book series where we present to you the best works of remarkable authors For this book the literary critic August Nemo has chosen the two most important and meaningful novels of Harold Frederic which are *The Damnation of Theron Ware* and *In the Valley* Frederic s reputation rests on journalistic correspondence of the higher class and on his novels of which he has published several His stories are distinctively American Novels selected for this book *The Damnation of Theron Ware* *In the Valley* This is one of many books in the series *Essential Novelists* If you liked this book look for the other titles in the series we are sure you will like some of the authors **The Market-Place** Harold Frederic, 2022-11-21 In *The Market Place* Harold Frederic delves into the intricate world of finance and entrepreneurship at the turn of the 20th century With a narrative that encapsulates the fervor of the pre regulatory business environment this novel paints a portrait of the maverick corporate leader who artfully circumvents market opposition Frederic s literary artistry comes to the forefront as he blends dynamic characterizations with an unfettered depiction of the raw capitalism of the era cementing his role in the realist movement alongside contemporaries such as Theodore Dreiser and Edith Wharton The story intertwines ambition with moral ambiguity offering a richly textured exploration of American industry and integrity or lack thereof that has left a mark on its readers nHarold Frederic wrote *The Market Place* at the zenith of his literary career his talents having matured through years of journalistic excellence and narrative experimentation The personal conflict surging from the posthumous feud over his estate between his wife and Mrs

Kate Lyon underscores the drama that Frederic himself might have woven into his plots. Indeed the contested legacy of Frederic paralleled the competitive spirit and the profound societal shifts that are integral themes in his work especially in novels like *The Market Place* where the drama of the boardroom mirrors that of the domestic sphere. *The Market Place* is highly recommended for readers seeking to understand the dynamics of early American capitalism through the lens of literary realism. Frederic's sharp observation and deft storytelling make the novel not only a record of its time but also a timeless study of power, ethics and resilience in a society on the brink of change. Scholars and enthusiasts of American literature will find in Frederic's narrative a compelling bridge between the Gilded Age and the dawn of modernism, asserting its place as not just a best seller of its time but a piece of literature of enduring significance. *The Novels of Harold Frederic*, Austin Briggs, 1969. *The Harold Frederic Edition*, Harold Frederic, George E. Fortenberry, 1977. **The Harold Frederic Edition: The damnation of Theron Ware**, Harold Frederic, 1977. The Harold Frederic Edition, Harold Frederic, 1981. *The Lawton Girl*, Harold Frederic, 1899. In *The Lawton Girl*, Mr Harold Frederic has given us another highly realistic and instructive study of life in a modern American manufacturing town. The perils that beset the path of those who have riches, the temptations in the way of those who would be rich, the problems arising before society in the matter of providing ways for the moral elevation and intellectual enlightenment of the laboring classes, these are all involved in the story, but it is the heroism, the self devotion and the final tragic triumph of one poor girl which form the central motive of a discerning and impressive book. Mr Frederic has a wonderful command of his material. The whole atmosphere of Thessaly in its rude new world, incompleteness, its narrow perspective, its tremendous possibilities is admirably suggested. For Mr Frederic is an uncompromising artist and he spares no line, however ungraceful, that will serve to make the picture complete. What one admires most in the work of Mr Frederic is the straightforward, earnest, sincere manner in which he goes to the end in view. Undertaking to depict certain phases of life for his readers, he allows full play to every light and shadow. Realism with him does not mean a seeking out of the low and bestial, or even a preference for what is hard and unlovely; it simply means that he will make no deliberate selection in defiance of nature's own truths.
