Floyd W. Mackler, 2010-11-11 If you could but see it nearly everything about the way human culture treats sex is expressive of fear If sex were a child it would be the most battered and brutalized child in the universe In its genuine spiritual or authentic character sex is repressed suppressed denied covered up legislated caged and not allowed to see the light of day while at the same time in its institutionalized and public expressions it is distorted exploited ridiculed flagrantly flashed in everyone's face and paraded through the streets This book is the narration of a young man who died of AIDS in the early 1990s It is a graphic description of his homosexual drives and engagements Then it turns to his personal encounter with the Grace of God That is followed by his ongoing transformation and a prophetic ministry from God through him Can it aid the reader to wake up to the power of the Risen One that resides within those that believe My Happiness Bears No Relation to Happiness Adina Hoffman, 2009-04-01 This first biography of a Palestinian writer also provides a moving account of the ways ordinary individuals are swept up by the floodtides of both war and peace Beautifully written and composed with a novelist's eye for detail this book tells the story of an exceptional man and the culture from which he emerged Taha Muhammad Ali was born in 1931 in the Galilee village of Saffuriyya and was forced to flee during the war in 1948 He traveled on foot to Lebanon and returned a year later to find his village destroyed An autodidact he has since run a souvenir shop in Nazareth at the same time evolving into what National Book Critics Circle Award winner Eliot Weinberger has dubbed perhaps the most accessible and delightful poet alive today As it places Muhammad Ali's life in the context of the lives of his predecessors and peers My Happiness offers a sweeping depiction of a charged and fateful epoch It is a work that Arabic scholar Michael Sells describes as among the five must read books on the Israel Palestine tragedy In an era when talk of the Clash of Civilizations dominates this biography offers something else entirely a view of the people and culture of the Middle East that is rich nuanced and above all else deeply human The Pacific Unitarian, 1897 *Finding True Happiness* Robert Spitzer, 2015-03-30 One of the hottest topics in contemporary culture is happiness so much so that the United Nations declared an International Happiness Day in response to the immense popularity of Pharrell Williams song Happy The explanation for this current fixation seems to lie in the contrary phenomenon unhappiness Despite the fact that we have tremendous access to every imaginable form of entertainment we experience a pervading sense of insecurity emptiness and malaise amid sporadic peak experiences The problem seems to lie less in the external environment than in the internal one We seem in the words of Viktor Frankl to be suffering from an absence of meaning that pervades both individuals and societies giving rise to a collective emptiness loneliness and alienation Finding True Happiness attempts to provide a way out of this personal and cultural vacuum by helping people to identify and then reach for happiness As Aristotle noted 2 400 years ago happiness is the one thing we can choose for its own sake everything else is chosen for the sake of happiness After an exhaustive investigation of philosophical psychological and theological systems of happiness author Fr Spitzer developed the Four Levels of Happiness which he based on the classical thinkers Plato Aristotle Augustine

and Aquinas the contemporary philosophers Marcel Scheler Buber Ricoeur and Jaspers and the modern psychologists Maslow Frankl Erikson Seligman Kohlberg and Gilligan Finding True Happiness is both a philosophical itinerary and a practical guidebook for life's most important journey from the mundane and the meaningless to transcendent fulfillment No other book currently available combines such breadth of practical advice and such depth of philosophical psychological and spiritual wisdom

*The Saints' Guide to Happiness* Robert Ellsberg,2005-09-27 What is happiness and how can I find it may be one of the most frequently asked questions there is Perhaps that's because it is so hard to experience lasting happiness In *The Saints Guide to Happiness* Robert Ellsberg suggests that some of the best people to show us are holy men and women throughout history from St Augustine to Flannery O'Connor Thomas Merton to St Theresa of Avila and Mother Theresa These people weren't saints because of the way they died or their visions or wondrous deeds They were saints because of their extraordinary capacity for goodness and love which in the end makes us happy
