Happily Ever After And All That Varied Tales:

Love on the Racks Michelle Nolan,2015-03-21 For the better part of three decades romance comics were an American institution Nearly 6000 titles were published between 1947 and 1977 and for a time one in five comics sold in the U S was a romance comic This first full length study examines the several types of romance comics their creators and publishing history The author explores significant periods in the development of the genre including the origins of Archie Comics and other teen publications the romance comic boom and bust of the 1950s and their sudden disappearance when fantasy and superhero comics began to dominate in the late 1970s *Baseball's Shooting Stars* David J. Gordon,2024-09-10 Every serious baseball fan can attest to the perennial excellence of stars like Babe Ruth and Ken Griffey Jr But how many can recall the exploits of Fred Dunlap George Stone Bobby Shantz or Mark Fidrych Each of these players performed like a superstar for a single season but none of them came close to replicating that success in subsequent years Some achieved early success and flamed out while others overcame early setbacks to achieve brief stardom late in their careers Some were one year wonders and others sustained solid careers after setting an early standard that they would never again reach This book contains the bittersweet stories of 30 such players who tantalized their fans with visions of greatness but ultimately fell short

How Fairy Tales live happily ever after: (Analyzing) The art of adapting Fairy Tales Conny Eisfeld,2015-02-18 What happened to the classic fairy tale Do we still read the old and dusty tales of wonder to our children or would we rather take them to the cinema The fairy tale boom has reached Hollywood where popular tales are currently transformed into entertainment movies Makers of films and TV series have become the storytellers of the digital age a transition that frequently leads to discussions about how these new forms limit or contribute to the further development and preservation of the traditional fairy tale But what exactly is a traditional fairy tale The book follows the history of the tale how it has been changing colors and how it has been adapting and surviving for centuries The main focus lies on the literary and multi medial analysis of two popular fairy tales Rapunzel and Little Red Riding Hood which have not only been adapted to the screen recently but have been repeatedly altered throughout the centuries Follow the journey of the fairy tale from its most basic form i e oral storytelling to a written and illustrated commitment that shaped the general image of fairy tales for forthcoming generations to its newest form the visualization through new and digital media *Storytelling* Josepha Sherman,2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history Characters tales techniques oral traditions motifs and tale types transcend individual cultures elements and names change but the stories are remarkably similar with each rendition highlighting the values and concerns of the host culture Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions *Storytelling An Encyclopedia of Mythology and Folklore* brings past and present cultures of the world to life through their stories oral traditions and performance styles It combines folklore and mythology traditional arts history literature and festivals to present an overview of world cultures

Forthcoming Books Rose Army,1997 [The Complete Russian Folktale](#) Jack V. Haney,1999 [Entranced by Story](#) Hugh Crago,2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension The author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age Entranced by Story applies recent research on brain function to literary examples ranging from the Iliad and Wuthering Heights to Harold and the Purple Crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience Blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story

[The Nutcracker](#) E.T.A. Hoffmann,Kate Thompson,2015-03-01 The story that inspired the Tchaikovsky ballet is a magical tale of one little girl s decent into a dream like world where the diabolical Mouse King rules Full of magic and childish wonder this coming of age novella has something for everyone beautiful dolls ferocious battles and dark undertones Younger readers will be enchanted by this children s classic while older readers will be intrigued to discover the background to the famous ballet libretto It is Christmas Eve and little Marie has tired of her new presents happily playing with a nutcracker instead So when her brother Fritz breaks it she is horrified tenderly bandaging the little nutcracker with her ribbon and putting him to bed When the clock strikes midnight Marie is stunned to see an army of mice advancing led by a seven headed Mouse King Her very own nutcracker leads the dolls and toys against the mouse army and a violent battle ensues This timeless tale is full of the magic of Christmas but is a delight to read at any time of the year Its enduring popularity is testament to its originality and charm

The Publishers Weekly ,1993 *Folk Heroes and Heroines around the World* Graham Seal,Kim Kennedy White,2016-03-14 This comprehensive collection of folk hero tales builds on the success of the first edition by providing readers with expanded contextual information on story characters from the Americas to Zanzibar Despite the tremendous differences between cultures and ethnicities across the world all of them have folk heroes and heroines real and

imagined that have been represented in tales legends songs and verse These stories persist through time and space over generations even through migrations to new countries and languages This encyclopedia is a one stop source for broad coverage of the world s folk hero tales Geared toward high school and early college readers the book opens with an overview of folk heroes and heroines that provides invaluable context and then presents a chronology The book is divided into two main sections the first provides entries on the major types and themes the second addresses specific folk tale characters organized by continent with folk hero entries organized alphabetically Each entry provides cross references as well as a list of further readings Continent sections include a bibliography for additional research The book concludes with an alphabetical list of heroes and an index of hero types The Oxford Companion to Fairy Tales Jack Zipes,2015 This Oxford companion provides an authoritative reference source for fairy tales exploring the tales themselves both ancient and modern the writers who wrote and reworked them and related topics such as film art opera and even advertising **Save Your Marriage in Five Minutes a Day** Bonnie Jacobson,2011-02-18 A happy marriage is within every couple s reach all it takes is five minutes In marriage happiness is a state of mind that you can create together in mere minutes In this book bestselling author and marriage expert Dr Bonnie Jacobson shows you how to make each other happy with the small yet meaningful gestures that add up to a big difference one day at a time From turning your everyday interactions like housework and making dinner into playful bonding to quick ways to have good sex or start having good sex these are psychologically sound methods that teach the both of you to bring out the best in each other and your relationship With this easy primer to marital bliss not only will you strengthen your marriage in no time you ll also learn how to keep it strong and happy for years to come God's Laboratory Elizabeth F. S. Roberts,2012-05-25 Assisted reproduction with its test tubes injections and gamete donors raises concerns about the nature of life and kinship Yet these concerns do not take the same shape around the world In this innovative ethnography of in vitro fertilization in Ecuador Elizabeth F S Roberts explores how reproduction by way of biotechnological assistance is not only accepted but embraced despite widespread poverty and condemnation from the Catholic Church Roberts intimate portrait of IVF practitioners and their patients reveals how technological intervention is folded into an Andean understanding of reproduction as always assisted whether through kin or God She argues that the Ecuadorian incarnation of reproductive technology is less about a national desire for modernity than it is a product of colonial racial history Catholic practice and kinship configurations God s Laboratory offers a grounded introduction to critical debates in medical anthropology and science studies as well as a nuanced ethnography of the interplay between science religion race and history in the formation of Andean families **The Literary Notebooks of Thomas Hardy** Thomas Hardy,Lennart A Björk,2016-01-06
